

SAUCER WILL FLY

A flying saucer will zoom low over Kilburn tomorrow afternoon.

Flying at 80 m.p.h. it will be one of 30 model aircraft to be flown by members of the Model Flying Club of Adelaide.

Some of the planes will travel at 140 m.p.h.

The miniature air display will be held at the BTM Oval, Kilburn. Proceeds will go to Adelaide Children's Hospital.
