

# **Investigate "Saucer" Report**

**MELBOURNE, Tues. —**  
**Reports of a "flying saucer"**  
**having been seen on Sat-**  
**urday night at Roma, 318**  
**miles west of Brisbane, will**  
**be investigated by the**  
**R.A.A.F.**

Several people reported  
having seen the mysterious  
object which they said  
hurtled across the sky at  
hundreds of miles an hour  
at a height of only 100 to  
200 feet.
