

# INTERVIEW ON 'UFO'S'

Mr. Michael Hervey, B.E.M. the author of 'UFO'S Over the Southern Hemisphere,' will be interviewed on the Ray Taylor programme, Channel 10 next week.

As a result of the widespread publicity his book has received overseas, Mr. Hervey has been appointed the Australasian Co-Ordinator for the Project International Petition to the United Nations, the purpose of which is to obtain official recognition of the unidentified flying object programme and to establish a research centre on the auspices of UNESCO.
