

● **PORT Moresby** motorcyclist **David Dwyer** (left) and an unidentified flying object go over one of the jumps at the motor sports club meet at the weekend. One of the disappointments of the day was the failure of 11-year-old **John Green** on his bike. John has been holding his own in open competition at the speedway but his bike's engine seized during the first race. He hopes to be back in the running for the Papuan titles to be held on **October 12.**
