

## Says he saw flying saucers

**THIS IS** the American Scoutmaster, Mr. J. D. Desvergers, who claims he encountered a flying saucer in Florida. He says he was blasted by a ball of fire. In this picture he is pointing to the singed hair on his arm—his evidence of the encounter. But he's quite sure he didn't see any flying saucer like . . .

. . . Like these!

... THE ONES round the neck of actress Mari Blanchard. The flying saucer necklace with earrings to match, you must agree, are certainly attractive—and topical.
