

NEW BOOK

Jewish author, Michael Hervey, has released his latest publication, "Violent Australian Crimes."

Mr Hervey's widely acclaimed book, "UFOs, The American Scene," will be serialised in Japan.

He is mentioned in the Guinness Book of Records, having written the world record of 3,500 short stories.

He is currently working on true and bizarre items relating to married life.

The UFO organization in England recently invited him to become an honorary life president in view of his reputation as a leading authority on unidentified flying objects in the Southern Hemisphere.
