

REPORTS OF U.F.O.

MELBOURNE, Wednesday. — RAAF officials from the Sale air force base are investigating reports of an unidentified flying object in the Gippsland area, between 9pm and 11pm last night.

The weather bureau said

a battery-lit balloon to determine wind directions in the upper atmosphere had been released from East Sale at 9 o'clock

BEGA, Wednesday. — A number of South Coast residents reported seeing an object in the southern sky at about 10pm yesterday.

The Anglican rector of Cobargo, near Bega, the Reverend David Ballard, said he saw the object in company with Mr K. Honeybone at Bermagui.

Similar sightings were also reported at Eden and Bemboka.
