

Flying Saucer ?

Confirmation of the "unusual object" seen in the sky by Mr. C. W. L. Taylor, of Armidale, and reported in the "Express" of July 15, comes from the Wollomombi district.

Mr. P. A. Wright, of "Walamumbi" said that about 5.20 or 5.25 p.m. on July 13, he heard a rushing noise, and thought that the sound came from a lorry.

His daughter, Annette, was outside and she reported having seen an egg-shaped object travelling from south to north.

It seemed like a blazing plane, and emitted sparks. Its pace was not very fast, nor its height very great.

The Canberra brickworks, a government undertaking, ordered £115,000 worth of plant it didn't want. Lost the money when they cancelled the order.
