

been no further sightings.

UFO sightings on the up in Britain

A WELSHMAN was among more than 100 people, including three pilots, who reported sightings of UFOs in the UK last year, it was disclosed yesterday.

The Ministry of Defence took details of 135 events in which strange, unexplained objects were seen. Just 97 were reported in 2006.

The Welshman, calling from Cardiff, reported that spaceships appeared and abducted his dog, car and tent.
