

Streets in Melb. jammed

MELBOURNE, Sat.:
Traffic jams occurred throughout Melbourne tonight.

Thousands of people in cars invaded the city to see Coronation decorations.

It took cars more than 20 minutes to travel half a mile in Bourke street.

The city was brightly lit tonight. Nearly every store in Melbourne was decorated with flags and photos of the Queen and the Royal Family.

More than 80,000 people attended a fireworks display in St. Kilda to celebrate the Coronation.

Newspaper offices were swamped with reports tonight of flying saucers.

The "saucers" were searchlights from the St. Kilda display.
