CLOSE ENCOUNTERS OF THE THIRD KIND (Special edition), 1977, colour, 129min, rated G.

Unidentified flying objects finally make a landing and change the life of the man who witnesses it. After a time, the humans and the aliens make contact inside the spaceship. The original movie was remarkable for its special effects — for this special edition, director Steven Spielberg has changed certain scenes and heightened the special effects to make a film beyond the original.

STARS Richard Dreyfus, Francois Truffaut, Teri Garr.

DIRECTOR Steven Spielberg.
