Another UFO sighting?

ANOTHER UFO sighting has been reported in the Blackwood area – this time over Aberbargoed.

Police said aircraft enthusiast, Mr. K. Hayter, saw a triangular mass of white light travelling slowly above the village at about 7 o'clock last night.

Mr. Hayter, of Shannon Close, T-Bryn, Pontllanfraith, described two bright lights at the bottom corner and a blue/green light slowly turning red at the apex.

The object disappeared from view quite slowly. "Mr. Hayter is a keen aviation enthusiast and is convinced it was not a form of aircraft," said a police spokesman.

Other UFOs have recently been sighted in the Croespenmaen area.
