Applications are invited for appointment as Professor of Law and Dean of the Faculty of Law.

Applicants should have graduated in Law from a University in New Zealand, Australia, England or other Common Law Country and preferably have previous experience in University teaching, administration and research. The salary will be within the range \$N.Z. 7,200 to \$N.Z. 9,200 per annum. (Note: \$N.Z. 100 equals \$U.S. 112, \$A. 100, £46.13.4 sterling).

The Professor will have the right of limited private practice as a barrister, subject to the approval of the University Council.

Fares to Dunedin and removal expenses within specified limits, will be provided for the appointee and his family.
