Two men 'definitely terrified' by UFO

PASCAGOULA, Mississippi, Monday (AAP). — Two men who say they were taken aboard an unidentified flying object by three creatures with crab-like hands and pointed ears definitely underwent a "terrifying experience," according to two scientists who questioned the men under hypnosis, United Press International reports.

Dr Allen Hynek, chairman of the astrological department at Northwestern University, and Dr James Harder, of the Aero Phenomenon Research Organisation and the University of California, spent several hours interviewing Mr

several hours interviewing Mr Charles Hickson, 42, and Mr Calvin Parker, 18, on Saturday night.

The men told the Jackson County Sheriff's Department they had been fishing off an old pier on the Pascagoula River on Thursday night when they saw a strange object approaching in the sky, emitting a bluish haze.

Reportedly "scared to death and shaking all over", they told officers they had been taken inside the craft by three creatures with big eyes, crab-like hands, wrinkled skin and pointed ears.

Dr Harder said the men's experience as reflected during hypnosis was "traumatic", adding "their emotions and very strong feelings of terror are impossible to fake under hypnosis".
