

UFO Reports Are Wanted

**Mr. Keith Basterfield,
of the Aerial Phenomena
Research Group, writes:**

The Aerial Phenomena Research Group is a small group of persons sincerely interested in Unidentified Flying Objects, with a view to carrying out full investigations here in South Australia.

We would be most grateful if any of your readers, who would either like to participate in UFO investigation, or would like to report such phenomena, would contact us at the address below, or telephone 974314.
