

Flying Saucer (?) Reported Over Northam

On Thursday afternoon last week, Mrs. Antonio, of Southern Brook Exchange, called at the Northam police station to report that, at about 2.15 p.m. that day, whilst driving in to Northam accompanied by her daughter Helen, and her daughter-in-law, Mrs. Pat. Antonio, she had noticed a "dim, oblong grey object" in the sky. It was at a great distance, and appeared to be low on the horizon over Northam. The sky was clear with not a cloud in sight.

The object remained visible for about a minute, and then was gone.

The report was confirmed by Miss Antonio and Mrs. Pat. Antonio.
