

Aliens 'a Stalinist plot'

LOS ANGELES: It is one of the greatest alien conspiracy theories. But a new book may have come up with an even stranger explanation for the supposed alien crash-landing at Roswell in 1947 — it was a Joseph Stalin plot to scare Americans.

Annie Jacobsen's *Area 51, An*

Uncensored History claims Stalin set up a Nazi jet manned by deformed "child-like aviators" — created by Nazi scientist Josef Mengele — to crash in the US in a bid to create panic like that caused by Orson Welles' 1938 *War of The Worlds* spoof alien invasion radio broadcast.
