Not one, not two but three UFOs

CHRIS Fowler could hardly believe his eyes when he said goodnight to two friends early yesterday.

The Cardiff man is convinced he saw a bright white light whizzing through the air across the road.

Chris, who stresses he had not been drinking,

said 10 minutes later two more UFOs passed in the other direction past his Whitla Street home.

He said: "I've spoken to Cardiff Airport and the police, but there were no aircraft known to them in the air at that time."

Chris wants anyone who saw the lights to ring him on Cardiff 793217.
