

“FLYING SAUCER” LAUNCHED TODAY

A “Flying Saucer” will make its first official appearance in Brisbane today.

For this is the name of Mr. A. S. Huybers's new 36 foot sloop which is to be launched at the Norman R. Wright boat-building yards at Bulimba late this afternoon.

One hundred members of Brisbane's yachting fraternity and their womenfolk have been invited to the launching which will be performed by Mrs. Huybers with the traditional champagne bottle.

Afterwards, guests will drink the health of the ship (which has been specially designed and constructed for the navigation of Moreton Bay Waters) in a marquee set up beside the slips.

Mr. and Mrs. Huybers will drink from a Highland drinking horn that dates back for many centuries, and which was

turies, and which was sent over from Scotland for the occasion.
