3404 **THOSE FLYING SAUCERS**

The second Science Fiction Movie on ADS7 at 4.30 p.m. today will be "UFO" (Unidentified Flying Objects) which deals with so-called "Flying Saucers."

A US Air Force Intelligence officer, portrayed by Tom Powers, is inclined to scoff at reported flying saucers until a sudden dramatic event makes him change his mind.

The ingenious plot of

this topical movie includes a threat to the US capital, Washington.

At 4.30 p.m. tomorrow the weekly children's show, Wonderland will be presented, but another Science Fiction Movie, "First Man into Space," will be shown.

This is about a test pilot who risks his life in a daring mission in which he faces the unknown dangers of unconquered space.
