

No Answer to Saucers

Montreal, Wednesday:
Major Donald Keyhoe,
author of the book "Flying
Saucers from Outer Space."
said today the U.S. Air
Force had embarked on a
policy of "thought control"
on the subject of flying
saucers.

Major Keyhoe said the Air Force had clamped down on all information pertaining to saucers and no reason had been given.

"The Air Force does not want the public to realise how concerned it is over flying saucers until it has all the answers," he said in an interview.
