Flying Saucer At Battlefront ?

SEOUL, Monday. — Four United States Army airmen yesterday reported seeing a white object flying at 60 to 80 miles an hour over Communist territory on the Korean Western front, an official Intelligence report said.

The object was seen in the Old Baldy-Pork Hill area.

The official report said that airmen in two planes observed "a white, rounded, delta-shaped object" while flying routine reconnaissance missions.

The object was estimated to be from five to seven feet in diameter.

It was travelling between 60 and 80 miles with a vibrating motion," the report said.
