

# FLYING SAUCERS WILL GO ON DISPLAY

An authority on flying saucers, Mr. Colin Norris, is to mount a display on the subject at the Port Lincoln branch of Woolworths next week.

Regularly quoted in the press and radio, Mr. Norris is public relations officer of the Australian Flying Saucer Research Society which has amassed a great deal of information about saucer sightings.

The Society was founded in 1952 and is the oldest established private body

studying the unidentified flying objects.

Mr. Norris's display will include reports, photographs and clippings of UFO sightings made

UFO sightings made throughout the world during the past 25 years.

The display also has details about unexplained incidents which may be associated with flying saucer activity, such as ship disappearances in the Bermuda Triangle and the mystery disappearances of people.

A chart showing flight patterns across the State will be included in the display.

This display will open at lunch time on Friday June 17 in Woolworths foyer and continue throughout the afternoon.

In the evening Mr. Norris will be guest speaker at a meeting of the Port Lincoln Apex Club.

On June 16 he will speak at a meeting of the Streaky Bay Apex Club.
