

Seen any UFOs?

Sir, — I have been commissioned to write a book dealing with Unidentified Flying Objects over Australia and would greatly appreciate hearing from any of your readers who may have witnessed anything of this nature.

I shall not divulge their names, if so desired.

MICHAEL HERVEY

5 Dick Street,
Henley, NSW.

Letters to the Editor should be signed and carry the full address of the writer. A Post Office box is not sufficient address. In exceptional circumstances a pen name may be accepted for publication. Correspondents are asked to keep letters as short as possible.
