

## **Advice**

**Mrs. E. F. SEMPLE,  
Murphy st., South Yarra,  
says:**

If flying saucer inhabitants want to know about us, why not use sky-writers to supply information like:

"On earth you can be sent to gaol for selling your own home, bought and paid for with your own money. The shopkeeper who sells half a pound of tea after hours is a criminal."

*[When the invasion comes tell them not to get hurt near a chemist's shop at night. He won't be able to help.]*
