

Watched By "Flying Object".

PERTH, Dec. 20.

A Geraldton businessman reported in Perth tonight that he believed he and a companion had been observed for about four minutes by a "flying object."

The man, who asked that his name be withheld, said that at about 3 a.m. last Wednesday, he was about 50 miles south of Carnarvon, driving to Geraldton, when he and a companion sighted an object in the sky.

It kept pace with the car for about 20 min., throwing off intermittent orange lights.

"We had the sensation of being watched. It was extraordinary," he said.
