

## **50 YEARS AGO**

A **WHITE** pointer weighing 1,035.5 lb and 12 feet long was caught near Dangerous Reef by Mr G R Cowell. He played the shark for an hour with a 39 thread before making the catch.

## **40 YEARS AGO**

A **LARGE** peach big enough for a whole family was on display at the Tourist Bureau. Weighing 1lb 5oz (1.2kgs) and 4.5 inches (11cm) in diameter, the peach was grown by Mr J W Hayman of Queen Street, Port Lincoln.

## **30 YEARS AGO**

A **CRASHED** plane was lifted from the sea floor in Spalding Cove by divers, who discovered that someone had beaten them to it. Valuable instruments had already disappeared from the wreckage of the Aero Commander.

## **20 YEARS AGO**

**PREPARATIONS** for the filming of "Blue Fin", based on Colin Thiele's novel, began this week on the tuna vessel "Velebit". The story of Blue Fin centres around Port Lincoln, where the author was once a teacher.

## **10 YEARS AGO**

**ANOTHER** UFO sighting has been reported to the Pt Lincoln Police by a Canadian fisherman, who says he saw green and red flashing

man, who says he saw green and red flashing lights one night (he doesn't remember which) in January.
