

Claim To Have Talked With Pilot Of Flying Saucer

LONDON: Reuter's Toulon correspondent says two French motor cyclists swore at Toulon on Sunday that they talked to the pilot of a flying saucer parked in the middle of the Hyeres—Toulon Road on Thursday night.

The two men Mario Rapellini and Pieree Ottoviani, to'd police they found that the flying saucer was a circular object with two legs resting on the ground. It had a bulge on top and two ear-like openings at the side.

As they gingerly approached they said a medium-sized man dressed in grey overalls of some strange material stepped out.

The following conversation took place in French.

Rapellini: Are you a Martian?

The stranger: No. I'm French, Where am I.

They told the pilot where he was.

He re-entered his machine through a triangular opening. A stream of vapour issued from the saucer. It rose slowly vertically into the air as its motor roared up.

It then streaked off at great speed, leaving an orange glow in its wake.
