

# Reward For "Saucer" Proof

NEW YORK, Fri. (A.A.P.).—  
A reward of £11,000 was offered  
yesterday for proof of the ex-  
istence of flying saucers.

Mr. M. Reynolds, who became  
a millionaire as a manufacturer  
of ballpoint fountain pens, said  
he would give that amount to  
"anyone who can prove scien-  
tifically the existence of flying  
saucers."

He said he meant by "flying  
saucer" an object "in the com-  
monly accepted sense of an in-  
ter-planetary flying object,  
guided by living beings from  
another planet."

He added he would give an  
additional £44,600 to anyone  
who could obtain a ride for him  
in a flying saucer.
