UFO 'tried to abduct girl'

BRISBANE: The Queensland Police Commissioner, Mr Terry Lewis, has urged police to treat reported UFO sightings seriously following the reported attempted abduction of a girl by a UFO.

Mrs M. Young of Gumdale, an outer Brisbane suburb, told police that her daughter was in the yard a week ago when a large saucer-shaped object with flashing lights swooped low over the area.

Mrs Young said her daughter came running into the house screaming "a flying saucer tried to get me."
