

Flying saucer — in color

NEW YORK: A bright, colorful object "shaped like an arrow head" was in sight over Dallas, Texas, for two hours today. An official who observed it said it "definitely was not a star or a plane."

It was seen by police, a fire department officer, observers at an airport control tower, and by many civilians.

Jap. taxi-driver accuses 'Tommy'

TOKYO: A Japanese taxi-driver, Chuichi Goda, told a British court martial today that Sapper Derek Hepples was one of three men who hired him on November 21.

"There is no doubt about it," he said.

Hepples has pleaded not guilty to a charge of having robbed Goda of 3,000 yen (£3).—A.A.P.
