

Fire deaths inquest

An inquest into the fire at a Canberra petrol station in which a woman and two children died ended yesterday, with no firm findings about the source of the fire. — Page 9.

PREMIERS' CONFERENCE

A crisis developing in the building and construction industry likely to provoke another row between the Federal and State governments at the Premiers' Conference next month. — Page 3.

UFOs

Unidentified flying objects: do they come from outer space, or are they merely imagination? — Page 21.
