The Port Lincoln Times Crossword Competition is back for the third time this year. (It will appear once more in 1995).
 One lucky crossword-solver will win a voucher for \$200 simply by reading the advertisements on these pages and working out the answers.
 The \$200 can be spent in any one of these businesses, according to the winner's choice.
 Eighteen of the answers are related in some way to the advertisements, the traders, or their product.
 Entries must be received at The Port Lincoln Times, PO Box 1672, Port Lincoln SA 5606 by 5pm on Wednesday, August 30.
 The winner will be advised by telephone and announced in 'The Port Lincoln Times' on Tuesday, September 5. Answers will also be printed in that issue.
