

# UNUSUAL OBJECT IN SKY

Confirmation of the "un-usual object" seen in the sky by Mr. C. W. L. Taylor, of Armidale, and reported in the Express of July 15, comes today from the Wollombi district. Mr. P. A. Walsh, of "Wollombi" says today that at about 3.20 or 3.25 p.m. on

July 13, he heard a rushing noise, and thought that the sound came from a lorry. His daughter, Annette, was outside and she reported having seen an egg-shaped object travelling from south to north. It seemed like a blazing plane and emitted sparks. Its pace was not very fast, nor its height very great.
