U.F.O.'s - Unidentified Flying Objects?

The initials U.F.O. stand for Unidentified Flying Objects, sighting of which often "hit the headlines" all over the world. They can cause some fear and anxiety amongst people. There have been many authentic witnessings, and just as many hoaxes. Christians seeking to know the truth often ask if there are such things.

The simple, uncomplicated answer is yes, there are such things as U.F.O.'s, or Unidentified Flying Objects. And when someone finally captures one it ceases to be a U.F.O. and becomes an I.F.O., an Identified Flying Object, usually harmless or illusory. Don't lose any more sleep over them!

There are some interesting & spectacular I.F.O.'s mentioned in the Bible, all of which proved very helpful to God's people in their times of greatest need. They are found in Exodus 13:21; 16:4; Joshua 10:11; 2 Kings 2:11; Daniel 5:5; Matthew 2:2; 3:16; & Acts 2:3. But there is one spectacular encounter still to come. Read about it in Matthew 24:27-31. Ask yourself seriously whether you are ready to become an I.F.O.J. (Identified Follower Of Jesus). Your happiness depends on it,

eternally!
