

FLYING SAUCER SEEN AT ROMA

ROMA, May 17. — A strange V-shaped object, described as a "flying saucer" is reported by residents here to have swept across Roma at the week-end.

At least half a dozen of Roma's citizens, spread over a distance of up to 40 miles, claim to have seen the object. They set its time of appearance at 11.45 p.m. on Saturday and say it was travelling at hundreds of miles an hour, only 100 to 200 ft up, towards the south-west.
