

UFO sighted twice in Brazil

DOURADOS, Brazil, Sunday (AAP-UPI). — A brilliantly coloured, fast-moving unidentified flying object was spotted twice last week by residents of Dourados, 1,000 kilometres west of Rio de Janeiro, a policeman said yesterday.

Policeman Antonio Jose Da Silva said hundreds of the city's 80,000 residents and many of its police force saw a disc-shaped object emitting bright flashes of red and blue and moving rapidly above the city on Wednesday and Thursday nights.
