

“Bright lights” in Brisbane sky

Two people report having seen strange bright lights in the sky over Brisbane in the past 48 hours.

The reports said that the light was seen north of Beenleigh and over Yeerongpilly.

Mrs. J. M. Price, of Station Road, Yeerongpilly, said her daughter Pauline, aged 13, saw the light at 6.30 last night.

“She thought it was a big star falling in our backyard,” Mrs. Price said.

“She was badly frightened, and was up most of last night.”

bright, and we thought it was a planet until it disappeared suddenly,” she said.

“We watched the light for about two minutes.”

Mrs. C. E. Holland, of Old Cleveland Road, Camp Hill, said she, her husband and her mother saw a bright light in the sky north of Beenleigh while travelling from the South Coast to Brisbane about 9 p.m. on Sunday.

“The light was very bright and we thought
