For more than 20 years Paraguay has been under the dictatorship of its President, General Alfredo Stroessner. During this time rumours of harsh repression have trickled out, but little real information has emerged about what is happening there.
- Last year BBC producer Vanya Kewley managed to enter Paraguay with a camera crew, and in this program, the first film from inside General Stroessner's stronghold, they show the ruthless suppression of efforts to help the impoverished pea-

**sants to improve  
their conditions.**
