

QUANTUM WYTCH CAFE WARMLY
WELCOMES:

John
Ramirez

1
00:00:07,590 --> 00:00:06,470
hello everybody welcome to quantum witch

2
00:00:11,270 --> 00:00:07,600
cafe

3
00:00:13,350 --> 00:00:11,280
and tonight we have mr john ramirez here

4
00:00:15,589 --> 00:00:13,360
i want to do a quick thank you to

5
00:00:17,430 --> 00:00:15,599
anybody joining in the chat and if

6
00:00:19,590 --> 00:00:17,440
you're listening on anomalous podcast

7
00:00:22,230 --> 00:00:19,600
network thank you for listening there

8
00:00:24,790 --> 00:00:22,240
and feel free to shoot me any feedback

9
00:00:26,710 --> 00:00:24,800
and also if you are listening on youtube

10
00:00:27,990 --> 00:00:26,720
you can support by giving me a like

11
00:00:30,150 --> 00:00:28,000
thank you

12
00:00:32,229 --> 00:00:30,160
there's some links you know um in the

13
00:00:35,590 --> 00:00:32,239

description for both john and i and ways

14

00:00:37,510 --> 00:00:35,600

to support and uh yeah just thank you

15

00:00:39,110 --> 00:00:37,520

for your support i said support like 90

16

00:00:41,270 --> 00:00:39,120

times but thank you

17

00:00:43,910 --> 00:00:41,280

so tonight we have you know mr john

18

00:00:46,790 --> 00:00:43,920

ramirez and most of you will know who he

19

00:00:48,389 --> 00:00:46,800

is but if we have some random you know

20

00:00:49,990 --> 00:00:48,399

witches listening that might not know

21

00:00:52,310 --> 00:00:50,000

who he is or some random people not

22

00:00:54,790 --> 00:00:52,320

knowing who he is um john do you mind

23

00:00:57,830 --> 00:00:54,800

telling us a quick bio

24

00:01:00,389 --> 00:00:57,840

sure um i served 25 years in cia from

25

00:01:02,790 --> 00:01:00,399

1984 to 2009

26

00:01:05,670 --> 00:01:02,800

in the course of my day job which has

27

00:01:08,630 --> 00:01:05,680

nothing to do with uap's ufo's vts

28

00:01:10,149 --> 00:01:08,640

i did encounter instances where

29

00:01:12,870 --> 00:01:10,159

such phenomena

30

00:01:13,990 --> 00:01:12,880

was presented as part of my day job that

31

00:01:16,390 --> 00:01:14,000

i saw

32

00:01:17,830 --> 00:01:16,400

that the russians tracked orbs with

33

00:01:18,789 --> 00:01:17,840

their radars

34

00:01:20,710 --> 00:01:18,799

and

35

00:01:22,550 --> 00:01:20,720

that's just one example of some of the

36

00:01:24,390 --> 00:01:22,560

high strangeness that we deal with at

37

00:01:27,990 --> 00:01:24,400

cia

38

00:01:30,310 --> 00:01:28,000

and so i had a long uh lifelong interest

39

00:01:31,749 --> 00:01:30,320

in this topic even before i joined cia

40

00:01:33,270 --> 00:01:31,759

from childhood

41

00:01:36,310 --> 00:01:33,280

and i had many experiences from

42

00:01:37,190 --> 00:01:36,320

childhood all the way to just recently

43

00:01:40,149 --> 00:01:37,200

um

44

00:01:42,630 --> 00:01:40,159

in my adult life and so

45

00:01:44,789 --> 00:01:42,640

for me um i know a lot of people are

46

00:01:47,109 --> 00:01:44,799

interested in nuts and bolts about you

47

00:01:49,109 --> 00:01:47,119

about the craft uh they just want to

48

00:01:50,069 --> 00:01:49,119

like show me the saucers and show me the

49

00:01:52,550 --> 00:01:50,079

bodies

50

00:01:54,870 --> 00:01:52,560

but i am more about

51

00:01:57,109 --> 00:01:54,880

why are we seeing the craft

52

00:02:00,069 --> 00:01:57,119

to begin with what are these orbs all

53

00:02:02,709 --> 00:02:00,079

about what is the message that

54

00:02:04,630 --> 00:02:02,719

these visitors want to convey to us that

55

00:02:06,389 --> 00:02:04,640

might impact where we're taking the

56

00:02:08,790 --> 00:02:06,399

world because i think we do have free

57

00:02:09,990 --> 00:02:08,800

choice i don't think they push us to do

58

00:02:11,910 --> 00:02:10,000

anything

59

00:02:12,630 --> 00:02:11,920

it's our choice but they're presenting

60

00:02:14,229 --> 00:02:12,640

us

61

00:02:16,710 --> 00:02:14,239

with those choices

62

00:02:19,030 --> 00:02:16,720

and um perhaps

63

00:02:20,790 --> 00:02:19,040

a clue into if we make the wrong choice

64

00:02:24,150 --> 00:02:20,800

what could happen

65

00:02:25,670 --> 00:02:24,160

and so that is like some of the um

66

00:02:27,990 --> 00:02:25,680

nuclear missile incidents that we've

67

00:02:30,070 --> 00:02:28,000

read about that have been documented by

68

00:02:33,110 --> 00:02:30,080

robert salas at the minuteman ii silo he

69

00:02:36,070 --> 00:02:33,120

was at maelstrom you know why were these

70

00:02:38,630 --> 00:02:36,080

missiles shut down or why were the

71

00:02:40,309 --> 00:02:38,640

missiles missiles activated i think

72

00:02:43,589 --> 00:02:40,319

there's a lesson in that

73

00:02:46,309 --> 00:02:43,599

for us and so for me as i said before

74

00:02:49,030 --> 00:02:46,319

um it's not about like to use the

75

00:02:52,309 --> 00:02:49,040

analogy of the delivery truck delivering

76

00:02:54,150 --> 00:02:52,319

a package uh at your front door

77

00:02:56,470 --> 00:02:54,160

um it's one thing to be interested in

78

00:02:58,390 --> 00:02:56,480

the truck and the driver that's fine but

79

00:03:00,790 --> 00:02:58,400

they left a package

80

00:03:02,229 --> 00:03:00,800

and so is it like oh i want to know

81

00:03:03,589 --> 00:03:02,239

about the

82

00:03:05,270 --> 00:03:03,599

truck and i want to chase it down and

83

00:03:06,710 --> 00:03:05,280

talk to the driver or

84

00:03:07,910 --> 00:03:06,720

do we want to pick up the package and

85

00:03:09,990 --> 00:03:07,920

some people just want to shake the

86

00:03:11,990 --> 00:03:10,000

package and like listen to it and see

87

00:03:14,229 --> 00:03:12,000

protects or whatever but i'm more

88

00:03:17,190 --> 00:03:14,239

interested in opening the package to see

89

00:03:18,550 --> 00:03:17,200

what is the gift inside and for me uh

90

00:03:20,790 --> 00:03:18,560

experiencers

91

00:03:23,589 --> 00:03:20,800

uh others who are in that

92

00:03:25,270 --> 00:03:23,599

uh more esoterica are more interested in

93

00:03:26,470 --> 00:03:25,280

the message rather than the means of

94

00:03:28,710 --> 00:03:26,480

delivery

95

00:03:30,149 --> 00:03:28,720

and so that's where i'm at with the

96

00:03:33,110 --> 00:03:30,159

right

97

00:03:34,869 --> 00:03:33,120

yes and people are really afraid to talk

98

00:03:38,149 --> 00:03:34,879

about that you know we have the two

99

00:03:41,190 --> 00:03:38,159

camp of ufo twitter ufo world in

100

00:03:42,949 --> 00:03:41,200

general where there is the whole

101
00:03:44,550 --> 00:03:42,959
and it's kind of insulting when people

102
00:03:45,430 --> 00:03:44,560
say it we were just talking about it the

103
00:03:47,270 --> 00:03:45,440
woo

104
00:03:49,350 --> 00:03:47,280
and then we have

105
00:03:51,420 --> 00:03:49,360
the side that is nuts and bolts which is

106
00:03:53,670 --> 00:03:51,430
kind of funny because um

107
00:03:56,229 --> 00:03:53,680
[Laughter]

108
00:03:58,390 --> 00:03:56,239
sorry um a lot of people say that but at

109
00:03:59,270 --> 00:03:58,400
our last book club

110
00:04:01,429 --> 00:03:59,280
um

111
00:04:03,110 --> 00:04:01,439
i'm sorry i keep thinking about it it

112
00:04:04,630 --> 00:04:03,120
was brought up that

113
00:04:06,630 --> 00:04:04,640

people don't report nuts and bolts on

114

00:04:08,390 --> 00:04:06,640

ufo so what the heck are you talking

115

00:04:10,949 --> 00:04:08,400

about with the nuts and bolts they're

116

00:04:13,030 --> 00:04:10,959

not even nobody said nuts and bolts like

117

00:04:15,350 --> 00:04:13,040

they've seen nuts and bolts so it's

118

00:04:17,189 --> 00:04:15,360

pretty funny that um oh my gosh why is

119

00:04:20,310 --> 00:04:17,199

it slipping me who brought it up

120

00:04:22,390 --> 00:04:20,320

my bra uh jay from experienter group yes

121

00:04:24,070 --> 00:04:22,400

so he brought it up to um

122

00:04:25,590 --> 00:04:24,080

to one of the guys in book club and he's

123

00:04:26,950 --> 00:04:25,600

just like like blew his mind he's like

124

00:04:28,710 --> 00:04:26,960

wait like i've been saying nuts and

125

00:04:30,629 --> 00:04:28,720

bolts this whole time and

126

00:04:32,710 --> 00:04:30,639

you're right like ufos are usually

127

00:04:34,469 --> 00:04:32,720

seamless like from you right before with

128

00:04:37,350 --> 00:04:34,479

that yeah it's just it's just a human

129

00:04:38,390 --> 00:04:37,360

way of looking at

130

00:04:40,390 --> 00:04:38,400

stuff

131

00:04:42,469 --> 00:04:40,400

yeah yeah and um

132

00:04:44,950 --> 00:04:42,479

so i know jay and i were actually part

133

00:04:48,310 --> 00:04:44,960

of this uh exo studies course

134

00:04:49,270 --> 00:04:48,320

with dr sean espjorn hargens and he's

135

00:04:52,550 --> 00:04:49,280

amazing

136

00:04:54,150 --> 00:04:52,560

yes he is and there was a um a week

137

00:04:56,310 --> 00:04:54,160

where we talked about nuts and bolts

138

00:04:57,990 --> 00:04:56,320

that was actually the theme for a week

139

00:05:00,150 --> 00:04:58,000

and it's mostly about

140

00:05:02,550 --> 00:05:00,160

um the metallic craft

141

00:05:04,310 --> 00:05:02,560

and how there's a lot of interest in the

142

00:05:06,310 --> 00:05:04,320

metallic craft and where did that come

143

00:05:08,830 --> 00:05:06,320

from because i mean if you go back to

144

00:05:12,070 --> 00:05:08,840

roswell it's all about this craft

145

00:05:13,830 --> 00:05:12,080

crashed yeah and uh perhaps those nuts

146

00:05:16,070 --> 00:05:13,840

and bolts weren't tight enough they're

147

00:05:17,990 --> 00:05:16,080

causing right to me it's unusual you

148

00:05:20,310 --> 00:05:18,000

know like if it's supposed to be this

149

00:05:22,150 --> 00:05:20,320

exotic advanced propulsion technology

150

00:05:24,390 --> 00:05:22,160

using anti-gravity

151

00:05:26,070 --> 00:05:24,400

why the hell did it crash

152

00:05:28,150 --> 00:05:26,080

you know i mean that's something that uh

153

00:05:30,710 --> 00:05:28,160

like human-built airplanes do and i

154

00:05:32,550 --> 00:05:30,720

don't know right that's a clue into what

155

00:05:35,110 --> 00:05:32,560

roswell really was about

156

00:05:37,670 --> 00:05:35,120

or not um i leave that up to folks with

157

00:05:39,189 --> 00:05:37,680

ndas that know about exactly what

158

00:05:40,710 --> 00:05:39,199

roswell's about

159

00:05:42,790 --> 00:05:40,720

yeah there's a lot of speculation for

160

00:05:43,590 --> 00:05:42,800

sure a lot of speculation and to preface

161

00:05:48,550 --> 00:05:43,600

that

162

00:05:51,110 --> 00:05:48,560

with anything to do with this at all it

163

00:05:54,390 --> 00:05:51,120

just came up as part of my day job

164

00:05:56,070 --> 00:05:54,400

and so those with ndas they know more

165

00:05:58,230 --> 00:05:56,080

about what happened

166

00:06:00,870 --> 00:05:58,240

but they're not at liberty to discuss it

167

00:06:03,270 --> 00:06:00,880

all right fortunately for me i refused

168

00:06:05,189 --> 00:06:03,280

the ndas about anything to do with this

169

00:06:07,350 --> 00:06:05,199

when it was offered to me

170

00:06:09,590 --> 00:06:07,360

i just did not want to go there because

171

00:06:11,110 --> 00:06:09,600

why would i need to know

172

00:06:13,110 --> 00:06:11,120

in a classified sense what i already

173

00:06:15,270 --> 00:06:13,120

know personally what i've experienced

174

00:06:16,550 --> 00:06:15,280

personally so those of us who are

175

00:06:19,029 --> 00:06:16,560

experiencers

176

00:06:20,870 --> 00:06:19,039

we almost already know

177

00:06:22,309 --> 00:06:20,880

what's behind the scenes

178

00:06:23,430 --> 00:06:22,319

the things that the government can't

179

00:06:26,629 --> 00:06:23,440

talk about

180

00:06:29,189 --> 00:06:26,639

and that is the experience part of it

181

00:06:32,710 --> 00:06:29,199

that is part of everything so if you

182

00:06:34,710 --> 00:06:32,720

just deal with like craft and bodies

183

00:06:35,510 --> 00:06:34,720

you're just looking at a small sliver of

184

00:06:37,430 --> 00:06:35,520

that

185

00:06:40,629 --> 00:06:37,440

magnificent spectrum known as the

186

00:06:42,950 --> 00:06:40,639

phenomenon right and i think jim simivan

187

00:06:44,710 --> 00:06:42,960

recently when he appeared on coast to

188

00:06:46,790 --> 00:06:44,720

coast and i was the second guest he

189

00:06:48,950 --> 00:06:46,800

talked about his experiences

190

00:06:51,830 --> 00:06:48,960

and wasn't that an amazing discussion he

191

00:06:52,790 --> 00:06:51,840

had with george knapp another ci officer

192

00:06:54,150 --> 00:06:52,800

saying

193

00:06:58,150 --> 00:06:54,160

i'm going to talk about my experiences

194

00:07:03,350 --> 00:07:01,110

that's i think that's where it should go

195

00:07:04,870 --> 00:07:03,360

that conversation because once we add

196

00:07:07,990 --> 00:07:04,880

the experiences

197

00:07:10,070 --> 00:07:08,000

to what we see as craft or orbs or these

198

00:07:12,390 --> 00:07:10,080

unusual things in the sky we get a

199

00:07:15,270 --> 00:07:12,400

fuller understanding of what really is

200

00:07:17,909 --> 00:07:15,280

going on and perhaps a clue into why the

201

00:07:20,469 --> 00:07:17,919

government can't talk about it

202

00:07:22,870 --> 00:07:20,479

because can you imagine

203

00:07:23,749 --> 00:07:22,880

any president getting up on the podium

204

00:07:26,550 --> 00:07:23,759

and say

205

00:07:28,550 --> 00:07:26,560

oh you know they're visiting us and um

206

00:07:30,790 --> 00:07:28,560

people have experiences in government

207

00:07:32,950 --> 00:07:30,800

you know and we have experiences about

208

00:07:34,469 --> 00:07:32,960

being taken aboard craft and

209

00:07:38,230 --> 00:07:34,479

all of that that goes on with that i

210

00:07:39,589 --> 00:07:38,240

mean that's just uh a bridge too far

211

00:07:41,110 --> 00:07:39,599

yes and

212

00:07:43,189 --> 00:07:41,120

they even mention like the biological

213

00:07:45,510 --> 00:07:43,199

effects right in some of the language so

214

00:07:46,550 --> 00:07:45,520

we know that people

215

00:07:49,029 --> 00:07:46,560

have

216

00:07:50,710 --> 00:07:49,039

been physically affected by this so

217

00:07:52,869 --> 00:07:50,720

and then we have gary nolan doing his

218

00:07:55,749 --> 00:07:52,879

research and he has a lot of information

219

00:07:57,350 --> 00:07:55,759

about that too so we can't ignore it for

220

00:07:58,869 --> 00:07:57,360

much longer

221

00:08:00,869 --> 00:07:58,879

and right now everybody's sticking with

222

00:08:02,710 --> 00:08:00,879

military because it's easier to document

223

00:08:04,710 --> 00:08:02,720

like you were in this job position you

224

00:08:06,070 --> 00:08:04,720

needed this sort of vetting or clearance

225

00:08:08,790 --> 00:08:06,080

so you're more

226

00:08:11,749 --> 00:08:08,800

for the world you're more

227

00:08:13,510 --> 00:08:11,759

easy to believe or you're more credible

228

00:08:14,710 --> 00:08:13,520

and then there's the rest of us that

229

00:08:16,550 --> 00:08:14,720

just uh

230

00:08:18,710 --> 00:08:16,560

got our minds blown at the age of four

231

00:08:21,029 --> 00:08:18,720

or five and we're just like

232

00:08:23,189 --> 00:08:21,039

we don't really need too much but it

233

00:08:25,990 --> 00:08:23,199

would be nice for people that do need it

234

00:08:27,909 --> 00:08:26,000

that are experiencers to have that um

235

00:08:29,990 --> 00:08:27,919

you know that hey like this this did

236

00:08:31,350 --> 00:08:30,000

happen you're not crazy um even though

237

00:08:32,790 --> 00:08:31,360

you know you're not crazy you still feel

238

00:08:34,230 --> 00:08:32,800

crazy sometimes because we just you just

239

00:08:35,909 --> 00:08:34,240

said you know it's not really

240

00:08:37,190 --> 00:08:35,919

um when we were talking before we came

241

00:08:38,709 --> 00:08:37,200

on you were saying this isn't really

242

00:08:41,190 --> 00:08:38,719

like something you talk around the

243

00:08:43,350 --> 00:08:41,200

dinner table and i was like yeah not at

244

00:08:45,110 --> 00:08:43,360

playground with other moms either so

245

00:08:47,350 --> 00:08:45,120

it's like

246

00:08:49,670 --> 00:08:47,360

people are like so this crock pot recipe

247

00:08:51,350 --> 00:08:49,680

is great this is a this is a sheet pan

248

00:08:53,030 --> 00:08:51,360

recipe and i'm like hey how about them

249

00:08:54,710 --> 00:08:53,040

ufos like

250

00:08:57,269 --> 00:08:54,720

the world's like an old movie where like

251

00:09:00,870 --> 00:08:57,279

the the record goes you know

252

00:09:03,269 --> 00:09:00,880

and everybody looks at you so um

253

00:09:06,310 --> 00:09:03,279

yeah you brought up a good point too

254

00:09:08,150 --> 00:09:06,320

and you could basically said you know um

255

00:09:09,990 --> 00:09:08,160

how can we we might not even be able to

256

00:09:11,030 --> 00:09:10,000

understand the what without the who

257

00:09:13,030 --> 00:09:11,040

right so

258

00:09:15,110 --> 00:09:13,040

um we might and this has been talked

259

00:09:16,710 --> 00:09:15,120

about by whistleblowers and people that

260

00:09:18,389 --> 00:09:16,720

supposedly worked kind of like with

261

00:09:20,630 --> 00:09:18,399

these craft that were these crash

262

00:09:22,630 --> 00:09:20,640

retrieval materials you're like well we

263

00:09:23,829 --> 00:09:22,640

have it we can't figure out what it does

264

00:09:27,030 --> 00:09:23,839

completely

265

00:09:29,829 --> 00:09:27,040

or you know um you might need to be

266

00:09:31,829 --> 00:09:29,839

linked with a certain consciousness to

267

00:09:32,870 --> 00:09:31,839

understand how it works

268

00:09:35,590 --> 00:09:32,880

and

269

00:09:37,509 --> 00:09:35,600

another thing that kind of blows my mind

270

00:09:40,310 --> 00:09:37,519

is people are expecting like these weird

271

00:09:41,670 --> 00:09:40,320

um like on like uh elements that we've

272

00:09:44,389 --> 00:09:41,680

never seen but

273

00:09:45,910 --> 00:09:44,399

you know it could be the elements and

274

00:09:48,070 --> 00:09:45,920

you know in different isotopes or

275

00:09:50,150 --> 00:09:48,080

different ratios or mixtures is what

276

00:09:51,590 --> 00:09:50,160

people are starting to notice but that's

277

00:09:52,949 --> 00:09:51,600

kind of like to me kind of bothers me

278

00:09:54,550 --> 00:09:52,959

but like oh well it was just a piece of

279

00:09:56,630 --> 00:09:54,560

aluminum in the end

280

00:09:58,630 --> 00:09:56,640

i'm like yeah but like did you do um you

281

00:09:59,829 --> 00:09:58,640

know did you measure the spectrum did

282

00:10:01,750 --> 00:09:59,839

you put it you know you know did you

283

00:10:03,030 --> 00:10:01,760

measure the isotope rates and all that

284

00:10:05,190 --> 00:10:03,040

stuff so

285

00:10:06,310 --> 00:10:05,200

a lot of people are doing that now and i

286

00:10:08,230 --> 00:10:06,320

know people have been doing it for a

287

00:10:10,470 --> 00:10:08,240

long time but people are just starting

288

00:10:12,150 --> 00:10:10,480

to talk about it finally but let's dive

289

00:10:13,509 --> 00:10:12,160

into the experiences because i think

290

00:10:16,389 --> 00:10:13,519

that a lot of people have asked you a

291

00:10:19,030 --> 00:10:16,399

lot of like you know technical questions

292

00:10:20,150 --> 00:10:19,040

and i do think that um your slideshow

293

00:10:22,230 --> 00:10:20,160

that you did

294

00:10:23,910 --> 00:10:22,240

with project unity was super cool um

295

00:10:25,509 --> 00:10:23,920

i've watched it a couple times and you

296

00:10:26,949 --> 00:10:25,519

had mentioned that and nothing i'm

297

00:10:28,949 --> 00:10:26,959

saying that nothing that you're saying

298

00:10:31,350 --> 00:10:28,959

is uh classified

299

00:10:33,750 --> 00:10:31,360

so that's very interesting and

300

00:10:35,350 --> 00:10:33,760

um but then you're talking from an

301

00:10:37,509 --> 00:10:35,360

experienter standpoint that kind of

302

00:10:38,870 --> 00:10:37,519

ended up in a position where you were

303

00:10:41,190 --> 00:10:38,880

able to observe more about the

304

00:10:44,230 --> 00:10:41,200

phenomenon whether you intended that or

305

00:10:46,230 --> 00:10:44,240

not something intended it for you

306

00:10:48,550 --> 00:10:46,240

whether it be you know people talk about

307

00:10:50,790 --> 00:10:48,560

soul contracts or fate or destiny or

308

00:10:52,310 --> 00:10:50,800

divine planning so

309

00:10:53,590 --> 00:10:52,320

you had your first experience when you

310

00:10:56,230 --> 00:10:53,600

were five

311

00:10:58,550 --> 00:10:56,240

right well yes um actually uh

312

00:11:01,190 --> 00:10:58,560

not an experience but the first message

313

00:11:03,110 --> 00:11:01,200

i got was at age four

314

00:11:04,790 --> 00:11:03,120

um when i looked through my first

315

00:11:09,110 --> 00:11:04,800

telescope

316

00:11:10,630 --> 00:11:09,120

uh seeing the stars and the moons and

317

00:11:12,310 --> 00:11:10,640

maybe some of those stars were actually

318

00:11:14,630 --> 00:11:12,320

planets

319

00:11:16,470 --> 00:11:14,640

i felt an affinity toward what was

320

00:11:19,269 --> 00:11:16,480

seeing that

321

00:11:20,790 --> 00:11:19,279

this was where i came from and even at

322

00:11:23,350 --> 00:11:20,800

that young age

323

00:11:26,550 --> 00:11:23,360

it was a feeling that uh it belonged out

324

00:11:28,630 --> 00:11:26,560

there not on earth and that perhaps

325

00:11:29,670 --> 00:11:28,640

i got left behind on earth

326

00:11:30,550 --> 00:11:29,680

and

327

00:11:33,110 --> 00:11:30,560

so

328

00:11:35,910 --> 00:11:33,120

even though i had a earthly family that

329

00:11:37,750 --> 00:11:35,920

my real family was out there

330

00:11:40,949 --> 00:11:37,760

and that's that was at a very young age

331

00:11:43,430 --> 00:11:40,959

of age four and isn't it amazing that

332

00:11:46,630 --> 00:11:43,440

lifelong experiencers they usually say

333

00:11:49,030 --> 00:11:46,640

it happened when i was very small yes

334

00:11:51,350 --> 00:11:49,040

and that seems to be a common age like

335

00:11:52,629 --> 00:11:51,360

and also that what you mentioned

336

00:11:53,829 --> 00:11:52,639

what you meant sorry not to interrupt

337

00:11:56,389 --> 00:11:53,839

but i want to say it before i forget

338

00:11:58,790 --> 00:11:56,399

what you mentioned about feeling like

339

00:12:00,310 --> 00:11:58,800

you're in the wrong place exactly maybe

340

00:12:03,509 --> 00:12:00,320

you're not even supposed to be in a body

341

00:12:05,350 --> 00:12:03,519

at some point so but yes go on so you um

342

00:12:08,230 --> 00:12:05,360

you had your first uh

343

00:12:11,190 --> 00:12:08,240

when you looked through this telescope

344

00:12:12,550 --> 00:12:11,200

yes and so the subsequent experience to

345

00:12:13,829 --> 00:12:12,560

that was

346

00:12:14,870 --> 00:12:13,839

um

347

00:12:16,710 --> 00:12:14,880

when

348

00:12:18,629 --> 00:12:16,720

um i had

349

00:12:20,150 --> 00:12:18,639

i guess it was a dream but it was a

350

00:12:22,310 --> 00:12:20,160

recurring dream

351
00:12:24,389 --> 00:12:22,320
of being led into a house or in a

352
00:12:25,509 --> 00:12:24,399
medical examination

353
00:12:27,670 --> 00:12:25,519
um

354
00:12:30,310 --> 00:12:27,680
and this could have been a what's known

355
00:12:32,870 --> 00:12:30,320
as a cover experience that for me to

356
00:12:34,230 --> 00:12:32,880
process it it had to be

357
00:12:36,710 --> 00:12:34,240
like um

358
00:12:38,790 --> 00:12:36,720
a woman who led me to this house and a

359
00:12:40,870 --> 00:12:38,800
doctor and a nurse who were very kind

360
00:12:43,750 --> 00:12:40,880
and wanted to examine me

361
00:12:44,949 --> 00:12:43,760
and this was a recurring kind of

362
00:12:46,389 --> 00:12:44,959
of dream

363
00:12:48,790 --> 00:12:46,399

where sometimes it was on the first

364

00:12:50,470 --> 00:12:48,800

floor sometimes on the second floor but

365

00:12:52,389 --> 00:12:50,480

in each time

366

00:12:55,030 --> 00:12:52,399

they assured me that

367

00:12:56,949 --> 00:12:55,040

they meant no harm that you're fine we

368

00:12:59,030 --> 00:12:56,959

just want to examine you

369

00:13:01,590 --> 00:12:59,040

and i remember the examination it wasn't

370

00:13:03,509 --> 00:13:01,600

any kind of intrusive examination that i

371

00:13:05,269 --> 00:13:03,519

remember it's mostly we just want to see

372

00:13:07,990 --> 00:13:05,279

how you're doing you know

373

00:13:10,710 --> 00:13:08,000

um and i remember

374

00:13:13,269 --> 00:13:10,720

mostly it was like a traditional like

375

00:13:15,910 --> 00:13:13,279

cursor examination of you know when you

376

00:13:17,509 --> 00:13:15,920

go to the doctor um office uh there's

377

00:13:20,069 --> 00:13:17,519

usually someone

378

00:13:21,990 --> 00:13:20,079

perhaps a nurse nurse practitioner rn

379

00:13:23,910 --> 00:13:22,000

would take your blood pressure or listen

380

00:13:26,550 --> 00:13:23,920

to your heart it was that type of

381

00:13:28,949 --> 00:13:26,560

experience nothing intrusive nothing

382

00:13:30,310 --> 00:13:28,959

scary and being dressed again and being

383

00:13:32,629 --> 00:13:30,320

let out of the house

384

00:13:34,550 --> 00:13:32,639

now when i asked my mom about this she

385

00:13:35,750 --> 00:13:34,560

said no there's never been any time

386

00:13:38,710 --> 00:13:35,760

where i

387

00:13:40,550 --> 00:13:38,720

took you to any kind of doctor like that

388

00:13:43,189 --> 00:13:40,560

especially the house i described which

389

00:13:45,750 --> 00:13:43,199

was like the kind of houses that um i

390

00:13:47,910 --> 00:13:45,760

remember when i was very small

391

00:13:49,670 --> 00:13:47,920

i'll call them victorian style houses

392

00:13:51,990 --> 00:13:49,680

you know a-frame with a turret on one

393

00:13:54,629 --> 00:13:52,000

side yeah but in the town i love that

394

00:13:57,189 --> 00:13:54,639

most houses by the way yeah i do too and

395

00:14:00,790 --> 00:13:57,199

so you know put it in context um

396

00:14:03,030 --> 00:14:00,800

you know at that age i was like like

397

00:14:05,910 --> 00:14:03,040

five or s i guess i was six years old

398

00:14:09,509 --> 00:14:05,920

and that's like 1959 for me

399

00:14:11,670 --> 00:14:09,519

and so it's conceivable at 1959 there

400

00:14:13,990 --> 00:14:11,680

were houses built like at the turn of

401
00:14:17,110 --> 00:14:14,000
the century in the 1900s that had that

402
00:14:19,030 --> 00:14:17,120
style and so that was the style of house

403
00:14:21,430 --> 00:14:19,040
that i associated with and we lived in

404
00:14:23,350 --> 00:14:21,440
an older house like that which was back

405
00:14:26,389 --> 00:14:23,360
then not that old

406
00:14:27,910 --> 00:14:26,399
you packed 50 years from

407
00:14:30,550 --> 00:14:27,920
2022

408
00:14:33,189 --> 00:14:30,560
and you get a house in the 70s

409
00:14:35,509 --> 00:14:33,199
right basically so it's not like really

410
00:14:37,430 --> 00:14:35,519
old what part of the country was this if

411
00:14:39,350 --> 00:14:37,440
you don't mind this is uh petersburg

412
00:14:40,710 --> 00:14:39,360
virginia oh okay yeah there's some

413
00:14:42,389 --> 00:14:40,720

gorgeous houses

414

00:14:44,949 --> 00:14:42,399

south of richmond no arizona doesn't

415

00:14:47,030 --> 00:14:44,959

have a lot of houses like that so no

416

00:14:48,790 --> 00:14:47,040

it wouldn't it wouldn't have

417

00:14:51,030 --> 00:14:48,800

the heat out here

418

00:14:52,310 --> 00:14:51,040

those houses were right not good for

419

00:14:53,030 --> 00:14:52,320

long

420

00:14:55,030 --> 00:14:53,040

and

421

00:14:56,790 --> 00:14:55,040

before that i should say before that it

422

00:14:59,350 --> 00:14:56,800

was when i was living with my aunt and

423

00:15:01,030 --> 00:14:59,360

uncle when my mother was still in japan

424

00:15:02,949 --> 00:15:01,040

she was learning english and she was

425

00:15:04,710 --> 00:15:02,959

going to join us later but i lived with

426
00:15:07,750 --> 00:15:04,720
my aunt and uncle and that's when i saw

427
00:15:10,949 --> 00:15:07,760
my first craft i guess so i'll call it

428
00:15:13,590 --> 00:15:10,959
that it was a silvery craft

429
00:15:16,230 --> 00:15:13,600
that wasn't saucer shape

430
00:15:20,069 --> 00:15:16,240
but it was more oblong

431
00:15:22,550 --> 00:15:20,079
and um it's more like uh

432
00:15:24,470 --> 00:15:22,560
not exactly a football but i would say

433
00:15:26,870 --> 00:15:24,480
like a like a rugby ball if you know

434
00:15:29,269 --> 00:15:26,880
what that looks like so it wasn't so

435
00:15:32,150 --> 00:15:29,279
pointy so much at the end and narrows

436
00:15:32,870 --> 00:15:32,160
more like chubby in the middle yes wider

437
00:15:35,749 --> 00:15:32,880
and

438
00:15:38,710 --> 00:15:35,759

pointy at that end but i saw it rise out

439

00:15:42,230 --> 00:15:38,720

of the the tree line out in the distance

440

00:15:46,470 --> 00:15:44,550

with my fingers that look you know to my

441

00:15:48,629 --> 00:15:46,480

playmates and my cousins

442

00:15:50,949 --> 00:15:48,639

they didn't see it at all they did not

443

00:15:52,949 --> 00:15:50,959

see it i saw it and it drifted off and

444

00:15:54,949 --> 00:15:52,959

went away

445

00:15:58,230 --> 00:15:54,959

later when i did some research as to

446

00:16:00,710 --> 00:15:58,240

what was there uh there was a uh nike

447

00:16:02,710 --> 00:16:00,720

hercules base those are the missiles

448

00:16:04,470 --> 00:16:02,720

that protected many cities in the united

449

00:16:06,470 --> 00:16:04,480

states during the cold war

450

00:16:08,790 --> 00:16:06,480

and some of them were nuclear capable

451
00:16:10,310 --> 00:16:08,800
they had nuclear

452
00:16:13,829 --> 00:16:10,320
warheads

453
00:16:17,110 --> 00:16:15,910
russian bombers at the time which was

454
00:16:18,470 --> 00:16:17,120
the big threat

455
00:16:21,990 --> 00:16:18,480
so

456
00:16:24,389 --> 00:16:22,000
fact that you know there might have been

457
00:16:26,389 --> 00:16:24,399
nuclear weapons stored there

458
00:16:27,749 --> 00:16:26,399
and these nuclear-tipped missiles

459
00:16:29,269 --> 00:16:27,759
that

460
00:16:32,710 --> 00:16:29,279
attracted these

461
00:16:34,949 --> 00:16:32,720
uh this particular craft down

462
00:16:37,910 --> 00:16:34,959
but then i had the the house experience

463
00:16:40,470 --> 00:16:37,920

and then going to a bookstore

464

00:16:42,389 --> 00:16:40,480

out of five and dying which back then i

465

00:16:44,230 --> 00:16:42,399

guess we call them dollar stores now

466

00:16:45,110 --> 00:16:44,240

yeah inflation

467

00:16:46,949 --> 00:16:45,120

um

468

00:16:49,590 --> 00:16:46,959

the five and dime

469

00:16:51,110 --> 00:16:49,600

i saw a book with the illustration of

470

00:16:52,069 --> 00:16:51,120

two primitive humans and the woman

471

00:16:54,150 --> 00:16:52,079

holding

472

00:16:57,269 --> 00:16:54,160

a modern looking baby up in the sky and

473

00:17:00,069 --> 00:16:57,279

it's also beaming lights oh i love it

474

00:17:02,870 --> 00:17:00,079

down there down toward these two

475

00:17:05,350 --> 00:17:02,880

uh primitive human parents and again

476

00:17:06,390 --> 00:17:05,360

there was a message the message was

477

00:17:08,069 --> 00:17:06,400

um

478

00:17:10,470 --> 00:17:08,079

this is who you are this is where you

479

00:17:12,870 --> 00:17:10,480

came from we made you

480

00:17:13,909 --> 00:17:12,880

yeah oh my gosh that was so like

481

00:17:15,829 --> 00:17:13,919

profound

482

00:17:16,870 --> 00:17:15,839

it gives me shivers um just to think

483

00:17:18,390 --> 00:17:16,880

about it

484

00:17:20,549 --> 00:17:18,400

yeah me too i kind of got like this

485

00:17:23,029 --> 00:17:20,559

weird like in my face like a flush in my

486

00:17:25,270 --> 00:17:23,039

face and i wanted this book my parents

487

00:17:27,750 --> 00:17:25,280

um you know they may hesitate to buy me

488

00:17:29,510 --> 00:17:27,760

toys but if i wanted a book no

489

00:17:30,870 --> 00:17:29,520

hesitation whatsoever that's how my

490

00:17:33,669 --> 00:17:30,880

grandma was so

491

00:17:35,510 --> 00:17:33,679

yeah yeah and but the book disappeared

492

00:17:38,230 --> 00:17:35,520

when my mom came around it wasn't more

493

00:17:40,230 --> 00:17:38,240

than a few minutes i got my mom and say

494

00:17:41,750 --> 00:17:40,240

i want this book and it's gone and i

495

00:17:42,789 --> 00:17:41,760

left it in a place where i knew i could

496

00:17:44,710 --> 00:17:42,799

find it

497

00:17:46,549 --> 00:17:44,720

yeah and there weren't that many people

498

00:17:48,630 --> 00:17:46,559

there rummaging through the books you

499

00:17:50,390 --> 00:17:48,640

know i mean none that i can remember but

500

00:17:52,710 --> 00:17:50,400

it was gone

501
00:17:56,150 --> 00:17:52,720
and from there i had more of the

502
00:17:57,510 --> 00:17:56,160
traditional what i call traditional but

503
00:18:00,310 --> 00:17:57,520
it's not experiences were still

504
00:18:02,870 --> 00:18:00,320
considered unconventional but for me it

505
00:18:05,430 --> 00:18:02,880
was like being underground and being led

506
00:18:07,350 --> 00:18:05,440
underground in some kind of cave setting

507
00:18:08,630 --> 00:18:07,360
by smaller beings i guess you can call

508
00:18:10,549 --> 00:18:08,640
them greys but they didn't have the

509
00:18:11,430 --> 00:18:10,559
large almond-shaped eyes they had round

510
00:18:13,029 --> 00:18:11,440
eyes

511
00:18:15,590 --> 00:18:13,039
and they were leading me down and i

512
00:18:17,510 --> 00:18:15,600
wanted to get away but they you know

513
00:18:19,430 --> 00:18:17,520

said don't worry we won't hurt you you

514

00:18:21,590 --> 00:18:19,440

know you need to come with us

515

00:18:23,750 --> 00:18:21,600

and leading me through this cave

516

00:18:26,230 --> 00:18:23,760

um

517

00:18:28,070 --> 00:18:26,240

this the other experience i had

518

00:18:29,190 --> 00:18:28,080

growing up and now i'm becoming a

519

00:18:30,310 --> 00:18:29,200

teenager

520

00:18:31,990 --> 00:18:30,320

um

521

00:18:36,630 --> 00:18:32,000

was

522

00:18:38,870 --> 00:18:36,640

obsessed with sunflowers

523

00:18:40,470 --> 00:18:38,880

i said i need to plant sunflower seeds

524

00:18:42,390 --> 00:18:40,480

now i got my parents to get me some

525

00:18:43,990 --> 00:18:42,400

sunflower seeds to plant

526

00:18:46,150 --> 00:18:44,000

and i planted them outside my bedroom

527

00:18:48,789 --> 00:18:46,160

door and these sunflowers eventually you

528

00:18:49,590 --> 00:18:48,799

know seeds grew into flowers

529

00:18:51,909 --> 00:18:49,600

um

530

00:18:53,830 --> 00:18:51,919

and the reason why is i felt like they

531

00:18:54,950 --> 00:18:53,840

need to find me they may not be able to

532

00:18:59,110 --> 00:18:54,960

find me

533

00:19:01,110 --> 00:18:59,120

can they they can take me home

534

00:19:03,270 --> 00:19:01,120

and it's not that you know

535

00:19:05,190 --> 00:19:03,280

a lot of skeptics say oh that's because

536

00:19:06,549 --> 00:19:05,200

you had a terrible childhood and just

537

00:19:09,270 --> 00:19:06,559

just a

538

00:19:10,549 --> 00:19:09,280

a way for you to cover up your terrible

539

00:19:11,990 --> 00:19:10,559

childhood that you want to get away it

540

00:19:14,789 --> 00:19:12,000

was nothing like that

541

00:19:17,830 --> 00:19:14,799

i grew up in a very loving family

542

00:19:19,909 --> 00:19:17,840

and so it was none of that family trauma

543

00:19:22,870 --> 00:19:19,919

going on whatsoever

544

00:19:25,669 --> 00:19:22,880

um i just felt this need to

545

00:19:27,990 --> 00:19:25,679

have them come for me and sure enough

546

00:19:30,310 --> 00:19:28,000

one night they came for me i remember

547

00:19:32,549 --> 00:19:30,320

these arms grabbing me out of my bed

548

00:19:34,950 --> 00:19:32,559

went somehow through

549

00:19:36,630 --> 00:19:34,960

the screen window and up into this craft

550

00:19:39,909 --> 00:19:36,640

where i was led by another being that

551
00:19:42,549 --> 00:19:39,919
was taller and uh

552
00:19:44,549 --> 00:19:42,559
carried in this being's arms

553
00:19:47,270 --> 00:19:44,559
and seeing the

554
00:19:49,350 --> 00:19:47,280
the the walls of this craft turned

555
00:19:51,350 --> 00:19:49,360
coincident with the way we were walking

556
00:19:54,630 --> 00:19:51,360
in a circular fashion so i know it was

557
00:19:57,350 --> 00:19:54,640
like more like a salsa shape and being

558
00:19:59,909 --> 00:19:57,360
placed on an examining table and i have

559
00:20:02,630 --> 00:19:59,919
no memory of the examination

560
00:20:05,110 --> 00:20:02,640
but the following morning i had marks

561
00:20:06,390 --> 00:20:05,120
markings on the lower part of my body in

562
00:20:07,270 --> 00:20:06,400
the groin area

563
00:20:09,909 --> 00:20:07,280

so

564

00:20:11,830 --> 00:20:09,919

what that might have been i don't know

565

00:20:13,110 --> 00:20:11,840

there have been other experiences who've

566

00:20:15,669 --> 00:20:13,120

said that

567

00:20:19,190 --> 00:20:15,679

genetic material was taken from them

568

00:20:22,149 --> 00:20:19,200

right um and so that could have happened

569

00:20:24,390 --> 00:20:22,159

uh but i i don't know i just had that i

570

00:20:27,669 --> 00:20:24,400

guess you would call it an artifact of

571

00:20:30,470 --> 00:20:27,679

that experience physically on my body

572

00:20:32,390 --> 00:20:30,480

um but it went away so it's not like it

573

00:20:34,630 --> 00:20:32,400

was a permanent thing it was not not

574

00:20:36,149 --> 00:20:34,640

scarring or anything that was damaging

575

00:20:38,390 --> 00:20:36,159

um it just went away

576

00:20:40,070 --> 00:20:38,400

that's interesting that you say that um

577

00:20:41,830 --> 00:20:40,080

because one after one of my sleep

578

00:20:43,830 --> 00:20:41,840

paralysis experience after i had my

579

00:20:45,270 --> 00:20:43,840

first uh sighting and then seeing the

580

00:20:47,590 --> 00:20:45,280

being in my room

581

00:20:48,390 --> 00:20:47,600

um i had sleep paralysis from that point

582

00:20:49,750 --> 00:20:48,400

on

583

00:20:53,430 --> 00:20:49,760

um with uh

584

00:20:55,909 --> 00:20:53,440

angels or alien angels or demons in um

585

00:20:58,470 --> 00:20:55,919

presences um and i was catholic so that

586

00:21:00,070 --> 00:20:58,480

could have explained a lot but um almost

587

00:21:02,470 --> 00:21:00,080

like hives

588

00:21:04,149 --> 00:21:02,480

i would get these hives and

589

00:21:05,669 --> 00:21:04,159

p i o i grew up with eczema i was the

590

00:21:06,950 --> 00:21:05,679

eczema baby so there's like oh it's just

591

00:21:08,549 --> 00:21:06,960

eczema

592

00:21:09,990 --> 00:21:08,559

but they were like

593

00:21:11,190 --> 00:21:10,000

almost like you had like an allergic

594

00:21:13,029 --> 00:21:11,200

reaction

595

00:21:15,190 --> 00:21:13,039

and without would you know people get

596

00:21:16,549 --> 00:21:15,200

hives all but all over my body and they

597

00:21:19,029 --> 00:21:16,559

would just like throw me in an oatmeal

598

00:21:21,270 --> 00:21:19,039

bath and be like oh good luck

599

00:21:23,270 --> 00:21:21,280

but it was after these um

600

00:21:25,750 --> 00:21:23,280

these it would be after a sleep

601
00:21:26,870 --> 00:21:25,760
paralysis that had grays in it or

602
00:21:28,070 --> 00:21:26,880
something so it's interesting that you

603
00:21:30,630 --> 00:21:28,080
mentioned that because it's something

604
00:21:31,909 --> 00:21:30,640
that i don't tell people because again

605
00:21:34,390 --> 00:21:31,919
they're like oh well it's just a rash

606
00:21:36,870 --> 00:21:34,400
you know what i mean right yes

607
00:21:45,830 --> 00:21:37,590
the

608
00:21:47,750 --> 00:21:45,840
have traumatic experiences and for me

609
00:21:49,590 --> 00:21:47,760
it's like

610
00:21:51,909 --> 00:21:49,600
i wouldn't say no big deal i mean it was

611
00:21:54,710 --> 00:21:51,919
profound for me to have the experiences

612
00:21:56,630 --> 00:21:54,720
i've had but they were not as malevolent

613
00:21:58,789 --> 00:21:56,640

as what other people have experienced

614

00:22:01,350 --> 00:21:58,799

they're they're not exactly benevolent

615

00:22:03,590 --> 00:22:01,360

it just happened they weren't harmful to

616

00:22:07,270 --> 00:22:03,600

me in the long run

617

00:22:09,510 --> 00:22:08,549

following

618

00:22:10,950 --> 00:22:09,520

that

619

00:22:13,430 --> 00:22:10,960

experience

620

00:22:15,270 --> 00:22:13,440

i've had a dream

621

00:22:17,750 --> 00:22:15,280

that

622

00:22:20,149 --> 00:22:17,760

i was in a place

623

00:22:21,909 --> 00:22:20,159

of light beings

624

00:22:24,470 --> 00:22:21,919

there were like beings everywhere i was

625

00:22:27,350 --> 00:22:24,480

a light being and i really loved where i

626

00:22:29,590 --> 00:22:27,360

was at i felt like i was home and this

627

00:22:31,510 --> 00:22:29,600

is where i belong i finally made it this

628

00:22:33,110 --> 00:22:31,520

is where i'm supposed to be

629

00:22:35,590 --> 00:22:33,120

but then a voice

630

00:22:36,710 --> 00:22:35,600

over my shoulder i think it was my

631

00:22:38,470 --> 00:22:36,720

left side

632

00:22:39,909 --> 00:22:38,480

uh said to me

633

00:22:41,430 --> 00:22:39,919

it's time for you to go back because you

634

00:22:43,350 --> 00:22:41,440

have work to do

635

00:22:45,190 --> 00:22:43,360

you haven't finished your work

636

00:22:46,950 --> 00:22:45,200

and i said i don't want to go back so no

637

00:22:48,630 --> 00:22:46,960

you need to go back

638

00:22:50,310 --> 00:22:48,640

but you get to pick who you are going to

639

00:22:54,470 --> 00:22:50,320

be this time

640

00:22:56,789 --> 00:22:54,480

and i was i was shown like a vast plane

641

00:22:59,590 --> 00:22:56,799

of little i would call it like little

642

00:23:01,350 --> 00:22:59,600

eggs in a giant egg carton

643

00:23:04,789 --> 00:23:01,360

as far as i can see

644

00:23:05,990 --> 00:23:04,799

and it was like swirling lights in this

645

00:23:09,270 --> 00:23:06,000

these little

646

00:23:11,029 --> 00:23:09,280

uh little spheres and they and who do

647

00:23:13,190 --> 00:23:11,039

you want to be and i i looked into each

648

00:23:15,190 --> 00:23:13,200

one and saw their lives from beginning

649

00:23:17,669 --> 00:23:15,200

to end from birth to death

650

00:23:20,149 --> 00:23:17,679

and i saw one that that resonated with

651

00:23:22,630 --> 00:23:20,159

me and said this is who i want to be

652

00:23:24,950 --> 00:23:22,640

and they said okay go you have work to

653

00:23:26,310 --> 00:23:24,960

do do your work go and

654

00:23:31,669 --> 00:23:26,320

ready set go

655

00:23:34,830 --> 00:23:31,679

um remember being born

656

00:23:37,350 --> 00:23:34,840

i remember the birth experience

657

00:23:39,270 --> 00:23:37,360

and so that

658

00:23:43,430 --> 00:23:39,280

i didn't connect that for a long long

659

00:23:45,669 --> 00:23:43,440

time as to what it might have meant

660

00:23:48,149 --> 00:23:45,679

but the synchronicity there that sent

661

00:23:49,510 --> 00:23:48,159

chills up and down my spine

662

00:23:51,430 --> 00:23:49,520

um

663

00:23:53,909 --> 00:23:51,440

and i would have mentioned it we had

664

00:23:55,990 --> 00:23:53,919

more time with george knapp but

665

00:23:57,590 --> 00:23:56,000

someone called in art bell

666

00:24:00,310 --> 00:23:57,600

back in the day

667

00:24:02,310 --> 00:24:00,320

and related in uh

668

00:24:05,029 --> 00:24:02,320

open lines when anybody can call talk

669

00:24:06,549 --> 00:24:05,039

about anything yeah i remember him yeah

670

00:24:08,470 --> 00:24:06,559

a woman called my aunt used to listen to

671

00:24:09,909 --> 00:24:08,480

that late at night so she was kind of

672

00:24:11,590 --> 00:24:09,919

like one of the only people that i would

673

00:24:14,070 --> 00:24:11,600

sneak into her room

674

00:24:16,630 --> 00:24:14,080

and um because i felt like she she

675

00:24:18,950 --> 00:24:16,640

believed me with my experiences and

676

00:24:20,710 --> 00:24:18,960

um she didn't say yes or no but she

677

00:24:22,149 --> 00:24:20,720

listened very lovingly and then i

678

00:24:24,390 --> 00:24:22,159

remember sneaking into her room when i

679

00:24:25,830 --> 00:24:24,400

was like okay just don't tell you know

680

00:24:27,990 --> 00:24:25,840

you have to go back in a little bit to

681

00:24:30,070 --> 00:24:28,000

your bed and she was listening to it and

682

00:24:32,789 --> 00:24:30,080

it was the people that were calling in

683

00:24:35,269 --> 00:24:32,799

right exactly well one of those call-ins

684

00:24:37,190 --> 00:24:35,279

was a woman who related the exact

685

00:24:39,669 --> 00:24:37,200

same experience and said art i want to

686

00:24:41,990 --> 00:24:39,679

share share with you a dream i had

687

00:24:44,230 --> 00:24:42,000

and she related the voice on one's

688

00:24:47,029 --> 00:24:44,240

shoulder telling her she had work to do

689

00:24:47,990 --> 00:24:47,039

and she had to go back being shown this

690

00:24:49,909 --> 00:24:48,000

vast

691

00:24:51,350 --> 00:24:49,919

array of like

692

00:24:54,630 --> 00:24:51,360

life

693

00:25:02,950 --> 00:24:54,640

and

694

00:25:07,029 --> 00:25:05,430

my spine was tingling i mean i was just

695

00:25:09,750 --> 00:25:07,039

totally electric

696

00:25:11,110 --> 00:25:09,760

and you know trying to call in uh you

697

00:25:13,430 --> 00:25:11,120

know forget it

698

00:25:15,190 --> 00:25:13,440

yeah just you're not gonna get in i mean

699

00:25:17,430 --> 00:25:15,200

you're still so lucky

700

00:25:18,870 --> 00:25:17,440

if you get in but i i

701
00:25:21,110 --> 00:25:18,880
always wanted to reach out to her

702
00:25:21,990 --> 00:25:21,120
because she had this similar experience

703
00:25:27,990 --> 00:25:22,000
and

704
00:25:29,590 --> 00:25:28,000
twin souls yes sometimes you incarnate

705
00:25:31,909 --> 00:25:29,600
on earth

706
00:25:34,070 --> 00:25:31,919
with someone else who is your spiritual

707
00:25:36,310 --> 00:25:34,080
twin somewhere and i felt like

708
00:25:37,269 --> 00:25:36,320
she must be my spiritual twin my twin

709
00:25:39,350 --> 00:25:37,279
flame

710
00:25:40,789 --> 00:25:39,360
or twin soul

711
00:25:43,269 --> 00:25:40,799
because people misinterpret that they

712
00:25:44,950 --> 00:25:43,279
think that they're supposed to be like

713
00:25:46,390 --> 00:25:44,960

married to their twin flame or they're

714

00:25:48,390 --> 00:25:46,400

supposed to be best friends with their

715

00:25:50,070 --> 00:25:48,400

twin flame or even like give birth to

716

00:25:51,029 --> 00:25:50,080

your twin flame you know people think

717

00:25:52,310 --> 00:25:51,039

they're supposed to be of close

718

00:25:54,230 --> 00:25:52,320

proximity

719

00:25:55,909 --> 00:25:54,240

but it's actually from what i'm like

720

00:25:57,269 --> 00:25:55,919

when i'm talking to people about it like

721

00:25:58,870 --> 00:25:57,279

not on here i haven't talked about it

722

00:26:01,510 --> 00:25:58,880

yet but when i'm talking to other

723

00:26:02,710 --> 00:26:01,520

friends and in the world um

724

00:26:04,390 --> 00:26:02,720

they

725

00:26:06,470 --> 00:26:04,400

not a lot of people have their twin

726

00:26:09,029 --> 00:26:06,480

flame on earth is the same time as they

727

00:26:10,950 --> 00:26:09,039

are which is super crazy to me

728

00:26:12,549 --> 00:26:10,960

so you think she was your twin flame

729

00:26:13,909 --> 00:26:12,559

have you and you haven't you haven't

730

00:26:16,710 --> 00:26:13,919

been able to find it you've never been

731

00:26:19,510 --> 00:26:16,720

able to uh locate her i mean how would i

732

00:26:20,549 --> 00:26:19,520

it's just yeah a voice um yeah you know

733

00:26:21,990 --> 00:26:20,559

using

734

00:26:25,110 --> 00:26:22,000

a first name

735

00:26:26,870 --> 00:26:25,120

right um east of the rockies you know

736

00:26:28,390 --> 00:26:26,880

yeah first time caller like i don't know

737

00:26:30,870 --> 00:26:28,400

where she was calling even he probably

738

00:26:32,390 --> 00:26:30,880

couldn't locate him at that time yeah

739

00:26:33,510 --> 00:26:32,400

you know it was like a telephone line

740

00:26:34,630 --> 00:26:33,520

like

741

00:26:36,630 --> 00:26:34,640

yeah

742

00:26:38,470 --> 00:26:36,640

so that that

743

00:26:41,430 --> 00:26:38,480

was a profound experience that got

744

00:26:42,950 --> 00:26:41,440

linked later when i had

745

00:26:45,430 --> 00:26:42,960

uh and your audience would know who

746

00:26:49,430 --> 00:26:45,440

delores canon oh absolutely was

747

00:26:52,390 --> 00:26:49,440

and i had qhht um sessions

748

00:26:55,990 --> 00:26:52,400

and i actually in the qhht session with

749

00:26:57,990 --> 00:26:56,000

this like sorter like buried in my my

750

00:27:00,630 --> 00:26:58,000

memory

751
00:27:01,990 --> 00:27:00,640
i had the front part of that

752
00:27:03,590 --> 00:27:02,000
of me

753
00:27:06,549 --> 00:27:03,600
dying

754
00:27:08,230 --> 00:27:06,559
and then um

755
00:27:11,350 --> 00:27:08,240
seeing

756
00:27:14,149 --> 00:27:11,360
it wasn't a tunnel of darkness

757
00:27:15,990 --> 00:27:14,159
it was more like

758
00:27:17,590 --> 00:27:16,000
i would say grayness

759
00:27:21,269 --> 00:27:17,600
it wasn't completely dark it was just

760
00:27:22,549 --> 00:27:21,279
gray and a feeling of movement i had

761
00:27:25,990 --> 00:27:22,559
at my death

762
00:27:28,470 --> 00:27:26,000
and seeing um two faint

763
00:27:30,389 --> 00:27:28,480

uh light beings come

764

00:27:31,510 --> 00:27:30,399

around to the left and right to escort

765

00:27:33,430 --> 00:27:31,520

me home

766

00:27:36,230 --> 00:27:33,440

oh wow and then

767

00:27:39,430 --> 00:27:36,240

having been escorted home it was a world

768

00:27:42,389 --> 00:27:39,440

of this of these light beings

769

00:27:44,310 --> 00:27:42,399

and having um that same experience

770

00:27:45,830 --> 00:27:44,320

linking it all of a sudden oh my gosh

771

00:27:48,549 --> 00:27:45,840

you know

772

00:27:50,950 --> 00:27:48,559

that experience was the precursor

773

00:27:53,110 --> 00:27:50,960

to that dream i had as a teenager wow so

774

00:27:55,110 --> 00:27:53,120

that qhht session

775

00:27:57,830 --> 00:27:55,120

occurred as an adult

776

00:27:59,269 --> 00:27:57,840

yes that's it so that linked it together

777

00:28:00,789 --> 00:27:59,279

that's very interesting that you and

778

00:28:03,669 --> 00:28:00,799

very cool that you were able to link

779

00:28:05,190 --> 00:28:03,679

that because you had mentioned in

780

00:28:07,430 --> 00:28:05,200

um and nikki i'm going to get to your

781

00:28:09,269 --> 00:28:07,440

question in a minute but um

782

00:28:10,630 --> 00:28:09,279

you had mentioned in

783

00:28:11,990 --> 00:28:10,640

one of your interview it was when you

784

00:28:13,590 --> 00:28:12,000

did the um

785

00:28:16,950 --> 00:28:13,600

the slideshow you had mentioned that you

786

00:28:19,669 --> 00:28:16,960

know pieces of the puzzle right like so

787

00:28:21,909 --> 00:28:19,679

many people with experiences

788

00:28:23,990 --> 00:28:21,919

from minor i don't want to say minor

789

00:28:25,750 --> 00:28:24,000

experiences but experiences like i saw

790

00:28:27,909 --> 00:28:25,760

something that freaked me out i know it

791

00:28:29,350 --> 00:28:27,919

was sentient it was in the sky and that

792

00:28:30,630 --> 00:28:29,360

maybe that's the end of their experience

793

00:28:32,149 --> 00:28:30,640

but they only have that piece of the

794

00:28:35,110 --> 00:28:32,159

puzzle and then there's people that are

795

00:28:37,590 --> 00:28:35,120

like um lifelong experiencers that have

796

00:28:39,990 --> 00:28:37,600

all these weird like memories and

797

00:28:42,310 --> 00:28:40,000

thoughts and experiences that they know

798

00:28:43,830 --> 00:28:42,320

are real but they can't like you as you

799

00:28:46,149 --> 00:28:43,840

had said before you can't you know the

800

00:28:47,590 --> 00:28:46,159

puzzle picture on the box you can't see

801
00:28:49,510 --> 00:28:47,600
that but you have all the corners but

802
00:28:50,310 --> 00:28:49,520
you can't see the rest of the puzzle

803
00:28:51,990 --> 00:28:50,320
so

804
00:28:53,990 --> 00:28:52,000
i feel like at least you got those two

805
00:28:55,110 --> 00:28:54,000
puzzle pieces to like click because that

806
00:28:56,470 --> 00:28:55,120
was

807
00:28:57,909 --> 00:28:56,480
when you hear when you hear when you

808
00:28:59,430 --> 00:28:57,919
have that dream the first one you're

809
00:29:02,149 --> 00:28:59,440
probably like what in the world or that

810
00:29:03,029 --> 00:29:02,159
memory come back you must be like okay

811
00:29:04,630 --> 00:29:03,039
like

812
00:29:07,110 --> 00:29:04,640
i was being born but there was a

813
00:29:09,029 --> 00:29:07,120

continuation there was a before that so

814

00:29:11,110 --> 00:29:09,039

there was many befores

815

00:29:12,549 --> 00:29:11,120

oh absolutely yeah i tell people that

816

00:29:15,590 --> 00:29:12,559

they think i'm crazy so i don't bring it

817

00:29:17,669 --> 00:29:15,600

up often but i don't have any qualms

818

00:29:19,350 --> 00:29:17,679

about breaking it up i've had many uh

819

00:29:22,070 --> 00:29:19,360

experiences like that

820

00:29:23,669 --> 00:29:22,080

through qhd hht sessions through mindful

821

00:29:25,590 --> 00:29:23,679

meditation

822

00:29:27,510 --> 00:29:25,600

i've had

823

00:29:29,590 --> 00:29:27,520

previous lifetimes and there were not

824

00:29:31,750 --> 00:29:29,600

all human lifetimes

825

00:29:35,110 --> 00:29:31,760

there were times when i was another

826

00:29:37,510 --> 00:29:35,120

species from another planet

827

00:29:40,149 --> 00:29:37,520

um so to me that's not unusual when

828

00:29:41,190 --> 00:29:40,159

people say that so yeah i've had that as

829

00:29:42,870 --> 00:29:41,200

well

830

00:29:43,990 --> 00:29:42,880

and it seems to be a common theme that

831

00:29:48,149 --> 00:29:44,000

you know

832

00:29:50,389 --> 00:29:48,159

i'm always going to have a male

833

00:29:52,950 --> 00:29:50,399

experience in these previous lifetimes

834

00:29:55,750 --> 00:29:52,960

i've had experiences as female as well

835

00:29:57,750 --> 00:29:55,760

yeah it's it's just that my my core

836

00:30:00,070 --> 00:29:57,760

belief is that

837

00:30:03,510 --> 00:30:00,080

this corporeal body you known as you

838

00:30:05,269 --> 00:30:03,520

know as john ramirez is a host

839

00:30:07,350 --> 00:30:05,279

to a

840

00:30:09,110 --> 00:30:07,360

sentient like being with whom we have a

841

00:30:11,510 --> 00:30:09,120

symbiotic relationship

842

00:30:13,669 --> 00:30:11,520

and when we die the corporeal

843

00:30:16,310 --> 00:30:13,679

goes away but this light being is

844

00:30:19,510 --> 00:30:16,320

eternal and goes back to its home

845

00:30:23,029 --> 00:30:19,520

and may return either back in this form

846

00:30:24,070 --> 00:30:23,039

as a human or some other place

847

00:30:27,029 --> 00:30:24,080

because i

848

00:30:33,430 --> 00:30:30,710

part of the qha t-session was

849

00:30:34,310 --> 00:30:33,440

when i experienced these light beings

850

00:30:36,549 --> 00:30:34,320

my

851

00:30:39,590 --> 00:30:36,559

practitioner asked me

852

00:30:41,190 --> 00:30:39,600

ask them what they are called

853

00:30:43,350 --> 00:30:41,200

and i stumbled with that i knew it

854

00:30:46,870 --> 00:30:43,360

started with the l y

855

00:30:49,269 --> 00:30:46,880

yes l y something lysian lyssarians

856

00:30:50,630 --> 00:30:49,279

lighted up and it was lyrics

857

00:30:51,510 --> 00:30:50,640

okay

858

00:30:53,909 --> 00:30:51,520

and so

859

00:30:55,830 --> 00:30:53,919

i resonate with lyrans

860

00:30:58,470 --> 00:30:55,840

as and some that resonate with

861

00:31:00,230 --> 00:30:58,480

palladians and some with our parents um

862

00:31:01,830 --> 00:31:00,240

there's a whole

863

00:31:04,310 --> 00:31:01,840

panoply of

864

00:31:07,029 --> 00:31:04,320

these like beings but at the core of it

865

00:31:09,110 --> 00:31:07,039

is they're non-comporeo and they want to

866

00:31:12,149 --> 00:31:09,120

experience life as a

867

00:31:14,470 --> 00:31:12,159

corporeo corporeal being so that's why

868

00:31:15,990 --> 00:31:14,480

they dwell on us and other beings as

869

00:31:17,509 --> 00:31:16,000

well

870

00:31:18,789 --> 00:31:17,519

they just want to experience what is

871

00:31:21,990 --> 00:31:18,799

life like

872

00:31:25,269 --> 00:31:22,000

to have emotions to feel love to have a

873

00:31:27,509 --> 00:31:25,279

full gamut of being this person

874

00:31:29,590 --> 00:31:27,519

um because they are energy they're pure

875

00:31:32,630 --> 00:31:29,600

energy they're just they're they're

876

00:31:34,870 --> 00:31:32,640

manifestations of unconditional love

877

00:31:36,630 --> 00:31:34,880

and that's what i get from that ex those

878

00:31:38,630 --> 00:31:36,640

these experiences that their

879

00:31:40,549 --> 00:31:38,640

unconditional love and they're trying to

880

00:31:43,110 --> 00:31:40,559

teach us

881

00:31:45,509 --> 00:31:43,120

unconditional love for

882

00:31:46,950 --> 00:31:45,519

everyone for everything in the universe

883

00:31:48,389 --> 00:31:46,960

it's just

884

00:31:50,149 --> 00:31:48,399

the energy of the universe is

885

00:31:52,789 --> 00:31:50,159

unconditional love that's what drives

886

00:31:55,269 --> 00:31:52,799

everything that's why

887

00:31:57,269 --> 00:31:55,279

the experience is so

888

00:31:58,230 --> 00:31:57,279

magnificent when you have

889

00:32:00,710 --> 00:31:58,240

these

890

00:32:02,230 --> 00:32:00,720

um

891

00:32:04,710 --> 00:32:02,240

this relationship

892

00:32:06,549 --> 00:32:04,720

with your inner self and when you start

893

00:32:08,549 --> 00:32:06,559

mindful meditation

894

00:32:10,630 --> 00:32:08,559

and going back to the chakras you know

895

00:32:11,990 --> 00:32:10,640

when you know how to

896

00:32:14,630 --> 00:32:12,000

um

897

00:32:17,990 --> 00:32:14,640

send your energy down through your

898

00:32:19,190 --> 00:32:18,000

shakas to the core of the earth

899

00:32:21,750 --> 00:32:19,200

and then to

900

00:32:23,430 --> 00:32:21,760

actually i thank the earth for giving us

901
00:32:26,310 --> 00:32:23,440
this beautiful planet

902
00:32:28,389 --> 00:32:26,320
and then i say we're i'm so sorry for

903
00:32:29,509 --> 00:32:28,399
what we've done to you

904
00:32:31,909 --> 00:32:29,519
you know um

905
00:32:34,950 --> 00:32:31,919
i get very emotional about that oh

906
00:32:36,870 --> 00:32:34,960
absolutely uh that we've harmed you

907
00:32:38,389 --> 00:32:36,880
but we'll we'll do better

908
00:32:41,190 --> 00:32:38,399
and bring it back

909
00:32:43,909 --> 00:32:41,200
you know through your body to your heart

910
00:32:45,350 --> 00:32:43,919
throat third eye crown and send it out

911
00:32:47,590 --> 00:32:45,360
to the universe

912
00:32:49,590 --> 00:32:47,600
because that's that's where we're from

913
00:32:52,070 --> 00:32:49,600

it's just welcome you know i just want

914

00:32:54,070 --> 00:32:52,080

to say hi you know just cloning home

915

00:32:56,070 --> 00:32:54,080

just phoning home you know i want

916

00:32:58,149 --> 00:32:56,080

anything from you just hello you know

917

00:33:00,230 --> 00:32:58,159

maybe i want to see you again um then

918

00:33:02,389 --> 00:33:00,240

bring it back and that's when i go into

919

00:33:04,789 --> 00:33:02,399

a very deep meditative state

920

00:33:05,990 --> 00:33:04,799

where um i don't have a better word for

921

00:33:07,990 --> 00:33:06,000

downloads

922

00:33:10,389 --> 00:33:08,000

but i get inspirations

923

00:33:11,990 --> 00:33:10,399

people call downloads i get inspirations

924

00:33:14,070 --> 00:33:12,000

of messages

925

00:33:15,190 --> 00:33:14,080

um and then it's an opportunity to ask

926
00:33:17,350 --> 00:33:15,200
questions

927
00:33:19,509 --> 00:33:17,360
absolutely i think it's more than just a

928
00:33:21,430 --> 00:33:19,519
passive experience it can be active

929
00:33:24,149 --> 00:33:21,440
to ask questions

930
00:33:26,230 --> 00:33:24,159
to the universe you can manifest things

931
00:33:28,310 --> 00:33:26,240
to the universe i think we're all like

932
00:33:30,630 --> 00:33:28,320
creators in some way that you do

933
00:33:32,230 --> 00:33:30,640
manifest your own destiny

934
00:33:35,509 --> 00:33:32,240
you have free will

935
00:33:36,950 --> 00:33:35,519
but in a way you kind of manifest what

936
00:33:39,350 --> 00:33:36,960
what you want

937
00:33:41,509 --> 00:33:39,360
and you can do what's known as cosmic

938
00:33:43,190 --> 00:33:41,519

orders like you order something from a

939

00:33:44,389 --> 00:33:43,200

restaurant you order something from the

940

00:33:46,870 --> 00:33:44,399

cosmos

941

00:33:49,269 --> 00:33:46,880

um and and that's how we got this house

942

00:33:50,070 --> 00:33:49,279

i'm living in my my wife

943

00:33:53,110 --> 00:33:50,080

did

944

00:33:55,990 --> 00:33:53,120

a similar thing about manifesting the

945

00:33:58,149 --> 00:33:56,000

house we wanted to buy and she

946

00:34:00,470 --> 00:33:58,159

listed everything she wanted

947

00:34:02,710 --> 00:34:00,480

did a mindful meditation

948

00:34:04,789 --> 00:34:02,720

with dancing and singing because she

949

00:34:06,470 --> 00:34:04,799

likes to dance and sing

950

00:34:09,430 --> 00:34:06,480

to the universe

951
00:34:11,669 --> 00:34:09,440
and she did it um on a wednesday night

952
00:34:13,430 --> 00:34:11,679
and thursday morning our realtor called

953
00:34:15,510 --> 00:34:13,440
and said hey there's the house on the

954
00:34:17,109 --> 00:34:15,520
market that yeah it's not on the market

955
00:34:17,909 --> 00:34:17,119
yet but you need to see it but it'll go

956
00:34:20,550 --> 00:34:17,919
quick

957
00:34:22,310 --> 00:34:20,560
and everything on that list

958
00:34:24,470 --> 00:34:22,320
was in the house

959
00:34:26,310 --> 00:34:24,480
everything i believe it i believe it a

960
00:34:28,710 --> 00:34:26,320
lot of people are doing that you know

961
00:34:30,550 --> 00:34:28,720
the intention setting and manifestation

962
00:34:32,069 --> 00:34:30,560
techniques like that not enough people

963
00:34:33,750 --> 00:34:32,079

are doing it because they don't believe

964

00:34:35,109 --> 00:34:33,760

it but um

965

00:34:36,629 --> 00:34:35,119

i believe it that's how i got my wedding

966

00:34:37,669 --> 00:34:36,639

dress like the lady's like oh this just

967

00:34:39,430 --> 00:34:37,679

came in today and i was like are you

968

00:34:41,109 --> 00:34:39,440

kidding me my friend was like

969

00:34:42,470 --> 00:34:41,119

she was like she went with me to try it

970

00:34:44,389 --> 00:34:42,480

on she's like

971

00:34:45,990 --> 00:34:44,399

you just ex she's like you described

972

00:34:47,510 --> 00:34:46,000

this dress to me like the other day and

973

00:34:48,869 --> 00:34:47,520

i was like i know because that's what i

974

00:34:50,470 --> 00:34:48,879

wanted and she's like that's this just

975

00:34:51,990 --> 00:34:50,480

came in yesterday and it had like she

976
00:34:53,030 --> 00:34:52,000
had to take it out of the bag

977
00:34:54,629 --> 00:34:53,040
you know

978
00:34:56,149 --> 00:34:54,639
so little sometimes we don't realize

979
00:34:58,150 --> 00:34:56,159
we're doing it either which can work

980
00:35:00,150 --> 00:34:58,160
both ways right

981
00:35:01,829 --> 00:35:00,160
yeah and i i just

982
00:35:04,550 --> 00:35:01,839
think the synchronicities are so

983
00:35:06,870 --> 00:35:04,560
beautiful when they happen

984
00:35:09,030 --> 00:35:06,880
that we live in this this

985
00:35:11,589 --> 00:35:09,040
beautiful universe and when you see

986
00:35:13,430 --> 00:35:11,599
you're resonating with the universe and

987
00:35:15,190 --> 00:35:13,440
in sync with

988
00:35:17,990 --> 00:35:15,200

your wavelength

989

00:35:19,910 --> 00:35:18,000
um and that resonance is strong

990

00:35:21,750 --> 00:35:19,920
wonderful things can happen

991

00:35:24,230 --> 00:35:21,760
and part of that learning how to

992

00:35:27,109 --> 00:35:24,240
meditate mindfully is to find your

993

00:35:28,069 --> 00:35:27,119
resident frequency find it

994

00:35:29,990 --> 00:35:28,079
and then

995

00:35:32,150 --> 00:35:30,000
tune into it because we all have

996

00:35:33,589 --> 00:35:32,160
different resonant frequencies and it

997

00:35:36,310 --> 00:35:33,599
doesn't mean one is better than the

998

00:35:39,430 --> 00:35:36,320
other it's just different yes

999

00:35:41,030 --> 00:35:39,440
and what i tell people is like um

1000

00:35:42,470 --> 00:35:41,040
uh this probably

1001
00:35:44,470 --> 00:35:42,480
kind of dates me but i don't know if

1002
00:35:45,750 --> 00:35:44,480
people actually listen to the radio on

1003
00:35:47,910 --> 00:35:45,760
the air

1004
00:35:50,710 --> 00:35:47,920
but if you look at all the fm radio

1005
00:35:52,390 --> 00:35:50,720
stations broadcasting on the air

1006
00:35:54,230 --> 00:35:52,400
they're all there

1007
00:35:57,510 --> 00:35:54,240
and that's the full spectrum of the

1008
00:35:59,270 --> 00:35:57,520
experience but you choose your radio

1009
00:36:00,630 --> 00:35:59,280
station and just because you're

1010
00:36:04,470 --> 00:36:00,640
listening to

1011
00:36:06,310 --> 00:36:04,480
um like classic rock or classical

1012
00:36:08,790 --> 00:36:06,320
or country in western whatever your

1013
00:36:10,710 --> 00:36:08,800

favorite music is it doesn't mean that

1014

00:36:13,430 --> 00:36:10,720

these other stations aren't there as

1015

00:36:14,630 --> 00:36:13,440

well they're there but we're tuning in

1016

00:36:16,550 --> 00:36:14,640

and so

1017

00:36:19,349 --> 00:36:16,560

the by broadening

1018

00:36:21,270 --> 00:36:19,359

the spectrum of accepting it all making

1019

00:36:23,349 --> 00:36:21,280

it more broadband

1020

00:36:25,349 --> 00:36:23,359

you get the full impact

1021

00:36:27,190 --> 00:36:25,359

of all the you know what the universe

1022

00:36:29,990 --> 00:36:27,200

offers yes

1023

00:36:32,470 --> 00:36:30,000

and then you might find affinity toward

1024

00:36:34,710 --> 00:36:32,480

a certain part of that spectrum

1025

00:36:35,910 --> 00:36:34,720

from which you can grow and so i've been

1026

00:36:38,310 --> 00:36:35,920

doing that

1027

00:36:40,870 --> 00:36:38,320

uh most of my adult life and it's been

1028

00:36:42,390 --> 00:36:40,880

very fulfilling for myself as well as my

1029

00:36:45,829 --> 00:36:42,400

wife to do that

1030

00:36:47,829 --> 00:36:45,839

yeah you seem very uh at peace and very

1031

00:36:50,550 --> 00:36:47,839

um you seem the way you talk about your

1032

00:36:51,670 --> 00:36:50,560

wife and i thought it was um

1033

00:36:53,190 --> 00:36:51,680

i thought it was awesome when i was

1034

00:36:55,190 --> 00:36:53,200

asking for an interview in february

1035

00:36:58,069 --> 00:36:55,200

you're like any day but the 14th and i

1036

00:36:59,910 --> 00:36:58,079

was just like that's right

1037

00:37:01,990 --> 00:36:59,920

i was like that's about that's so

1038

00:37:04,230 --> 00:37:02,000

um not a lot of people like do that

1039

00:37:06,230 --> 00:37:04,240

anymore do you know what i mean so

1040

00:37:07,349 --> 00:37:06,240

and some people are cynical about you

1041

00:37:08,950 --> 00:37:07,359

know the whole valentine's day thing but

1042

00:37:10,310 --> 00:37:08,960

i could the way you talk about her she

1043

00:37:11,829 --> 00:37:10,320

sounds like a lovely

1044

00:37:13,910 --> 00:37:11,839

person and

1045

00:37:15,349 --> 00:37:13,920

um i'm very glad that you guys have each

1046

00:37:17,510 --> 00:37:15,359

other but it sounds like you've been

1047

00:37:19,589 --> 00:37:17,520

manifesting what you wanted and you seem

1048

00:37:20,870 --> 00:37:19,599

very at peace like you know when you

1049

00:37:22,630 --> 00:37:20,880

talk to people and they're just very

1050

00:37:23,990 --> 00:37:22,640

angsty feeling or you can tell they're

1051

00:37:26,950 --> 00:37:24,000

very um

1052

00:37:27,910 --> 00:37:26,960

disheveled or whatever um you seem like

1053

00:37:32,470 --> 00:37:27,920

very

1054

00:37:33,270 --> 00:37:32,480

any other way to put it um

1055

00:37:35,109 --> 00:37:33,280

so

1056

00:37:36,630 --> 00:37:35,119

it's it's great that you know you're

1057

00:37:39,030 --> 00:37:36,640

talking about this because not enough

1058

00:37:41,349 --> 00:37:39,040

people ask you about this sort of thing

1059

00:37:43,430 --> 00:37:41,359

um i do have an audience question and

1060

00:37:46,470 --> 00:37:43,440

it's from my friend nikki who is also an

1061

00:37:48,230 --> 00:37:46,480

experiencer she's i've known her for a

1062

00:37:52,630 --> 00:37:48,240

very long time

1063

00:37:54,470 --> 00:37:52,640

and she um she found an implant so

1064

00:37:56,310 --> 00:37:54,480

she's asking if you've ever been checked

1065

00:37:58,150 --> 00:37:56,320

for implants and i know that there's

1066

00:37:59,430 --> 00:37:58,160

some weirdness with your medical records

1067

00:38:01,430 --> 00:37:59,440

right so

1068

00:38:03,270 --> 00:38:01,440

um have you been knowledgeable checked

1069

00:38:05,589 --> 00:38:03,280

for implants

1070

00:38:07,349 --> 00:38:05,599

well no i haven't

1071

00:38:09,589 --> 00:38:07,359

but having said that

1072

00:38:12,630 --> 00:38:09,599

i do know i have an implant

1073

00:38:14,950 --> 00:38:12,640

and i know that from light workers that

1074

00:38:17,270 --> 00:38:14,960

are friends of mine my own

1075

00:38:19,030 --> 00:38:17,280

light worker practitioners

1076

00:38:21,589 --> 00:38:19,040

they told me that i had an implant

1077

00:38:23,109 --> 00:38:21,599

because they can hear it so oh my gosh

1078

00:38:24,550 --> 00:38:23,119

it's it's like

1079

00:38:27,430 --> 00:38:24,560

i can hear it

1080

00:38:29,750 --> 00:38:27,440

and one light worker uh my implant

1081

00:38:30,790 --> 00:38:29,760

didn't resonate with her

1082

00:38:32,550 --> 00:38:30,800

quite well

1083

00:38:34,470 --> 00:38:32,560

and so she started getting headaches

1084

00:38:35,510 --> 00:38:34,480

like a physical manifestation of a

1085

00:38:37,589 --> 00:38:35,520

headache

1086

00:38:40,950 --> 00:38:37,599

along with another gentleman

1087

00:38:42,390 --> 00:38:40,960

who is very much an empath that got a

1088

00:38:46,790 --> 00:38:42,400

headache from me

1089

00:38:52,630 --> 00:38:50,310

my companion know and so here's where

1090

00:38:53,670 --> 00:38:52,640

it gets really strange um there is

1091

00:38:56,470 --> 00:38:53,680

someone

1092

00:38:58,470 --> 00:38:56,480

an entity that is with me all the time

1093

00:39:02,950 --> 00:38:58,480

they're on my right shoulder a little

1094

00:39:04,870 --> 00:39:02,960

bit behind me it's i sense it as a

1095

00:39:06,230 --> 00:39:04,880

female

1096

00:39:08,470 --> 00:39:06,240

companion

1097

00:39:09,829 --> 00:39:08,480

i can i can sense feminine energy from

1098

00:39:10,790 --> 00:39:09,839

her

1099

00:39:13,430 --> 00:39:10,800

and

1100

00:39:15,430 --> 00:39:13,440

she's more of a protector not

1101
00:39:17,109 --> 00:39:15,440
a controller

1102
00:39:19,270 --> 00:39:17,119
when i say this people think oh your

1103
00:39:21,589 --> 00:39:19,280
your mind is being controlled

1104
00:39:24,069 --> 00:39:21,599
no no no because people have talked

1105
00:39:26,310 --> 00:39:24,079
about guardian angels for how long yes

1106
00:39:28,710 --> 00:39:26,320
exactly it's an energy stream or energy

1107
00:39:31,910 --> 00:39:28,720
frequency and you just aren't calling it

1108
00:39:32,950 --> 00:39:31,920
an angel and it's some divine feminine

1109
00:39:34,950 --> 00:39:32,960
energy

1110
00:39:37,910 --> 00:39:34,960
that is more protective

1111
00:39:39,430 --> 00:39:37,920
and i had to let her know

1112
00:39:42,150 --> 00:39:39,440
please

1113
00:39:43,750 --> 00:39:42,160

i am not being threatened by these other

1114

00:39:44,870 --> 00:39:43,760

people

1115

00:39:48,470 --> 00:39:44,880

you know

1116

00:39:51,510 --> 00:39:48,480

be more quiet

1117

00:39:53,109 --> 00:39:51,520

and when i did that it went away it went

1118

00:39:54,950 --> 00:39:53,119

away they didn't have that headache when

1119

00:39:57,030 --> 00:39:54,960

i met them again

1120

00:39:58,790 --> 00:39:57,040

they didn't have any headaches

1121

00:40:01,990 --> 00:39:58,800

and the light worker told me oh yeah

1122

00:40:04,230 --> 00:40:02,000

it's it's very definitely a a feminine

1123

00:40:06,950 --> 00:40:04,240

divine feminine presence

1124

00:40:08,069 --> 00:40:06,960

uh with you and it's been

1125

00:40:11,030 --> 00:40:08,079

there

1126

00:40:14,309 --> 00:40:11,040

ever since i can remember that it's a

1127

00:40:15,829 --> 00:40:14,319

very protective kind of nurturing

1128

00:40:17,510 --> 00:40:15,839

entity

1129

00:40:20,550 --> 00:40:17,520

yes and a lot of people talk about that

1130

00:40:21,990 --> 00:40:20,560

as like their guides or their angels or

1131

00:40:24,950 --> 00:40:22,000

their guardian angels you had talked

1132

00:40:27,349 --> 00:40:24,960

about a cover experience earlier and the

1133

00:40:29,430 --> 00:40:27,359

more i'm learning from other experiences

1134

00:40:31,670 --> 00:40:29,440

and some of this terminology

1135

00:40:32,950 --> 00:40:31,680

i'm like my first experience after

1136

00:40:34,790 --> 00:40:32,960

seeing those

1137

00:40:36,069 --> 00:40:34,800

i've had angelic experiences as far as i

1138

00:40:37,510 --> 00:40:36,079

can remember

1139

00:40:40,790 --> 00:40:37,520

so

1140

00:40:43,510 --> 00:40:40,800

i'm very i'm not confused anymore

1141

00:40:45,589 --> 00:40:43,520

but there was a point even earlier last

1142

00:40:46,630 --> 00:40:45,599

year where i was like that was not an

1143

00:40:49,190 --> 00:40:46,640

angel

1144

00:40:51,030 --> 00:40:49,200

it was a glowing human shape

1145

00:40:53,670 --> 00:40:51,040

and it had

1146

00:40:56,150 --> 00:40:53,680

i when they show up they're just glowing

1147

00:40:57,670 --> 00:40:56,160

and then it turns into this physicality

1148

00:40:59,030 --> 00:40:57,680

but maybe that's because i've seen

1149

00:41:01,030 --> 00:40:59,040

angels and i want it to look like an

1150

00:41:03,349 --> 00:41:01,040

angel so it makes sense a cover

1151
00:41:05,349 --> 00:41:03,359
experience you know like you said so i

1152
00:41:08,870 --> 00:41:05,359
just wanted to throw that out there

1153
00:41:10,630 --> 00:41:08,880
but um i have a good question from um

1154
00:41:11,829 --> 00:41:10,640
james from engaging the phenomenon he's

1155
00:41:13,510 --> 00:41:11,839
an amazing guy i don't know if you've

1156
00:41:14,950 --> 00:41:13,520
seen his channel he's

1157
00:41:19,670 --> 00:41:14,960
just

1158
00:41:22,470 --> 00:41:19,680
said he has a question um was john part

1159
00:41:24,790 --> 00:41:22,480
of the kit green nolan experiencer study

1160
00:41:28,069 --> 00:41:24,800
not formally no

1161
00:41:31,190 --> 00:41:28,079
when i asked cia for my medical records

1162
00:41:33,589 --> 00:41:31,200
i was suggested that

1163
00:41:36,470 --> 00:41:33,599

perhaps that would be an opportunity to

1164

00:41:38,550 --> 00:41:36,480

make myself known to kate green since he

1165

00:41:40,390 --> 00:41:38,560

was also cia

1166

00:41:42,950 --> 00:41:40,400

and

1167

00:41:45,349 --> 00:41:42,960

he has dealt with many of the paranormal

1168

00:41:47,270 --> 00:41:45,359

aspects the metaphysical aspects

1169

00:41:49,190 --> 00:41:47,280

of what cia does

1170

00:41:51,109 --> 00:41:49,200

for example remote viewing and so that

1171

00:41:54,069 --> 00:41:51,119

might be an opportunity when i do get my

1172

00:41:57,030 --> 00:41:54,079

medical records to send it to him

1173

00:41:59,510 --> 00:41:57,040

and i know how to contact him

1174

00:42:01,430 --> 00:41:59,520

so that's a very good suggestion of you

1175

00:42:03,670 --> 00:42:01,440

know being part of that study

1176

00:42:06,550 --> 00:42:03,680

one thing i don't want to happen is i

1177

00:42:07,829 --> 00:42:06,560

don't want my implant to be removed

1178

00:42:09,349 --> 00:42:07,839

yes yes

1179

00:42:11,030 --> 00:42:09,359

my friend says the same thing she's like

1180

00:42:12,790 --> 00:42:11,040

it's there and i'm fine with it being

1181

00:42:15,190 --> 00:42:12,800

there because right

1182

00:42:16,790 --> 00:42:15,200

right it's not a controller it doesn't

1183

00:42:19,109 --> 00:42:16,800

control me

1184

00:42:21,270 --> 00:42:19,119

for me it's like it's reporting

1185

00:42:25,109 --> 00:42:21,280

somewhere and it protects me

1186

00:42:27,190 --> 00:42:25,119

um that's my perception of it

1187

00:42:29,190 --> 00:42:27,200

yes that makes sense um and like you had

1188

00:42:31,750 --> 00:42:29,200

said before they're checking in and i

1189

00:42:33,910 --> 00:42:31,760

often with with like even

1190

00:42:35,829 --> 00:42:33,920

so i i said i had these horrible scary

1191

00:42:37,829 --> 00:42:35,839

experiences with grace traumatic all

1192

00:42:40,150 --> 00:42:37,839

this horrible stuff happened um

1193

00:42:41,510 --> 00:42:40,160

and it was just horrible because i was

1194

00:42:43,030 --> 00:42:41,520

young at the time and little and i

1195

00:42:45,109 --> 00:42:43,040

didn't understand it

1196

00:42:46,790 --> 00:42:45,119

and now that i'm looking back it's

1197

00:42:47,670 --> 00:42:46,800

almost like

1198

00:42:54,470 --> 00:42:47,680

um

1199

00:42:55,349 --> 00:42:54,480

telepathically in an experience

1200

00:42:57,030 --> 00:42:55,359

um

1201
00:42:58,230 --> 00:42:57,040
basically we're just doing our job like

1202
00:43:00,230 --> 00:42:58,240
we're not trying to hurt you you know

1203
00:43:01,190 --> 00:43:00,240
we're just sampling which brings up the

1204
00:43:03,829 --> 00:43:01,200
whole

1205
00:43:05,270 --> 00:43:03,839
you know hybridization um thing but

1206
00:43:06,390 --> 00:43:05,280
before we get off on that because that's

1207
00:43:07,589 --> 00:43:06,400
going to be another

1208
00:43:09,430 --> 00:43:07,599
that's that's a

1209
00:43:11,270 --> 00:43:09,440
something i do want to ask you tonight i

1210
00:43:12,550 --> 00:43:11,280
want to ask you about physical symptoms

1211
00:43:15,270 --> 00:43:12,560
you said she could kind of send your

1212
00:43:16,950 --> 00:43:15,280
friend could sense your implant um after

1213
00:43:19,030 --> 00:43:16,960

and i think i actually this might have

1214

00:43:20,790 --> 00:43:19,040

been why i messaged you

1215

00:43:23,030 --> 00:43:20,800

um initially

1216

00:43:24,390 --> 00:43:23,040

um before i even asked you to come on

1217

00:43:27,190 --> 00:43:24,400

here

1218

00:43:30,150 --> 00:43:27,200

that after my first experience i

1219

00:43:32,309 --> 00:43:30,160

developed tinnitus um

1220

00:43:35,670 --> 00:43:32,319

the ringing was so bad at one point

1221

00:43:37,510 --> 00:43:35,680

where i was i was young i was

1222

00:43:38,950 --> 00:43:37,520

not past first grade and my first

1223

00:43:40,630 --> 00:43:38,960

experience this was kindergarten because

1224

00:43:42,069 --> 00:43:40,640

i remember the teacher i remember

1225

00:43:43,910 --> 00:43:42,079

telling my you know my bestie in

1226
00:43:45,829 --> 00:43:43,920
kindergarten and everybody laughed and

1227
00:43:47,829 --> 00:43:45,839
told me i was lying all this stuff but i

1228
00:43:50,150 --> 00:43:47,839
remember there was this um

1229
00:43:53,430 --> 00:43:50,160
like high-pitched ringing

1230
00:43:55,990 --> 00:43:53,440
and it's always there and it changes

1231
00:43:58,150 --> 00:43:56,000
it's not and i did i have had tinnitus

1232
00:43:59,190 --> 00:43:58,160
experiences where it's the wishing

1233
00:44:01,990 --> 00:43:59,200
um

1234
00:44:04,069 --> 00:44:02,000
but this is almost like it changes and

1235
00:44:05,910 --> 00:44:04,079
when they're near and i know i'm gonna

1236
00:44:07,829 --> 00:44:05,920
have an experience and i don't know if

1237
00:44:09,510 --> 00:44:07,839
this falls into high strangeness but

1238
00:44:11,510 --> 00:44:09,520

there's like this weird like feeling in

1239

00:44:14,550 --> 00:44:11,520

the air and i get like the ringing gets

1240

00:44:17,190 --> 00:44:14,560

louder and the uh pressure comes

1241

00:44:18,630 --> 00:44:17,200

so um i don't know if that um have you

1242

00:44:21,270 --> 00:44:18,640

ever have you had any physical

1243

00:44:24,309 --> 00:44:21,280

experiences like that

1244

00:44:26,230 --> 00:44:24,319

it's interesting you you mentioned um

1245

00:44:28,950 --> 00:44:26,240

this high pitch

1246

00:44:30,870 --> 00:44:28,960

ringing or frequency sometimes it sounds

1247

00:44:33,750 --> 00:44:30,880

like morse code like techno morse code

1248

00:44:35,670 --> 00:44:33,760

as this way i couldn't explain it i have

1249

00:44:36,470 --> 00:44:35,680

experienced something like that

1250

00:44:38,069 --> 00:44:36,480

and

1251

00:44:41,030 --> 00:44:38,079

it sort of like

1252

00:44:42,790 --> 00:44:41,040

starts at a very low amplitude and rises

1253

00:44:44,069 --> 00:44:42,800

in volume

1254

00:44:46,870 --> 00:44:44,079

and then

1255

00:44:50,150 --> 00:44:46,880

stays for maybe a minute or two

1256

00:44:53,030 --> 00:44:50,160

and then decreases the volume goes away

1257

00:44:55,030 --> 00:44:53,040

i haven't correlated that to any

1258

00:44:57,589 --> 00:44:55,040

other experience other than this

1259

00:44:59,270 --> 00:44:57,599

physical manifestation

1260

00:45:02,150 --> 00:44:59,280

of ringing but this was

1261

00:45:03,829 --> 00:45:02,160

this had occurred to me

1262

00:45:06,470 --> 00:45:03,839

throughout my life and even before i

1263

00:45:07,589 --> 00:45:06,480

start going to live concerts

1264

00:45:09,349 --> 00:45:07,599

yeah i was just thinking that like

1265

00:45:11,030 --> 00:45:09,359

obviously you leave like a rock concert

1266

00:45:12,710 --> 00:45:11,040

in your teenage years

1267

00:45:14,790 --> 00:45:12,720

yeah and you got the ringing but this is

1268

00:45:17,430 --> 00:45:14,800

like this is too early for that exactly

1269

00:45:18,550 --> 00:45:17,440

taking me to a metal concert when i was

1270

00:45:20,550 --> 00:45:18,560

five

1271

00:45:22,150 --> 00:45:20,560

you know what i mean it wasn't like

1272

00:45:25,270 --> 00:45:22,160

we weren't even allowed to go outside

1273

00:45:27,430 --> 00:45:25,280

because um we had gang activity so like

1274

00:45:29,910 --> 00:45:27,440

it's um you know we weren't we weren't

1275

00:45:31,990 --> 00:45:29,920

outside listening to loud things uh

1276

00:45:33,670 --> 00:45:32,000

my my grandparents pretty much raised me

1277

00:45:35,109 --> 00:45:33,680

so it's not like

1278

00:45:38,150 --> 00:45:35,119

you know that they were loud people like

1279

00:45:39,109 --> 00:45:38,160

my grandpa was a very quiet uh stoner so

1280

00:45:41,030 --> 00:45:39,119

he's a

1281

00:45:41,910 --> 00:45:41,040

hippie woodstock guy so

1282

00:45:46,150 --> 00:45:41,920

um

1283

00:45:47,109 --> 00:45:46,160

people want to write that off just like

1284

00:45:48,710 --> 00:45:47,119

they want to write off the sleep

1285

00:45:50,790 --> 00:45:48,720

paralysis and

1286

00:45:51,670 --> 00:45:50,800

the dream experiences

1287

00:45:53,750 --> 00:45:51,680

and

1288

00:45:55,349 --> 00:45:53,760

you know things like eczema as hives

1289

00:45:56,870 --> 00:45:55,359

when it's not

1290

00:45:58,950 --> 00:45:56,880

you know xmas and patches it's not gonna

1291

00:46:01,190 --> 00:45:58,960

be like boom like hives

1292

00:46:03,589 --> 00:46:01,200

and really random just you know after an

1293

00:46:05,750 --> 00:46:03,599

experience kind of thing so

1294

00:46:08,230 --> 00:46:05,760

yeah um so

1295

00:46:10,150 --> 00:46:08,240

you you had that before metal concerts

1296

00:46:12,390 --> 00:46:10,160

and you haven't been well i didn't go to

1297

00:46:15,589 --> 00:46:12,400

a mental concerts uh believe it or not

1298

00:46:19,910 --> 00:46:15,599

i'm more into the 80s goth industrial

1299

00:46:21,829 --> 00:46:19,920

scene oh i couldn't i used to go to um

1300

00:46:24,470 --> 00:46:21,839

banshees the cure

1301

00:46:29,030 --> 00:46:27,030

okay i love you even more now because i

1302

00:46:31,030 --> 00:46:29,040

love that kind of music like i

1303

00:46:32,390 --> 00:46:31,040

i was born in 1984 so it's not like i

1304

00:46:34,230 --> 00:46:32,400

got to like hang out with my friends

1305

00:46:36,390 --> 00:46:34,240

through that music but i feel like i've

1306

00:46:37,750 --> 00:46:36,400

always just loved it maybe because like

1307

00:46:40,150 --> 00:46:37,760

my dad or mom would listen to it you

1308

00:46:41,750 --> 00:46:40,160

know or whoever was around me you got to

1309

00:46:44,550 --> 00:46:41,760

love the cure and you gotta love georgia

1310

00:46:48,950 --> 00:46:46,710

yeah i got to see these bands uh in

1311

00:46:50,309 --> 00:46:48,960

washington dc we had a very vibrant

1312

00:46:53,910 --> 00:46:50,319

music scene

1313

00:46:55,750 --> 00:46:53,920

um and for example at the 9 30 club when

1314

00:46:57,510 --> 00:46:55,760

it was actually at 930 f street

1315

00:47:00,309 --> 00:46:57,520

northwest in dc

1316

00:47:02,950 --> 00:47:00,319

go to the back bar and there was

1317

00:47:04,309 --> 00:47:02,960

none other than um mr foo fighter

1318

00:47:07,190 --> 00:47:04,319

himself

1319

00:47:09,190 --> 00:47:07,200

uh right there sharing a beer with him

1320

00:47:11,030 --> 00:47:09,200

and so i got to meet

1321

00:47:13,190 --> 00:47:11,040

um a lot of

1322

00:47:16,230 --> 00:47:13,200

people who at that time he was playing

1323

00:47:17,589 --> 00:47:16,240

in a local parkour band and then later

1324

00:47:18,390 --> 00:47:17,599

you know

1325

00:47:20,549 --> 00:47:18,400

uh

1326

00:47:23,510 --> 00:47:20,559

joined nirvana and then later had foo

1327

00:47:26,470 --> 00:47:23,520

fighters so i got to meet him he's a he

1328

00:47:28,549 --> 00:47:26,480

i he's a great musician and

1329

00:47:31,670 --> 00:47:28,559

um it's very sad what happened to kurt

1330

00:47:34,309 --> 00:47:31,680

cobain but yeah dave girl is um he seems

1331

00:47:35,109 --> 00:47:34,319

like a really cool open down-to-earth

1332

00:47:36,710 --> 00:47:35,119

guy

1333

00:47:39,589 --> 00:47:36,720

so yeah and

1334

00:47:40,549 --> 00:47:39,599

when when nirvana first played at this

1335

00:47:44,150 --> 00:47:40,559

club

1336

00:47:47,109 --> 00:47:44,160

it was basically a five dollar ticket

1337

00:47:50,230 --> 00:47:47,119

and yeah i had vip passes where i can

1338

00:47:52,390 --> 00:47:50,240

invite myself and like one other person

1339

00:47:55,349 --> 00:47:52,400

and i was single back then

1340

00:47:57,349 --> 00:47:55,359

so what i would do is get my vip pass

1341

00:47:59,030 --> 00:47:57,359

and say oh she looks interesting

1342

00:48:00,630 --> 00:47:59,040

hi get out of the line i got to be my

1343

00:48:02,230 --> 00:48:00,640

piece come on

1344

00:48:03,990 --> 00:48:02,240

right to the front and uh so i was a

1345

00:48:05,829 --> 00:48:04,000

very popular guy back then i just get

1346

00:48:07,349 --> 00:48:05,839

like the um

1347

00:48:09,829 --> 00:48:07,359

now now this is really going to get off

1348

00:48:12,549 --> 00:48:09,839

topic but um the scene in wayne's world

1349

00:48:14,390 --> 00:48:12,559

where they're like with their past

1350

00:48:16,870 --> 00:48:14,400

so um

1351

00:48:18,710 --> 00:48:16,880

but actually um james is like all full

1352

00:48:20,630 --> 00:48:18,720

of the good questions tonight um this

1353

00:48:22,790 --> 00:48:20,640

might be a good segue into the

1354

00:48:24,870 --> 00:48:22,800

hybridization stuff that

1355

00:48:26,950 --> 00:48:24,880

um in the collecting of genetic material

1356

00:48:29,430 --> 00:48:26,960

stuff that we i kind of wanted to talk

1357

00:48:31,910 --> 00:48:29,440

about you talk to you with oh my gosh i

1358

00:48:33,910 --> 00:48:31,920

can't think talk to you about

1359

00:48:35,270 --> 00:48:33,920

sorry two and a three-year-old um two

1360

00:48:37,430 --> 00:48:35,280

and a four-year-old at the end of the

1361

00:48:39,670 --> 00:48:37,440

night sometimes my brain just stops so

1362

00:48:42,470 --> 00:48:39,680

the question is the hotel meeting

1363

00:48:45,030 --> 00:48:42,480

discussion discussing hybridization was

1364

00:48:47,190 --> 00:48:45,040

anyone from ned's present or on the sign

1365

00:48:49,349 --> 00:48:47,200

in the list like john alexander kit

1366

00:48:51,589 --> 00:48:49,359

green helped put off jack valley

1367

00:48:53,510 --> 00:48:51,599

colin keller and robert bigelow run you

1368

00:48:54,390 --> 00:48:53,520

know he's gotten ron pendle

1369

00:48:57,109 --> 00:48:54,400

no

1370

00:48:59,910 --> 00:48:57,119

um

1371

00:49:02,390 --> 00:48:59,920

it was sponsored

1372

00:49:06,470 --> 00:49:02,400

by a science office

1373

00:49:09,109 --> 00:49:06,480

and the person who gave the briefing

1374

00:49:11,910 --> 00:49:09,119

had access to cia's historical

1375

00:49:14,309 --> 00:49:11,920

classified historical records

1376

00:49:16,950 --> 00:49:14,319

and so this person went back and

1377

00:49:19,349 --> 00:49:16,960

discovered this information

1378

00:49:22,710 --> 00:49:19,359

of cia's involvement

1379

00:49:24,710 --> 00:49:22,720

into ufos and briefed us

1380

00:49:26,790 --> 00:49:24,720

but there were none of the what you

1381

00:49:28,470 --> 00:49:26,800

would consider principles that you know

1382

00:49:30,630 --> 00:49:28,480

of in ufology

1383

00:49:33,030 --> 00:49:30,640

present at the time

1384

00:49:35,349 --> 00:49:33,040

but who was there um

1385

00:49:37,349 --> 00:49:35,359

were these academic types these people

1386

00:49:39,670 --> 00:49:37,359

with edu addresses

1387

00:49:41,510 --> 00:49:39,680

i did not recognize any of them and i

1388

00:49:43,829 --> 00:49:41,520

know ron philadelphia i met him before i

1389

00:49:47,109 --> 00:49:43,839

know who he is

1390

00:49:50,150 --> 00:49:47,119

and the other folks

1391

00:49:51,750 --> 00:49:50,160

i've never met personally but ron i have

1392

00:49:54,470 --> 00:49:51,760

met

1393

00:49:57,190 --> 00:49:54,480

they were not there and but the two

1394

00:49:58,870 --> 00:49:57,200

officers i did recognize was an officer

1395

00:50:01,510 --> 00:49:58,880

who was senior to me

1396

00:50:03,190 --> 00:50:01,520

from my parent office

1397

00:50:05,910 --> 00:50:03,200

which was weapons intelligence

1398

00:50:07,829 --> 00:50:05,920

non-proliferation and arms control

1399

00:50:08,710 --> 00:50:07,839

that office

1400

00:50:10,069 --> 00:50:08,720

and

1401
00:50:11,670 --> 00:50:10,079
that office

1402
00:50:14,309 --> 00:50:11,680
coincidentally

1403
00:50:17,670 --> 00:50:14,319
the predecessor offices

1404
00:50:20,470 --> 00:50:17,680
in the 50s 60s and 70s and 80s

1405
00:50:23,270 --> 00:50:20,480
90s they were involved with ufo research

1406
00:50:26,150 --> 00:50:23,280
at cia so this was a very senior officer

1407
00:50:27,910 --> 00:50:26,160
there and also a scientist that was

1408
00:50:30,710 --> 00:50:27,920
there that i was working with

1409
00:50:33,430 --> 00:50:30,720
um mostly in visualization scientific

1410
00:50:35,030 --> 00:50:33,440
visualization so we were doing like 3d

1411
00:50:37,030 --> 00:50:35,040
visualization you were wearing data

1412
00:50:38,309 --> 00:50:37,040
gloves and goggles

1413
00:50:40,390 --> 00:50:38,319

in the 90s

1414

00:50:43,589 --> 00:50:40,400

when no one else was doing it and i had

1415

00:50:45,910 --> 00:50:43,599

it it's very cool i had a a room

1416

00:50:48,549 --> 00:50:45,920

bathed in electromagnetic energy

1417

00:50:51,270 --> 00:50:48,559

magnetic energy so when you walk in with

1418

00:50:53,990 --> 00:50:51,280

this stuff on it knows your presence and

1419

00:50:56,630 --> 00:50:54,000

the computer software would like then

1420

00:50:58,790 --> 00:50:56,640

interact with data so that you can touch

1421

00:51:00,549 --> 00:50:58,800

data move it around

1422

00:51:01,990 --> 00:51:00,559

kind of like the you know the futuristic

1423

00:51:04,230 --> 00:51:02,000

movies where you see the people doing

1424

00:51:05,589 --> 00:51:04,240

the air computer like kind of right yeah

1425

00:51:08,630 --> 00:51:05,599

we were doing that

1426

00:51:10,790 --> 00:51:08,640

uh like 25 years ago

1427

00:51:12,710 --> 00:51:10,800

they know so much more about us than

1428

00:51:14,390 --> 00:51:12,720

most of us know about us and how our

1429

00:51:15,430 --> 00:51:14,400

energetic fields work i mean like we

1430

00:51:17,190 --> 00:51:15,440

might know

1431

00:51:18,950 --> 00:51:17,200

like i know from like a

1432

00:51:21,190 --> 00:51:18,960

like energy work standpoint and from

1433

00:51:23,829 --> 00:51:21,200

studying chakras and that sort of thing

1434

00:51:26,309 --> 00:51:23,839

but they know like they know

1435

00:51:27,109 --> 00:51:26,319

how to do this with technology

1436

00:51:29,349 --> 00:51:27,119

and

1437

00:51:31,670 --> 00:51:29,359

the the general public

1438

00:51:34,150 --> 00:51:31,680

doesn't get any advantages of this or

1439

00:51:36,549 --> 00:51:34,160

any knowledge about it we just kind of

1440

00:51:37,750 --> 00:51:36,559

the majority of the general public just

1441

00:51:39,030 --> 00:51:37,760

thinks that

1442

00:51:41,990 --> 00:51:39,040

you know

1443

00:51:44,069 --> 00:51:42,000

we're just these consumers which we are

1444

00:51:45,670 --> 00:51:44,079

but if they knew about their energetic

1445

00:51:46,790 --> 00:51:45,680

qualities and their abilities to

1446

00:51:48,309 --> 00:51:46,800

interact with these sorts of

1447

00:51:50,230 --> 00:51:48,319

technologies

1448

00:51:52,710 --> 00:51:50,240

then i feel like people would be less

1449

00:51:55,270 --> 00:51:52,720

shallow and they'd be less about reality

1450

00:51:57,349 --> 00:51:55,280

tv and more about having an experience

1451
00:51:58,950 --> 00:51:57,359
in feeling their energetic body and

1452
00:51:59,750 --> 00:51:58,960
interacting with energetic things around

1453
00:52:01,589 --> 00:51:59,760
them

1454
00:52:03,670 --> 00:52:01,599
it's kind of like um

1455
00:52:05,109 --> 00:52:03,680
they're holding it back from us

1456
00:52:06,790 --> 00:52:05,119
you know what i mean

1457
00:52:09,030 --> 00:52:06,800
because to develop that technology you

1458
00:52:11,750 --> 00:52:09,040
have to know a lot about the the human

1459
00:52:13,190 --> 00:52:11,760
um electromagnetic field

1460
00:52:14,630 --> 00:52:13,200
for you to interact with something like

1461
00:52:16,390 --> 00:52:14,640
that so

1462
00:52:18,630 --> 00:52:16,400
um why are they keeping that do you

1463
00:52:21,109 --> 00:52:18,640

think why do you think that it's still

1464

00:52:23,270 --> 00:52:21,119

not out you know the closest we have now

1465

00:52:25,190 --> 00:52:23,280

is a virtual reality

1466

00:52:27,349 --> 00:52:25,200

or elon musk talking about the you know

1467

00:52:29,589 --> 00:52:27,359

the chip in your brain and all that

1468

00:52:32,790 --> 00:52:29,599

yeah and i think the cia knows a lot

1469

00:52:34,950 --> 00:52:32,800

more than it lets on in fact the study

1470

00:52:38,069 --> 00:52:34,960

of

1471

00:52:39,990 --> 00:52:38,079

research

1472

00:52:42,790 --> 00:52:40,000

by extension the office of director of

1473

00:52:44,710 --> 00:52:42,800

national intelligence at the dni level

1474

00:52:46,950 --> 00:52:44,720

there's an office that is the equivalent

1475

00:52:49,270 --> 00:52:46,960

of darpa which we all heard of it's the

1476

00:52:51,430 --> 00:52:49,280

intelligence the i instead of defense

1477

00:52:53,829 --> 00:52:51,440

stands for intelligence and they've done

1478

00:52:55,990 --> 00:52:53,839

a lot of work with the brain and the

1479

00:52:57,510 --> 00:52:56,000

mind and consciousness

1480

00:53:00,390 --> 00:52:57,520

and so

1481

00:53:02,390 --> 00:53:00,400

uh people don't realize that you know in

1482

00:53:04,630 --> 00:53:02,400

intelligence world especially cia it's

1483

00:53:05,430 --> 00:53:04,640

not just about what are the russians up

1484

00:53:08,309 --> 00:53:05,440

to

1485

00:53:10,309 --> 00:53:08,319

it's about why

1486

00:53:11,670 --> 00:53:10,319

who are we and why are we here i mean we

1487

00:53:13,990 --> 00:53:11,680

study paranormal we study the

1488

00:53:16,309 --> 00:53:14,000

metaphysical and that's a lot of what

1489

00:53:17,990 --> 00:53:16,319

kick green did and in fact

1490

00:53:20,470 --> 00:53:18,000

um

1491

00:53:22,150 --> 00:53:20,480

it was james jim simivan who said you

1492

00:53:24,390 --> 00:53:22,160

know that he worked in the office

1493

00:53:26,309 --> 00:53:24,400

dealing with the paranormal

1494

00:53:28,230 --> 00:53:26,319

the paranormal office which was the life

1495

00:53:30,549 --> 00:53:28,240

sciences division i keep telling people

1496

00:53:32,710 --> 00:53:30,559

about yes you've been talking about that

1497

00:53:35,349 --> 00:53:32,720

for and so that being that is not

1498

00:53:37,190 --> 00:53:35,359

classified that is out in open source if

1499

00:53:39,030 --> 00:53:37,200

you know where to look you you know life

1500

00:53:41,430 --> 00:53:39,040

sciences division i knew that division

1501
00:53:42,950 --> 00:53:41,440
existed and just do a google search for

1502
00:53:46,790 --> 00:53:42,960
it it came up

1503
00:53:48,950 --> 00:53:46,800
and uh any any j amy jacobson wrote um a

1504
00:53:51,910 --> 00:53:48,960
book called the phenomenon

1505
00:53:54,950 --> 00:53:51,920
and in it she referenced kick green by

1506
00:53:57,109 --> 00:53:54,960
name with life sciences division by name

1507
00:53:57,829 --> 00:53:57,119
and the fact that they did work

1508
00:53:59,990 --> 00:53:57,839
with

1509
00:54:01,349 --> 00:54:00,000
these types of esoteric

1510
00:54:04,230 --> 00:54:01,359
phenomena

1511
00:54:06,470 --> 00:54:04,240
so that's not unusual and so jim cimiban

1512
00:54:07,430 --> 00:54:06,480
kind of hinted at that as well

1513
00:54:09,670 --> 00:54:07,440

and

1514

00:54:12,309 --> 00:54:09,680

that you know it's not just

1515

00:54:13,430 --> 00:54:12,319

like russian missiles

1516

00:54:14,790 --> 00:54:13,440

no no

1517

00:54:17,349 --> 00:54:14,800

you know some people laugh at the

1518

00:54:19,270 --> 00:54:17,359

skinwalkers of the pentagon book but

1519

00:54:21,109 --> 00:54:19,280

it might just sound so

1520

00:54:23,190 --> 00:54:21,119

fantastical to i don't want to say like

1521

00:54:25,109 --> 00:54:23,200

the average mind but people that think

1522

00:54:26,549 --> 00:54:25,119

in their in a box

1523

00:54:28,069 --> 00:54:26,559

they're like this is how the world works

1524

00:54:29,190 --> 00:54:28,079

this is how science works this is the

1525

00:54:30,390 --> 00:54:29,200

nuts and bolts this is what the nuts and

1526
00:54:32,309 --> 00:54:30,400
bolts made of and they know everything

1527
00:54:33,589 --> 00:54:32,319
right so when they read something like

1528
00:54:35,030 --> 00:54:33,599
they hear something like what you just

1529
00:54:36,230 --> 00:54:35,040
said and read something like skin

1530
00:54:38,230 --> 00:54:36,240
walkers at the pentagon they're

1531
00:54:41,190 --> 00:54:38,240
obviously going to think like this is

1532
00:54:43,829 --> 00:54:41,200
too out there it's too weird it's too

1533
00:54:46,549 --> 00:54:43,839
whatever else they say you know um

1534
00:54:48,950 --> 00:54:46,559
and it's limiting the whole planet when

1535
00:54:51,030 --> 00:54:48,960
people think like that and that's why ci

1536
00:54:54,150 --> 00:54:51,040
exists i mean jim simvan himself said

1537
00:54:56,230 --> 00:54:54,160
that we cover everything in the world

1538
00:54:58,630 --> 00:54:56,240

we cover everything and that's true i

1539

00:54:59,750 --> 00:54:58,640

mean you name any issue in the world

1540

00:55:02,390 --> 00:54:59,760

whether it's

1541

00:55:03,910 --> 00:55:02,400

natural resources climate change

1542

00:55:06,549 --> 00:55:03,920

clean water

1543

00:55:08,230 --> 00:55:06,559

migration patterns of humans

1544

00:55:11,190 --> 00:55:08,240

that's so fast social interactions

1545

00:55:13,670 --> 00:55:11,200

between humans what causes conflict

1546

00:55:14,870 --> 00:55:13,680

that is that is in the purview of cia to

1547

00:55:16,230 --> 00:55:14,880

understand

1548

00:55:18,630 --> 00:55:16,240

why does

1549

00:55:20,950 --> 00:55:18,640

one group of people why do one why do

1550

00:55:22,710 --> 00:55:20,960

people fight each other

1551
00:55:24,549 --> 00:55:22,720
they see they know more about us than

1552
00:55:27,109 --> 00:55:24,559
some of us know about ourselves and it's

1553
00:55:28,470 --> 00:55:27,119
just um they're not telling anybody

1554
00:55:31,349 --> 00:55:28,480
about it

1555
00:55:35,829 --> 00:55:31,359
and it goes to the policy makers i mean

1556
00:55:37,910 --> 00:55:35,839
yeah cia doesn't do this on its own

1557
00:55:39,030 --> 00:55:37,920
policy makers we want to know the

1558
00:55:42,950 --> 00:55:39,040
answers

1559
00:55:44,309 --> 00:55:42,960
know to our

1560
00:55:46,390 --> 00:55:44,319
assets

1561
00:55:48,549 --> 00:55:46,400
uh through technical means uh through

1562
00:55:51,270 --> 00:55:48,559
human means all these

1563
00:55:53,109 --> 00:55:51,280

ways that cia interfaces with the world

1564

00:55:54,630 --> 00:55:53,119

and we get the answers and provide it to

1565

00:55:55,670 --> 00:55:54,640

the policy makers it's up to them to

1566

00:55:58,230 --> 00:55:55,680

decide what they're going to do with

1567

00:56:01,270 --> 00:55:58,240

that information we don't tell them yeah

1568

00:56:03,750 --> 00:56:01,280

so i tell them some people

1569

00:56:05,430 --> 00:56:03,760

go ahead i say some people say like just

1570

00:56:07,829 --> 00:56:05,440

tell us but then some people will throw

1571

00:56:09,670 --> 00:56:07,839

back to like well we can't even handle

1572

00:56:12,309 --> 00:56:09,680

you know the knowledge of a pandemic

1573

00:56:14,230 --> 00:56:12,319

without acting ridiculous so it's every

1574

00:56:16,309 --> 00:56:14,240

and i feel like both sides are right you

1575

00:56:18,870 --> 00:56:16,319

know there's a there's some of us that

1576
00:56:20,549 --> 00:56:18,880
would be relieved to know that so much

1577
00:56:22,710 --> 00:56:20,559
of that is being studied because a lot

1578
00:56:23,990 --> 00:56:22,720
of us are experiencing

1579
00:56:27,109 --> 00:56:24,000
um

1580
00:56:29,510 --> 00:56:27,119
not just ufo phenomenon but other

1581
00:56:32,710 --> 00:56:29,520
phenomenon like you know poltergeist

1582
00:56:34,390 --> 00:56:32,720
activities spirits other beings that

1583
00:56:36,150 --> 00:56:34,400
aren't you they don't seem like they're

1584
00:56:39,349 --> 00:56:36,160
from outer space you know

1585
00:56:40,150 --> 00:56:39,359
or even from another dimension so

1586
00:56:41,589 --> 00:56:40,160
um

1587
00:56:43,589 --> 00:56:41,599
it's just i mean it's good they're

1588
00:56:45,990 --> 00:56:43,599

studying it but it's not helping anybody

1589

00:56:47,190 --> 00:56:46,000

when the when the policymakers keep it

1590

00:56:49,750 --> 00:56:47,200

you know and they're not about and i

1591

00:56:51,670 --> 00:56:49,760

understand that a lot of it could be um

1592

00:56:53,430 --> 00:56:51,680

like national security i get that you

1593

00:56:54,870 --> 00:56:53,440

know my husband's military i want to say

1594

00:56:57,589 --> 00:56:54,880

i want everybody to stay out of wars and

1595

00:56:59,030 --> 00:56:57,599

stay safe and i get it but um it's just

1596

00:57:00,789 --> 00:56:59,040

when they're when they know something

1597

00:57:02,870 --> 00:57:00,799

about the human

1598

00:57:06,069 --> 00:57:02,880

um such as like our migration patterns

1599

00:57:07,589 --> 00:57:06,079

where did we come from are we hybrids um

1600

00:57:08,710 --> 00:57:07,599

you know from these other beings which

1601
00:57:09,670 --> 00:57:08,720
is she says

1602
00:57:15,510 --> 00:57:09,680
um

1603
00:57:18,150 --> 00:57:15,520
project for a creator species or do they

1604
00:57:20,710 --> 00:57:18,160
want to evolve us into them

1605
00:57:22,309 --> 00:57:20,720
well what i believe this is personal

1606
00:57:24,710 --> 00:57:22,319
like belief

1607
00:57:27,750 --> 00:57:24,720
um what i believe

1608
00:57:30,789 --> 00:57:27,760
is that the creation stories in these

1609
00:57:33,349 --> 00:57:30,799
ancient texts whether it be genesis or

1610
00:57:35,430 --> 00:57:33,359
the sumerian creation story

1611
00:57:38,069 --> 00:57:35,440
what it involves is a divine being or

1612
00:57:39,270 --> 00:57:38,079
divine beings or

1613
00:57:41,430 --> 00:57:39,280

higher

1614

00:57:43,510 --> 00:57:41,440

intelligences

1615

00:57:45,109 --> 00:57:43,520

having some intervention in the way we

1616

00:57:48,390 --> 00:57:45,119

evolved

1617

00:57:50,710 --> 00:57:48,400

and so for whatever reason whether if

1618

00:57:53,430 --> 00:57:50,720

you believe in the sumerian story it's

1619

00:57:56,150 --> 00:57:53,440

because they needed workers

1620

00:57:59,109 --> 00:57:56,160

and so they found these primitive beings

1621

00:58:01,910 --> 00:57:59,119

on earth and said well let's

1622

00:58:03,829 --> 00:58:01,920

let's impart some of our dna into them

1623

00:58:05,190 --> 00:58:03,839

so that we can function with them and

1624

00:58:07,349 --> 00:58:05,200

talk to them and

1625

00:58:09,670 --> 00:58:07,359

you know they can do work for us

1626

00:58:12,950 --> 00:58:09,680

let's elevate their their uh

1627

00:58:15,510 --> 00:58:12,960

intelligence so they can do work for us

1628

00:58:17,430 --> 00:58:15,520

and perhaps you know there were another

1629

00:58:19,190 --> 00:58:17,440

faction of

1630

00:58:21,990 --> 00:58:19,200

these other beings

1631

00:58:24,549 --> 00:58:22,000

that wanted us to be become more

1632

00:58:26,150 --> 00:58:24,559

elevated you're not just workers what

1633

00:58:29,030 --> 00:58:26,160

you have in you

1634

00:58:30,309 --> 00:58:29,040

um is our

1635

00:58:32,470 --> 00:58:30,319

intelligence

1636

00:58:34,950 --> 00:58:32,480

and what you are a divine being just

1637

00:58:37,589 --> 00:58:34,960

like we are and you don't want to be

1638

00:58:38,470 --> 00:58:37,599

worshipped like this other faction of

1639

00:58:41,589 --> 00:58:38,480

ours

1640

00:58:43,430 --> 00:58:41,599

we want you to accelerate and realize

1641

00:58:45,910 --> 00:58:43,440

your full potential maybe that caused

1642

00:58:48,150 --> 00:58:45,920

the conflict way back when

1643

00:58:51,589 --> 00:58:48,160

and so that explains a lot of these

1644

00:58:53,670 --> 00:58:51,599

ancient uh stories these stories of wars

1645

00:58:56,390 --> 00:58:53,680

amongst the gods

1646

00:58:58,789 --> 00:58:56,400

the the battle between god and satan for

1647

00:59:00,549 --> 00:58:58,799

example could be an allegory of that

1648

00:59:02,150 --> 00:59:00,559

occurring

1649

00:59:06,390 --> 00:59:02,160

so

1650

00:59:06,400 --> 00:59:09,670

uh that um

1651
00:59:17,190 --> 00:59:13,670
we necessarily um are like beholden to

1652
00:59:19,430 --> 00:59:17,200
them i think they gave us the means

1653
00:59:22,390 --> 00:59:19,440
to realize our own

1654
00:59:25,510 --> 00:59:22,400
destiny our we have free will

1655
00:59:27,190 --> 00:59:25,520
and the fact that we don't need to be

1656
00:59:29,910 --> 00:59:27,200
subservient

1657
00:59:30,870 --> 00:59:29,920
um to break away from that

1658
00:59:33,510 --> 00:59:30,880
serbian

1659
00:59:35,349 --> 00:59:33,520
um and i i think that's key feature that

1660
00:59:38,230 --> 00:59:35,359
uh that occurred

1661
00:59:40,870 --> 00:59:38,240
but it got kind of muddied

1662
00:59:42,710 --> 00:59:40,880
you know that story i think there were

1663
00:59:44,309 --> 00:59:42,720

the ancient peoples

1664

00:59:46,549 --> 00:59:44,319

were more knowledgeable about their

1665

00:59:48,309 --> 00:59:46,559

origin than we are today

1666

00:59:49,990 --> 00:59:48,319

because what we know today has been

1667

00:59:52,630 --> 00:59:50,000

filtered by

1668

00:59:53,670 --> 00:59:52,640

uh western religion or religion in

1669

00:59:55,349 --> 00:59:53,680

general

1670

00:59:57,109 --> 00:59:55,359

trying to frame

1671

00:59:59,349 --> 00:59:57,119

a true story

1672

01:00:02,630 --> 00:59:59,359

uh amongst uh these

1673

01:00:05,349 --> 01:00:02,640

um other stories that they imposed

1674

01:00:07,829 --> 01:00:05,359

on us and so you know genesis they say

1675

01:00:09,190 --> 01:00:07,839

you know it's not that old it's a

1676

01:00:11,349 --> 01:00:09,200

retelling and a retelling and a

1677

01:00:12,230 --> 01:00:11,359

retelling and a retelling of an older

1678

01:00:14,470 --> 01:00:12,240

story

1679

01:00:16,069 --> 01:00:14,480

if you go back to the sumerian text

1680

01:00:18,069 --> 01:00:16,079

that might have been a retelling of a

1681

01:00:18,870 --> 01:00:18,079

more ancient story yeah and a lot of

1682

01:00:21,589 --> 01:00:18,880

people

1683

01:00:22,870 --> 01:00:21,599

have a lot of that and unfortunately the

1684

01:00:25,190 --> 01:00:22,880

library

1685

01:00:27,109 --> 01:00:25,200

in alexandria egypt so

1686

01:00:28,630 --> 01:00:27,119

what i hear it was the repository of the

1687

01:00:30,630 --> 01:00:28,640

world's knowledge

1688

01:00:32,150 --> 01:00:30,640

was burnt to the ground and we lost a

1689

01:00:34,230 --> 01:00:32,160

lot of knowledge

1690

01:00:36,789 --> 01:00:34,240

from that but it was preserved in the

1691

01:00:37,910 --> 01:00:36,799

mystery schools

1692

01:00:38,950 --> 01:00:37,920

that they

1693

01:00:41,190 --> 01:00:38,960

taught

1694

01:00:43,510 --> 01:00:41,200

to their followers

1695

01:00:44,549 --> 01:00:43,520

more of the real story maybe the scene

1696

01:00:46,789 --> 01:00:44,559

movement

1697

01:00:49,349 --> 01:00:46,799

was part of that where they taught the

1698

01:00:51,829 --> 01:00:49,359

real knowledge

1699

01:00:52,630 --> 01:00:51,839

of our potential

1700

01:00:55,190 --> 01:00:52,640

so

1701

01:00:57,109 --> 01:00:55,200

that's a long-winded answer but

1702

01:00:59,109 --> 01:00:57,119

i don't think it is i think that you

1703

01:01:01,349 --> 01:00:59,119

condensed all that nicely honestly when

1704

01:01:02,150 --> 01:01:01,359

people actually researched this

1705

01:01:03,750 --> 01:01:02,160

um

1706

01:01:05,829 --> 01:01:03,760

ancient civilizations and what they

1707

01:01:08,230 --> 01:01:05,839

actually knew there's things that were

1708

01:01:11,990 --> 01:01:08,240

written about in ancient samaria that

1709

01:01:14,309 --> 01:01:12,000

you know um how would they know that and

1710

01:01:17,030 --> 01:01:14,319

then we have if you take just the

1711

01:01:19,589 --> 01:01:17,040

sumerian creation story

1712

01:01:21,750 --> 01:01:19,599

it kind of is told that way in different

1713

01:01:24,710 --> 01:01:21,760

parts of the world too

1714

01:01:26,069 --> 01:01:24,720

so

1715

01:01:27,109 --> 01:01:26,079

why people

1716

01:01:29,109 --> 01:01:27,119

think that

1717

01:01:31,109 --> 01:01:29,119

two things are happening like you know

1718

01:01:32,789 --> 01:01:31,119

we may have forgotten about

1719

01:01:34,710 --> 01:01:32,799

you know some of the stuff we knew how

1720

01:01:37,510 --> 01:01:34,720

to do like some of the spirituality

1721

01:01:39,910 --> 01:01:37,520

stuff like what we are who we are

1722

01:01:41,510 --> 01:01:39,920

it's been polluted by

1723

01:01:43,270 --> 01:01:41,520

you know technologies with blessings

1724

01:01:45,190 --> 01:01:43,280

harry i'm talking to you and seeing all

1725

01:01:47,430 --> 01:01:45,200

these people interacting interacting

1726

01:01:49,030 --> 01:01:47,440

with all these like-minded people

1727

01:01:50,789 --> 01:01:49,040

but and you know we're able to get

1728

01:01:53,270 --> 01:01:50,799

information super fast and everything's

1729

01:01:54,470 --> 01:01:53,280

so fast but at the other end of it how

1730

01:01:56,630 --> 01:01:54,480

much of

1731

01:01:59,430 --> 01:01:56,640

technology is hindering us everything

1732

01:02:00,789 --> 01:01:59,440

from chemicals that are you know we

1733

01:02:03,589 --> 01:02:00,799

can't get rid of

1734

01:02:05,510 --> 01:02:03,599

that are in our drinking water to

1735

01:02:06,870 --> 01:02:05,520

different weird frequencies that maybe

1736

01:02:08,950 --> 01:02:06,880

the human

1737

01:02:11,109 --> 01:02:08,960

we're so sensitive to like almost like a

1738

01:02:11,990 --> 01:02:11,119

fluorescent lights you know what i mean

1739

01:02:13,270 --> 01:02:12,000

so

1740

01:02:15,349 --> 01:02:13,280

i just feel like

1741

01:02:17,750 --> 01:02:15,359

we knew so much

1742

01:02:20,069 --> 01:02:17,760

because we trusted you know

1743

01:02:21,670 --> 01:02:20,079

ourselves as divine beings and having a

1744

01:02:22,870 --> 01:02:21,680

connection to these creators and then

1745

01:02:24,789 --> 01:02:22,880

the whole

1746

01:02:25,910 --> 01:02:24,799

other like you said like you know the i

1747

01:02:27,349 --> 01:02:25,920

don't even know how to put it because

1748

01:02:29,109 --> 01:02:27,359

people are like well don't say negative

1749

01:02:31,270 --> 01:02:29,119

don't say bad i say naughty because it's

1750

01:02:33,190 --> 01:02:31,280

kind of like funny um the you know the

1751

01:02:35,910 --> 01:02:33,200

naughty beings came and wanted to take

1752

01:02:39,109 --> 01:02:35,920

control and that's unfortunately

1753

01:02:41,029 --> 01:02:39,119

sometimes the loudest strongest

1754

01:02:43,029 --> 01:02:41,039

message gets through even if it's not

1755

01:02:44,150 --> 01:02:43,039

the right one and you know so the

1756

01:02:45,349 --> 01:02:44,160

control

1757

01:02:49,270 --> 01:02:45,359

the um

1758

01:02:50,870 --> 01:02:49,280

the the separation between the human and

1759

01:02:53,190 --> 01:02:50,880

its source

1760

01:02:55,270 --> 01:02:53,200

which isn't real there's no separation

1761

01:02:56,150 --> 01:02:55,280

there's no middlemen you know

1762

01:02:58,630 --> 01:02:56,160

so

1763

01:03:00,069 --> 01:02:58,640

it's it's just strange that we're people

1764

01:03:01,270 --> 01:03:00,079

are starting to you know people say it

1765

01:03:03,589 --> 01:03:01,280

all the time they're starting to wake up

1766

01:03:04,630 --> 01:03:03,599

we're starting to wake up so

1767

01:03:06,789 --> 01:03:04,640

so yeah

1768

01:03:08,470 --> 01:03:06,799

it's uh it's interesting to look back

1769

01:03:10,549 --> 01:03:08,480

and like you said the uh you see lamb

1770

01:03:12,950 --> 01:03:10,559

james says the 70 scene mirrors you know

1771

01:03:16,309 --> 01:03:12,960

it's knowledge it's knowledge that

1772

01:03:17,829 --> 01:03:16,319

people think is just a story

1773

01:03:19,510 --> 01:03:17,839

my goodness like years and years from

1774

01:03:21,430 --> 01:03:19,520

now if we don't get our heads out of our

1775

01:03:23,510 --> 01:03:21,440

rears we're going to think

1776

01:03:24,950 --> 01:03:23,520

kim kardashian's story is going to be

1777

01:03:26,390 --> 01:03:24,960

legend and lore

1778

01:03:29,430 --> 01:03:26,400

and they're like there was this one

1779

01:03:32,950 --> 01:03:29,440

goddess that ruled the planet

1780

01:03:34,870 --> 01:03:32,960

and her name was priscilla oh gosh

1781

01:03:37,109 --> 01:03:34,880

but uh yeah you make a great point

1782

01:03:39,190 --> 01:03:37,119

priscilla um

1783

01:03:43,029 --> 01:03:39,200

gosh it's uh we forgot more than we

1784

01:03:45,990 --> 01:03:43,039

remember and i'm kind of hoping that

1785

01:03:47,829 --> 01:03:46,000

their appearance now

1786

01:03:50,789 --> 01:03:47,839

is at a precipice when

1787

01:03:52,789 --> 01:03:50,799

we finally can destroy ourselves with

1788

01:03:54,390 --> 01:03:52,799

that technology

1789

01:03:56,549 --> 01:03:54,400

that we have

1790

01:03:59,670 --> 01:03:56,559

discovered the secret

1791

01:04:01,510 --> 01:03:59,680

of the atom which was theorized by the

1792

01:04:04,150 --> 01:04:01,520

greeks before they even knew there was

1793

01:04:05,750 --> 01:04:04,160

such a thing as atoms

1794

01:04:07,510 --> 01:04:05,760

i wish i could be a fly on the wall in

1795

01:04:09,589 --> 01:04:07,520

ancient greece just listening to those

1796

01:04:10,870 --> 01:04:09,599

guys talk you know all the

1797

01:04:13,589 --> 01:04:10,880

um

1798

01:04:15,349 --> 01:04:13,599

yeah philosophers and scientists how do

1799

01:04:17,670 --> 01:04:15,359

they know do you know what i mean

1800

01:04:21,029 --> 01:04:17,680

exactly and so what do we do with this

1801

01:04:23,829 --> 01:04:21,039

technology we weaponized it

1802

01:04:25,670 --> 01:04:23,839

and created a destructive force and we

1803

01:04:27,190 --> 01:04:25,680

still have that destructive force

1804

01:04:29,510 --> 01:04:27,200

everywhere

1805

01:04:31,670 --> 01:04:29,520

and so the potential especially now with

1806

01:04:34,230 --> 01:04:31,680

the tensions in the world

1807

01:04:36,630 --> 01:04:34,240

but not to get political but gosh darn

1808

01:04:40,150 --> 01:04:36,640

we're in a political world trust me you

1809

01:04:41,910 --> 01:04:40,160

know yeah sending troops um to europe to

1810

01:04:44,069 --> 01:04:41,920

stage them in case

1811

01:04:45,750 --> 01:04:44,079

as a counter to russian troops on the

1812

01:04:48,470 --> 01:04:45,760

ukraine border i mean that

1813

01:04:49,990 --> 01:04:48,480

i've seen that happen so many times as a

1814

01:04:52,549 --> 01:04:50,000

run-up to

1815

01:04:54,630 --> 01:04:52,559

conflict by the united states where we

1816

01:04:57,029 --> 01:04:54,640

didn't intend that conflict but

1817

01:04:59,510 --> 01:04:57,039

because of what we did it led to it so

1818

01:05:00,549 --> 01:04:59,520

it's this big huge game of risk that

1819

01:05:03,109 --> 01:05:00,559

they're playing

1820

01:05:05,910 --> 01:05:03,119

with dice but um the policymakers should

1821

01:05:07,349 --> 01:05:05,920

realize when they play this game of risk

1822

01:05:11,349 --> 01:05:07,359

that

1823

01:05:12,390 --> 01:05:11,359

decisions they make they should realize

1824

01:05:14,630 --> 01:05:12,400

that you know

1825

01:05:18,309 --> 01:05:14,640

they should have

1826

01:05:23,109 --> 01:05:20,710

the world's uh uh

1827

01:05:24,870 --> 01:05:23,119

benefit at in their mind that what

1828

01:05:26,309 --> 01:05:24,880

they're doing could have an unattended

1829

01:05:28,150 --> 01:05:26,319

impact so that's what we're really

1830

01:05:29,430 --> 01:05:28,160

seeing that far though people don't

1831

01:05:31,750 --> 01:05:29,440

think that far

1832

01:05:32,789 --> 01:05:31,760

well it's really amazing because uh cia

1833

01:05:33,990 --> 01:05:32,799

reporting

1834

01:05:35,430 --> 01:05:34,000

um

1835

01:05:38,150 --> 01:05:35,440

actually

1836

01:05:39,910 --> 01:05:38,160

provides policymakers with many policy

1837

01:05:41,510 --> 01:05:39,920

decisions they can take they're called

1838

01:05:43,670 --> 01:05:41,520

policy levers

1839

01:05:46,390 --> 01:05:43,680

and every time they pull the lever

1840

01:05:47,750 --> 01:05:46,400

um we we tell them you know based on

1841

01:05:49,670 --> 01:05:47,760

best analysis

1842

01:05:52,470 --> 01:05:49,680

of all the information we have these are

1843

01:05:54,470 --> 01:05:52,480

the intended consequences and unintended

1844

01:05:56,230 --> 01:05:54,480

consequences of doing that

1845

01:05:57,750 --> 01:05:56,240

so can you live with the unintended

1846

01:06:00,309 --> 01:05:57,760

consequences

1847

01:06:01,910 --> 01:06:00,319

decision a b c and d so we don't tell

1848

01:06:04,309 --> 01:06:01,920

them which one to pull

1849

01:06:06,069 --> 01:06:04,319

we leave that up to the policy makers

1850

01:06:08,069 --> 01:06:06,079

and i tell people if you don't like what

1851

01:06:10,390 --> 01:06:08,079

cia is doing and there's always this

1852

01:06:12,710 --> 01:06:10,400

this story backstory about

1853

01:06:14,549 --> 01:06:12,720

how evil we are and what we did to the

1854

01:06:16,710 --> 01:06:14,559

world and all of that a lot of that

1855

01:06:18,390 --> 01:06:16,720

happened it goes backwards like doing

1856

01:06:20,950 --> 01:06:18,400

your job almost

1857

01:06:22,789 --> 01:06:20,960

well what i tell them is that if you

1858

01:06:25,589 --> 01:06:22,799

didn't like what cia did or you don't

1859

01:06:27,349 --> 01:06:25,599

like what cia is doing now

1860

01:06:28,870 --> 01:06:27,359

who's in charge who's sitting in the

1861

01:06:30,829 --> 01:06:28,880

white house

1862

01:06:34,150 --> 01:06:30,839

we work for the president of the united

1863

01:06:36,150 --> 01:06:34,160

states whoever he or she might be

1864

01:06:38,069 --> 01:06:36,160

the president of the united states is

1865

01:06:39,829 --> 01:06:38,079

our customer

1866

01:06:43,109 --> 01:06:39,839

and we provide the president with the

1867

01:06:45,829 --> 01:06:43,119

best intelligence that we can

1868

01:06:47,750 --> 01:06:45,839

provide at the time and the billions of

1869

01:06:50,470 --> 01:06:47,760

dollars we spent

1870

01:06:52,390 --> 01:06:50,480

upwards of 90 billion dollars

1871

01:06:53,589 --> 01:06:52,400

to provide this intelligence with

1872

01:06:55,349 --> 01:06:53,599

everything that we do in the

1873

01:06:57,109 --> 01:06:55,359

intelligence community

1874

01:06:59,190 --> 01:06:57,119

and so

1875

01:07:01,910 --> 01:06:59,200

here are the decisions that you can make

1876
01:07:03,270 --> 01:07:01,920
you know right make good use of what we

1877
01:07:04,390 --> 01:07:03,280
invested in

1878
01:07:06,390 --> 01:07:04,400
and so if you don't like what we're

1879
01:07:07,270 --> 01:07:06,400
doing look at who's sitting in the oval

1880
01:07:08,870 --> 01:07:07,280
office

1881
01:07:10,470 --> 01:07:08,880
that's the reason

1882
01:07:13,190 --> 01:07:10,480
and a lot of people do think that you

1883
01:07:15,109 --> 01:07:13,200
know i think more people are

1884
01:07:18,069 --> 01:07:15,119
are super quick to blame whoever's in

1885
01:07:20,470 --> 01:07:18,079
office um but in our community

1886
01:07:22,630 --> 01:07:20,480
there's so much um

1887
01:07:25,190 --> 01:07:22,640
you know people don't trust the cia and

1888
01:07:27,910 --> 01:07:25,200

i try to look at it you know

1889

01:07:29,430 --> 01:07:27,920

like outside of myself sometimes and

1890

01:07:31,109 --> 01:07:29,440

just say like

1891

01:07:32,309 --> 01:07:31,119

like everybody is doing what they're

1892

01:07:34,950 --> 01:07:32,319

told to do and when you're in the

1893

01:07:37,750 --> 01:07:34,960

military or when you're in the cia

1894

01:07:39,750 --> 01:07:37,760

um you just you're trained to do your

1895

01:07:41,910 --> 01:07:39,760

job and even if it's going to upset

1896

01:07:43,430 --> 01:07:41,920

people or like your job is just to not

1897

01:07:45,430 --> 01:07:43,440

say anything

1898

01:07:47,589 --> 01:07:45,440

even if you know like it's a technology

1899

01:07:49,910 --> 01:07:47,599

you learned something that could benefit

1900

01:07:51,270 --> 01:07:49,920

the world first of all who would listen

1901

01:07:53,750 --> 01:07:51,280

because the people that are talking to

1902

01:07:56,069 --> 01:07:53,760

the ca look at the scrutiny you've had

1903

01:07:58,470 --> 01:07:56,079

you know what i mean like so say some ca

1904

01:07:59,829 --> 01:07:58,480

comes out cia guy comes out says there's

1905

01:08:02,950 --> 01:07:59,839

free energy and this is how it works

1906

01:08:06,230 --> 01:08:02,960

people are still not gonna believe it so

1907

01:08:08,549 --> 01:08:06,240

um it's a tough thing to

1908

01:08:10,630 --> 01:08:08,559

i can't you can't blame any one agency i

1909

01:08:11,750 --> 01:08:10,640

don't think you know what i mean because

1910

01:08:12,950 --> 01:08:11,760

everybody's kind of hoarding their

1911

01:08:14,470 --> 01:08:12,960

information to begin with it's a

1912

01:08:16,309 --> 01:08:14,480

collective thing that needs to happen

1913

01:08:18,470 --> 01:08:16,319

the sharing of information

1914

01:08:20,390 --> 01:08:18,480

and you even mention this in your slides

1915

01:08:21,590 --> 01:08:20,400

with like the whole 9 11 situation like

1916

01:08:23,430 --> 01:08:21,600

that could have been you know the

1917

01:08:25,669 --> 01:08:23,440

sharing of information has only heard

1918

01:08:28,309 --> 01:08:25,679

the not the lack of sharing information

1919

01:08:29,349 --> 01:08:28,319

has only hurt us as a country and as a

1920

01:08:31,269 --> 01:08:29,359

world

1921

01:08:32,390 --> 01:08:31,279

but you're right we used some of this

1922

01:08:34,390 --> 01:08:32,400

knowledge

1923

01:08:36,149 --> 01:08:34,400

to hurt others and

1924

01:08:37,669 --> 01:08:36,159

and i just i can't i can't remember

1925

01:08:39,110 --> 01:08:37,679

learning about how we were just throwing

1926
01:08:40,870 --> 01:08:39,120
nukes up in space and throwing them in

1927
01:08:41,749 --> 01:08:40,880
the water you know um

1928
01:08:43,749 --> 01:08:41,759
and

1929
01:08:45,110 --> 01:08:43,759
that's the water it's the ocean like i

1930
01:08:46,709 --> 01:08:45,120
remember thinking like how can you do

1931
01:08:47,829 --> 01:08:46,719
that it's the ocean

1932
01:08:48,709 --> 01:08:47,839
like

1933
01:08:50,870 --> 01:08:48,719
you're just

1934
01:08:52,870 --> 01:08:50,880
setting nukes off in the ocean like we

1935
01:08:54,950 --> 01:08:52,880
know energy

1936
01:08:56,709 --> 01:08:54,960
cannot be created it just goes somewhere

1937
01:08:58,950 --> 01:08:56,719
else so why are we doing this especially

1938
01:09:00,550 --> 01:08:58,960

with radioactive energy like that that

1939

01:09:02,229 --> 01:09:00,560

we don't even know the effects of some

1940

01:09:04,470 --> 01:09:02,239

of it

1941

01:09:05,510 --> 01:09:04,480

so um of course james has another great

1942

01:09:06,870 --> 01:09:05,520

question and i mean that in a good way

1943

01:09:09,669 --> 01:09:06,880

james said it wasn't like oh my god jane

1944

01:09:11,829 --> 01:09:09,679

yeah i mean it in a good way um has john

1945

01:09:14,470 --> 01:09:11,839

ever been initiated into any of the

1946

01:09:17,269 --> 01:09:14,480

mystery schools or did he do work with

1947

01:09:19,590 --> 01:09:17,279

merkaba or flower of life work

1948

01:09:21,030 --> 01:09:19,600

no i have not uh been initiating into

1949

01:09:24,630 --> 01:09:21,040

the mystery schools what i know about

1950

01:09:25,510 --> 01:09:24,640

the uh merkaba or merkabah uh was from

1951

01:09:27,829 --> 01:09:25,520

um

1952

01:09:30,550 --> 01:09:27,839

my light workers

1953

01:09:31,510 --> 01:09:30,560

and working with them and so

1954

01:09:32,470 --> 01:09:31,520

um

1955

01:09:38,390 --> 01:09:32,480

i've

1956

01:09:40,309 --> 01:09:38,400

i do i

1957

01:09:41,749 --> 01:09:40,319

i he used to live in sedona arizona i

1958

01:09:43,189 --> 01:09:41,759

don't know if he's still there oh my

1959

01:09:45,430 --> 01:09:43,199

gosh i would love it

1960

01:09:47,590 --> 01:09:45,440

oh my gosh because i put that in a slide

1961

01:09:49,349 --> 01:09:47,600

he wrote he wrote a book living in the

1962

01:09:51,110 --> 01:09:49,359

heart was it living in the heart i

1963

01:09:53,590 --> 01:09:51,120

forget the title

1964

01:09:55,510 --> 01:09:53,600

uh shame on me what's in my slide you

1965

01:09:57,350 --> 01:09:55,520

just need to make a reading list for

1966

01:09:59,910 --> 01:09:57,360

yeah for all of us weirdos

1967

01:10:02,709 --> 01:09:59,920

and uh you know he he wrote about this

1968

01:10:05,110 --> 01:10:02,719

air force major telling him that

1969

01:10:08,470 --> 01:10:05,120

the air force satellites can see the

1970

01:10:09,430 --> 01:10:08,480

mccoffee field being generated by humans

1971

01:10:11,510 --> 01:10:09,440

and they were

1972

01:10:13,110 --> 01:10:11,520

worried about it but then they realized

1973

01:10:14,790 --> 01:10:13,120

it was just part of this greater

1974

01:10:16,709 --> 01:10:14,800

consciousness higher consciousness

1975

01:10:18,470 --> 01:10:16,719

taking over the earth

1976

01:10:21,590 --> 01:10:18,480

and that to me is a profound statement

1977

01:10:23,590 --> 01:10:21,600

from an air force officer right and i i

1978

01:10:25,669 --> 01:10:23,600

wish i could talk to him more about it

1979

01:10:28,229 --> 01:10:25,679

who how did he meet the air force

1980

01:10:31,030 --> 01:10:28,239

officer or how the air force officer

1981

01:10:32,790 --> 01:10:31,040

contacted him and what scenario that uh

1982

01:10:34,229 --> 01:10:32,800

he had this conversation

1983

01:10:36,550 --> 01:10:34,239

uh but things like that are hard to

1984

01:10:38,149 --> 01:10:36,560

prove and you know i mean oh yeah it's

1985

01:10:39,910 --> 01:10:38,159

like nobody wants to listen without the

1986

01:10:41,750 --> 01:10:39,920

proof you have to you have to have an

1987

01:10:44,550 --> 01:10:41,760

experience and even when you have the

1988

01:10:45,830 --> 01:10:44,560

experience it's like what is wrong with

1989

01:10:47,270 --> 01:10:45,840

me what just happened like you

1990

01:10:49,350 --> 01:10:47,280

automatically start doubting yourself

1991

01:10:53,030 --> 01:10:49,360

when you experience something

1992

01:10:54,070 --> 01:10:53,040

um extreme or different or paranormal um

1993

01:10:56,310 --> 01:10:54,080

so

1994

01:10:58,550 --> 01:10:56,320

yeah i feel like people are just i think

1995

01:11:01,430 --> 01:10:58,560

the people limit themselves you know um

1996

01:11:03,189 --> 01:11:01,440

when they only think one way but

1997

01:11:04,470 --> 01:11:03,199

um i'm willing to listen to people's

1998

01:11:07,510 --> 01:11:04,480

proof and i'm willing to listen to

1999

01:11:09,350 --> 01:11:07,520

people's you know

2000

01:11:11,990 --> 01:11:09,360

spirituality or

2001

01:11:13,750 --> 01:11:12,000

occult studies anything really i just i

2002

01:11:14,630 --> 01:11:13,760

find it all interesting

2003

01:11:16,470 --> 01:11:14,640

um

2004

01:11:19,270 --> 01:11:16,480

that we have all these like

2005

01:11:22,229 --> 01:11:19,280

energetic things happening um but that

2006

01:11:23,350 --> 01:11:22,239

brings me to a question uh the orbs and

2007

01:11:25,270 --> 01:11:23,360

don't worry everybody i'm gonna take the

2008

01:11:27,110 --> 01:11:25,280

last couple of minutes for questions

2009

01:11:28,630 --> 01:11:27,120

because i see eve has another question

2010

01:11:29,910 --> 01:11:28,640

um but it's going to take us another

2011

01:11:31,510 --> 01:11:29,920

direction so i'm going to ask this first

2012

01:11:33,110 --> 01:11:31,520

and then i'll get to your question

2013

01:11:35,430 --> 01:11:33,120

um

2014

01:11:37,830 --> 01:11:35,440

the orbs you've mentioned the orbs and

2015

01:11:38,790 --> 01:11:37,840

i've wondered about them because so many

2016

01:11:40,390 --> 01:11:38,800

people

2017

01:11:41,590 --> 01:11:40,400

have experienced

2018

01:11:43,510 --> 01:11:41,600

orbs

2019

01:11:45,830 --> 01:11:43,520

and some people

2020

01:11:46,870 --> 01:11:45,840

claim to have like interacted with the

2021

01:11:48,229 --> 01:11:46,880

orb

2022

01:11:51,189 --> 01:11:48,239

and then

2023

01:11:52,709 --> 01:11:51,199

being shown who's inside of it

2024

01:11:54,950 --> 01:11:52,719

or what's inside of it i think it's a

2025

01:11:56,790 --> 01:11:54,960

who but you know um

2026

01:11:58,630 --> 01:11:56,800

that's up to whatever people i don't

2027

01:12:00,870 --> 01:11:58,640

know if they identify as a who or maybe

2028

01:12:03,189 --> 01:12:00,880

they're above the whole i identify as

2029

01:12:04,709 --> 01:12:03,199

this and that but uh yeah so what what

2030

01:12:06,390 --> 01:12:04,719

is up with the orbs what do you think is

2031

01:12:08,390 --> 01:12:06,400

happening and why do people see that i

2032

01:12:10,790 --> 01:12:08,400

feel like people see that more

2033

01:12:12,870 --> 01:12:10,800

than um you know like the metallic ships

2034

01:12:15,510 --> 01:12:12,880

or even like tic tac cigar like people

2035

01:12:17,750 --> 01:12:15,520

see these orbs during the day time

2036

01:12:19,830 --> 01:12:17,760

sometimes people are filming

2037

01:12:21,990 --> 01:12:19,840

um like i remember one day i did a

2038

01:12:23,830 --> 01:12:22,000

meditation to initiate contact and i was

2039

01:12:26,310 --> 01:12:23,840

i had my little iphone up to the sky and

2040

01:12:28,950 --> 01:12:26,320

i was looking at my ipad up and i was i

2041

01:12:30,229 --> 01:12:28,960

could see something moving around but i

2042

01:12:31,750 --> 01:12:30,239

couldn't see with my eyes but i could

2043

01:12:34,070 --> 01:12:31,760

see it in the screen and sometimes it's

2044

01:12:36,310 --> 01:12:34,080

vice versa so what what are the what do

2045

01:12:39,030 --> 01:12:36,320

you think the orbs are doing what are

2046

01:12:41,590 --> 01:12:39,040

they here for or what is their purpose

2047

01:12:43,669 --> 01:12:41,600

or have you had any experience with them

2048

01:12:45,830 --> 01:12:43,679

yes i have personal experiences with

2049

01:12:47,830 --> 01:12:45,840

them let me start with the professional

2050

01:12:50,149 --> 01:12:47,840

experience

2051

01:12:54,070 --> 01:12:50,159

we detected orbs

2052

01:12:57,270 --> 01:12:54,080

from space

2053

01:12:59,189 --> 01:12:57,280

from some of our nro platforms we had

2054

01:13:00,310 --> 01:12:59,199

sensors that can look into the infrared

2055

01:13:02,390 --> 01:13:00,320

region

2056

01:13:04,550 --> 01:13:02,400

and these sensors originally rode on

2057

01:13:07,189 --> 01:13:04,560

another type of satellite that didn't

2058

01:13:09,669 --> 01:13:07,199

collect this type of infrared but when

2059

01:13:11,830 --> 01:13:09,679

we build a satellite uh real briefly i

2060

01:13:14,149 --> 01:13:11,840

won't get too much into the details but

2061

01:13:16,630 --> 01:13:14,159

when we build a satellite uh we build it

2062

01:13:19,350 --> 01:13:16,640

for a certain purpose and it might be

2063

01:13:21,910 --> 01:13:19,360

more space on that satellite to put

2064

01:13:24,310 --> 01:13:21,920

other capabilities and as long as we can

2065

01:13:26,630 --> 01:13:24,320

provide power and space

2066

01:13:28,870 --> 01:13:26,640

for that other capability that paid load

2067

01:13:30,310 --> 01:13:28,880

might be inserted into the satellite

2068

01:13:31,830 --> 01:13:30,320

which is doing something else as a

2069

01:13:33,270 --> 01:13:31,840

primary mission and this could be a

2070

01:13:36,070 --> 01:13:33,280

secondary mission so one of those

2071

01:13:37,510 --> 01:13:36,080

satellites actually detected uh this

2072

01:13:43,110 --> 01:13:37,520

light energy

2073

01:13:45,990 --> 01:13:43,120

it you know the first thing that comes

2074

01:13:47,590 --> 01:13:46,000

to mind is that okay something is broke

2075

01:13:49,669 --> 01:13:47,600

because what is this

2076

01:13:51,590 --> 01:13:49,679

um and so that's what's launched an

2077

01:13:53,189 --> 01:13:51,600

investigation into it and when we

2078

01:13:55,110 --> 01:13:53,199

actually built

2079

01:13:56,229 --> 01:13:55,120

a satellite with where the primary

2080

01:14:00,310 --> 01:13:56,239

mission

2081

01:14:02,870 --> 01:14:00,320

was um infrared electro-optical infrared

2082

01:14:05,430 --> 01:14:02,880

and i can now say this because the 60th

2083

01:14:08,470 --> 01:14:05,440

anniversary in a row brochure said yes

2084

01:14:11,590 --> 01:14:08,480

we have a kh-11 kenan and yes it's an

2085

01:14:13,189 --> 01:14:11,600

electro optical satellite that we fly in

2086

01:14:14,390 --> 01:14:13,199

oral flies okay

2087

01:14:16,390 --> 01:14:14,400

so that

2088

01:14:17,510 --> 01:14:16,400

type of platform

2089

01:14:20,070 --> 01:14:17,520

um

2090

01:14:21,750 --> 01:14:20,080

is more of a scientific collector it can

2091

01:14:24,950 --> 01:14:21,760

actually measure

2092

01:14:26,550 --> 01:14:24,960

energies radiance and other capabilities

2093

01:14:28,950 --> 01:14:26,560

more technically about the orbs so

2094

01:14:31,430 --> 01:14:28,960

they're they're basically energy

2095

01:14:34,550 --> 01:14:31,440

they're just energy um as far as seeing

2096

01:14:36,149 --> 01:14:34,560

anything into them um i don't remember

2097

01:14:37,830 --> 01:14:36,159

that anyone said oh my gosh there's

2098

01:14:39,510 --> 01:14:37,840

something inside these orbs right it's

2099

01:14:42,229 --> 01:14:39,520

just laws of energy

2100

01:14:44,870 --> 01:14:42,239

spheres of energy that tend to like form

2101

01:14:46,229 --> 01:14:44,880

and form uh form together like in a

2102

01:14:47,030 --> 01:14:46,239

formation

2103

01:14:49,430 --> 01:14:47,040

of

2104

01:14:51,030 --> 01:14:49,440

going to some place with intent

2105

01:14:52,070 --> 01:14:51,040

so you would think they're intelligently

2106

01:14:53,750 --> 01:14:52,080

controlled

2107

01:14:55,910 --> 01:14:53,760

right so that's from the technical side

2108

01:14:58,070 --> 01:14:55,920

now from the personal experience side

2109

01:15:00,709 --> 01:14:58,080

people have seen things in these orbs

2110

01:15:03,110 --> 01:15:00,719

when they come close to them

2111

01:15:06,149 --> 01:15:03,120

my understanding is that

2112

01:15:08,709 --> 01:15:06,159

i think chris bledsoe maybe his son ryan

2113

01:15:10,950 --> 01:15:08,719

they saw one of their pet dogs who was

2114

01:15:12,790 --> 01:15:10,960

deceased and the org

2115

01:15:15,189 --> 01:15:12,800

now does that mean that the orb is the

2116

01:15:17,590 --> 01:15:15,199

manifestation of the dog's spirit

2117

01:15:19,030 --> 01:15:17,600

or is it because the orb wants to

2118

01:15:21,030 --> 01:15:19,040

communicate with you

2119

01:15:23,030 --> 01:15:21,040

right knows

2120

01:15:25,669 --> 01:15:23,040

it knows what you're thinking about or

2121

01:15:27,110 --> 01:15:25,679

what's on your mind and it reflects back

2122

01:15:28,790 --> 01:15:27,120

yeah like i'm a friend your dog was a

2123

01:15:30,229 --> 01:15:28,800

friend i'm a friend you know like

2124

01:15:31,750 --> 01:15:30,239

something like that it's a way of

2125

01:15:35,270 --> 01:15:31,760

communicating

2126
01:15:37,189 --> 01:15:35,280
um and so that's my personal belief i've

2127
01:15:39,910 --> 01:15:37,199
not seen an orb close up

2128
01:15:42,630 --> 01:15:39,920
right and prior to going to sedona

2129
01:15:44,950 --> 01:15:42,640
arizona with melinda leslie and her ufo

2130
01:15:47,910 --> 01:15:44,960
sighting tour i've only seen like two

2131
01:15:50,709 --> 01:15:47,920
orbs in my life other than the one ice

2132
01:15:52,630 --> 01:15:50,719
was presented to me professionally

2133
01:15:55,510 --> 01:15:52,640
so there's two personal orbs in my life

2134
01:15:57,830 --> 01:15:55,520
in it uh the first case it was uh from

2135
01:15:59,990 --> 01:15:57,840
an airplane where the pilot reported to

2136
01:16:01,669 --> 01:16:00,000
the ground that there's this

2137
01:16:03,830 --> 01:16:01,679
orange sphere

2138
01:16:05,030 --> 01:16:03,840

coming across in front of his flight

2139

01:16:07,590 --> 01:16:05,040

path

2140

01:16:09,270 --> 01:16:07,600

going from his uh left side to the right

2141

01:16:11,830 --> 01:16:09,280

side i was sitting on the right side of

2142

01:16:14,390 --> 01:16:11,840

the plane i was monitoring um channel

2143

01:16:16,390 --> 01:16:14,400

one united airlines they used to before

2144

01:16:18,149 --> 01:16:16,400

9 11 allow you to hear the

2145

01:16:19,030 --> 01:16:18,159

communications between the cockpit and

2146

01:16:20,950 --> 01:16:19,040

the ground

2147

01:16:22,229 --> 01:16:20,960

airflow

2148

01:16:23,350 --> 01:16:22,239

so

2149

01:16:25,350 --> 01:16:23,360

i opened

2150

01:16:27,510 --> 01:16:25,360

up my screen i think maybe it was

2151
01:16:28,709 --> 01:16:27,520
already open and there it was an orange

2152
01:16:31,030 --> 01:16:28,719
orb

2153
01:16:33,510 --> 01:16:31,040
and it it kept pace with us it didn't

2154
01:16:35,830 --> 01:16:33,520
just zoom away it kept pace with us

2155
01:16:38,390 --> 01:16:35,840
and then it slowly receded away and it

2156
01:16:40,470 --> 01:16:38,400
wasn't like it was shiny or right it

2157
01:16:42,630 --> 01:16:40,480
wasn't like it was like a flame or

2158
01:16:43,910 --> 01:16:42,640
anything it was just like

2159
01:16:46,070 --> 01:16:43,920
someone

2160
01:16:48,790 --> 01:16:46,080
went to michael's and got orange

2161
01:16:50,790 --> 01:16:48,800
construction paper very very bright

2162
01:16:53,430 --> 01:16:50,800
and cut out a circle you know it was

2163
01:16:55,590 --> 01:16:53,440

just there it wasn't like flashing it so

2164

01:16:58,390 --> 01:16:55,600

i know it's not an afterburner

2165

01:17:00,630 --> 01:16:58,400

of his aircraft or anything like that

2166

01:17:03,030 --> 01:17:00,640

um and so happened the synchronicity

2167

01:17:05,590 --> 01:17:03,040

with this i was sitting next to

2168

01:17:07,990 --> 01:17:05,600

my colleague a cia officer we paid for

2169

01:17:10,630 --> 01:17:08,000

our own ticket

2170

01:17:13,430 --> 01:17:10,640

on the plane uh own hotel rooms and

2171

01:17:15,270 --> 01:17:13,440

conference fees to go to ufo conference

2172

01:17:16,870 --> 01:17:15,280

in irvine california

2173

01:17:20,709 --> 01:17:16,880

so i was going to a ufo conference and

2174

01:17:22,950 --> 01:17:20,719

here i see this high corb yeah um and so

2175

01:17:25,510 --> 01:17:22,960

that was the synchronicity and i didn't

2176
01:17:27,189 --> 01:17:25,520
get any message from it you know other

2177
01:17:29,990 --> 01:17:27,199
than wow that's that's one of those

2178
01:17:31,189 --> 01:17:30,000
things there it is yeah um and he was

2179
01:17:32,870 --> 01:17:31,199
asleep

2180
01:17:35,350 --> 01:17:32,880
so i didn't have a witness there but i

2181
01:17:37,350 --> 01:17:35,360
have the pilot um

2182
01:17:39,669 --> 01:17:37,360
and the second orb i saw was at a

2183
01:17:41,270 --> 01:17:39,679
distance uh over the santa catalina

2184
01:17:43,030 --> 01:17:41,280
mountains here in tucson

2185
01:17:45,030 --> 01:17:43,040
where we did this

2186
01:17:48,070 --> 01:17:45,040
ce6

2187
01:17:49,270 --> 01:17:48,080
meditation with mark sims he uses radios

2188
01:17:52,149 --> 01:17:49,280

to send

2189

01:17:52,950 --> 01:17:52,159
a signal out yeah and then

2190

01:17:55,030 --> 01:17:52,960
he

2191

01:17:56,950 --> 01:17:55,040
uh tones hu

2192

01:17:59,750 --> 01:17:56,960
who or hugh

2193

01:18:01,430 --> 01:17:59,760
and a few minutes later looking up both

2194

01:18:04,149 --> 01:18:01,440
my wife and i saw this

2195

01:18:05,910 --> 01:18:04,159
i saw it straight ahead and she saw it

2196

01:18:08,709 --> 01:18:05,920
to her right

2197

01:18:10,950 --> 01:18:08,719
side so she saw something but she should

2198

01:18:12,950 --> 01:18:10,960
have seen it to her left because she's

2199

01:18:15,350 --> 01:18:12,960
seated oh

2200

01:18:17,030 --> 01:18:15,360
on my right and so if she was looking at

2201

01:18:18,310 --> 01:18:17,040

it she would have seen it

2202

01:18:20,310 --> 01:18:18,320

that's the thing

2203

01:18:22,149 --> 01:18:20,320

but she didn't see that and i saw it and

2204

01:18:27,030 --> 01:18:22,159

that's when i got the message

2205

01:18:27,910 --> 01:18:27,040

on july 14 2020 which was my birthday um

2206

01:18:29,669 --> 01:18:27,920

that

2207

01:18:31,350 --> 01:18:29,679

i have information to share and it's

2208

01:18:33,030 --> 01:18:31,360

time for you to share it

2209

01:18:35,430 --> 01:18:33,040

and you need to help someone there's

2210

01:18:36,950 --> 01:18:35,440

someone out there who's searching for

2211

01:18:38,630 --> 01:18:36,960

your help

2212

01:18:40,630 --> 01:18:38,640

and uh so

2213

01:18:41,350 --> 01:18:40,640

here i am sharing my experiences with

2214

01:18:42,550 --> 01:18:41,360

you

2215

01:18:45,270 --> 01:18:42,560

um

2216

01:18:46,390 --> 01:18:45,280

with everyone who tunes in to uh my

2217

01:18:49,110 --> 01:18:46,400

interviews

2218

01:18:50,790 --> 01:18:49,120

um and i have met the person that i was

2219

01:18:53,750 --> 01:18:50,800

supposed to work with oh wow working

2220

01:18:55,669 --> 01:18:53,760

with with him now just

2221

01:18:58,550 --> 01:18:55,679

sharing experiences

2222

01:19:01,030 --> 01:18:58,560

and that's that's what i love doing more

2223

01:19:03,110 --> 01:19:01,040

than like talking about

2224

01:19:04,550 --> 01:19:03,120

craft and bodies yeah

2225

01:19:06,870 --> 01:19:04,560

there's people working on that there's

2226

01:19:08,310 --> 01:19:06,880

people working on that there's you know

2227

01:19:09,590 --> 01:19:08,320

we've got an office now like people are

2228

01:19:11,110 --> 01:19:09,600

going to work on that you know we've got

2229

01:19:12,149 --> 01:19:11,120

telescopes crazy telescopes going on

2230

01:19:13,430 --> 01:19:12,159

right

2231

01:19:14,950 --> 01:19:13,440

no one serves people we need to take

2232

01:19:17,750 --> 01:19:14,960

care of the human we need to take care

2233

01:19:19,270 --> 01:19:17,760

of exactly you know our fellow humans

2234

01:19:20,709 --> 01:19:19,280

and i think people like us like we could

2235

01:19:22,149 --> 01:19:20,719

go that route especially you like i'm

2236

01:19:24,229 --> 01:19:22,159

sure you know so much that you know

2237

01:19:27,110 --> 01:19:24,239

you're not you can't even talk about so

2238

01:19:29,189 --> 01:19:27,120

but at the same time like is all the

2239

01:19:31,030 --> 01:19:29,199

knowledge in the world gonna help if

2240

01:19:32,630 --> 01:19:31,040

you're just collecting

2241

01:19:34,470 --> 01:19:32,640

materials without understanding it or

2242

01:19:36,790 --> 01:19:34,480

understanding the why behind it there's

2243

01:19:39,110 --> 01:19:36,800

people doing that so i'm glad that

2244

01:19:40,709 --> 01:19:39,120

you're comfortable with um

2245

01:19:42,550 --> 01:19:40,719

just putting your message out there and

2246

01:19:43,830 --> 01:19:42,560

then being there for other people as

2247

01:19:45,669 --> 01:19:43,840

well and i'm glad that you found that

2248

01:19:47,590 --> 01:19:45,679

person that's amazing yeah and that's

2249

01:19:49,270 --> 01:19:47,600

what i want to do i mean um there would

2250

01:19:50,950 --> 01:19:49,280

be a time when i would love to stop

2251
01:19:53,270 --> 01:19:50,960
talking about what we're talking about

2252
01:19:54,070 --> 01:19:53,280
and just helping people

2253
01:19:56,149 --> 01:19:54,080
and

2254
01:19:57,990 --> 01:19:56,159
helping them find resources because i

2255
01:20:00,870 --> 01:19:58,000
know some people have some disturbing

2256
01:20:02,550 --> 01:20:00,880
aspects to the phenomenon and

2257
01:20:03,590 --> 01:20:02,560
they're seeking answers and i'm not a

2258
01:20:06,229 --> 01:20:03,600
therapist

2259
01:20:09,110 --> 01:20:06,239
but i can direct them to resources

2260
01:20:10,229 --> 01:20:09,120
right um and so i i like doing that type

2261
01:20:12,629 --> 01:20:10,239
of work

2262
01:20:15,110 --> 01:20:12,639
more so than just you know i don't care

2263
01:20:16,390 --> 01:20:15,120

how they fly or who's driving them as

2264

01:20:18,390 --> 01:20:16,400

much

2265

01:20:19,750 --> 01:20:18,400

i do care why they're here and what the

2266

01:20:22,390 --> 01:20:19,760

message is

2267

01:20:25,510 --> 01:20:22,400

to us and it seems more like

2268

01:20:28,149 --> 01:20:25,520

the need to be better custody custodians

2269

01:20:30,070 --> 01:20:28,159

of this planet because it is highly

2270

01:20:31,270 --> 01:20:30,080

fragile and we can destroy it in a

2271

01:20:33,910 --> 01:20:31,280

heartbeat

2272

01:20:36,550 --> 01:20:33,920

by making the wrong human decision you

2273

01:20:38,550 --> 01:20:36,560

know and so to me that's more important

2274

01:20:40,229 --> 01:20:38,560

than the nuts i

2275

01:20:41,990 --> 01:20:40,239

well i'll use the word nuts and bolts

2276

01:20:45,430 --> 01:20:42,000

you know they don't have nuts and bolts

2277

01:20:49,510 --> 01:20:45,440

um of the appearance to us so

2278

01:20:53,910 --> 01:20:52,070

their lives are transformed in some way

2279

01:20:55,750 --> 01:20:53,920

and mostly positive

2280

01:20:58,310 --> 01:20:55,760

that when people see orbs you know they

2281

01:21:00,390 --> 01:20:58,320

all suddenly become interested in this

2282

01:21:02,390 --> 01:21:00,400

entire phenomenon and try to seek

2283

01:21:03,510 --> 01:21:02,400

meaning personal meaning for their own

2284

01:21:05,350 --> 01:21:03,520

lives

2285

01:21:07,669 --> 01:21:05,360

but they're in a situation family

2286

01:21:10,229 --> 01:21:07,679

friends or work where they can't share

2287

01:21:13,430 --> 01:21:10,239

it it it really tears at them

2288

01:21:15,990 --> 01:21:13,440

and so i i i would like to i think what

2289

01:21:21,189 --> 01:21:18,390

stuart and jay are doing with the

2290

01:21:24,149 --> 01:21:21,199

experiences group is valuable they need

2291

01:21:27,030 --> 01:21:24,159

to be more experiences groups out there

2292

01:21:29,270 --> 01:21:27,040

who are welcoming and not judgmental but

2293

01:21:31,669 --> 01:21:29,280

sharing what our experiences are like

2294

01:21:33,990 --> 01:21:31,679

whether they may be good or bad

2295

01:21:36,070 --> 01:21:34,000

um people need to talk about this

2296

01:21:38,709 --> 01:21:36,080

absolutely like you said let let the

2297

01:21:40,790 --> 01:21:38,719

scientists and physicists do their thing

2298

01:21:42,550 --> 01:21:40,800

yeah but for us

2299

01:21:43,990 --> 01:21:42,560

yeah we need to talk

2300

01:21:45,590 --> 01:21:44,000

absolutely

2301
01:21:47,750 --> 01:21:45,600
and sometimes that's all people need is

2302
01:21:49,270 --> 01:21:47,760
to just talk about it you know um just

2303
01:21:50,950 --> 01:21:49,280
hearing what you said right now i was

2304
01:21:52,870 --> 01:21:50,960
like oh crap i'm gonna start crying

2305
01:21:54,310 --> 01:21:52,880
because it's it's real like um i try to

2306
01:21:56,870 --> 01:21:54,320
explain to people like when i saw those

2307
01:21:59,030 --> 01:21:56,880
orbs when i was young um they were

2308
01:22:01,350 --> 01:21:59,040
sentient they were giving me a vibe and

2309
01:22:03,270 --> 01:22:01,360
from that point on i was a weirdo and i

2310
01:22:05,189 --> 01:22:03,280
researched every religion since once i

2311
01:22:07,110 --> 01:22:05,199
started being able to read

2312
01:22:08,950 --> 01:22:07,120
my every book i could find anything

2313
01:22:11,990 --> 01:22:08,960

anybody i could ask you know every all

2314

01:22:13,590 --> 01:22:12,000

of it and um already having you know a

2315

01:22:15,750 --> 01:22:13,600

paranormal activity in the house because

2316

01:22:17,750 --> 01:22:15,760

my grandma being a medium

2317

01:22:19,750 --> 01:22:17,760

was like i was already open to that

2318

01:22:22,790 --> 01:22:19,760

world and i was very aware of angels and

2319

01:22:26,070 --> 01:22:22,800

demons and spirits but this was

2320

01:22:27,189 --> 01:22:26,080

something else it was that um

2321

01:22:28,870 --> 01:22:27,199

it was a

2322

01:22:32,149 --> 01:22:28,880

like it opened my mind in a different

2323

01:22:33,189 --> 01:22:32,159

way like how can you ever see anything

2324

01:22:34,550 --> 01:22:33,199

as

2325

01:22:36,470 --> 01:22:34,560

mundane

2326

01:22:38,390 --> 01:22:36,480

as some people see it

2327

01:22:40,950 --> 01:22:38,400

um ever again so

2328

01:22:42,950 --> 01:22:40,960

it does change people's lives um

2329

01:22:44,470 --> 01:22:42,960

so we're coming up on the hour and a

2330

01:22:46,950 --> 01:22:44,480

half do you have time for a couple of

2331

01:22:48,310 --> 01:22:46,960

questions sure absolutely i'm here

2332

01:22:50,870 --> 01:22:48,320

whenever

2333

01:22:53,830 --> 01:22:50,880

awesome awesome

2334

01:22:56,629 --> 01:22:53,840

so this is from eve clancy she says has

2335

01:22:57,510 --> 01:22:56,639

john heard what ross cultart has said

2336

01:23:00,310 --> 01:22:57,520

about

2337

01:23:03,189 --> 01:23:00,320

what high us officials have told him

2338

01:23:06,550 --> 01:23:03,199

about et's being from the future and

2339

01:23:09,270 --> 01:23:06,560

does he have an opinion about that i

2340

01:23:10,390 --> 01:23:09,280

have heard that story in fact not

2341

01:23:12,629 --> 01:23:10,400

officially

2342

01:23:15,110 --> 01:23:12,639

but just through my own research and

2343

01:23:16,550 --> 01:23:15,120

trying to put the answer together for

2344

01:23:20,310 --> 01:23:16,560

myself

2345

01:23:22,629 --> 01:23:20,320

that they could be um

2346

01:23:24,310 --> 01:23:22,639

manifestations of either us from the

2347

01:23:25,270 --> 01:23:24,320

future or

2348

01:23:30,070 --> 01:23:25,280

um

2349

01:23:31,510 --> 01:23:30,080

an intelligence who are who's able to

2350

01:23:34,790 --> 01:23:31,520

uh tran

2351

01:23:36,550 --> 01:23:34,800

transverse the temporal plane

2352

01:23:38,870 --> 01:23:36,560

and when you you just can't go through

2353

01:23:40,709 --> 01:23:38,880

time without affecting space

2354

01:23:43,590 --> 01:23:40,719

right and when you affect time and space

2355

01:23:46,709 --> 01:23:43,600

the the way you bend time and space is

2356

01:23:49,990 --> 01:23:46,719

not anti-gravity but lots of gravity

2357

01:23:53,189 --> 01:23:50,000

when you have like a highly dense

2358

01:23:54,229 --> 01:23:53,199

singularity of gravity of mass

2359

01:23:57,270 --> 01:23:54,239

you know

2360

01:23:58,550 --> 01:23:57,280

all of a sudden space and time gets bent

2361

01:24:00,950 --> 01:23:58,560

and so

2362

01:24:03,590 --> 01:24:00,960

some aspects of people encountering

2363

01:24:06,550 --> 01:24:03,600

these craft

2364

01:24:09,590 --> 01:24:06,560

involves like a time displacement yes

2365

01:24:11,910 --> 01:24:09,600

they're missing time and it could be a

2366

01:24:13,990 --> 01:24:11,920

and i'm not a physicist by any means i'm

2367

01:24:15,350 --> 01:24:14,000

political scientist

2368

01:24:17,590 --> 01:24:15,360

but

2369

01:24:19,590 --> 01:24:17,600

it could be a manifestation of some type

2370

01:24:21,750 --> 01:24:19,600

of propulsion system that does the

2371

01:24:24,149 --> 01:24:21,760

bending of time and space

2372

01:24:26,229 --> 01:24:24,159

uh to be here and so

2373

01:24:28,629 --> 01:24:26,239

um

2374

01:24:31,990 --> 01:24:28,639

i've not heard from any us government

2375

01:24:34,470 --> 01:24:32,000

official about the time aspect

2376

01:24:37,750 --> 01:24:34,480

but i'm if they are studying that that

2377

01:24:38,870 --> 01:24:37,760

just tells you something that

2378

01:24:42,950 --> 01:24:38,880

nothing

2379

01:24:46,149 --> 01:24:42,960

table they are

2380

01:24:47,510 --> 01:24:46,159

looking at every possibility to explain

2381

01:24:50,070 --> 01:24:47,520

the phenomenon

2382

01:24:52,629 --> 01:24:50,080

so to the government nothing is

2383

01:24:55,510 --> 01:24:52,639

outrageously no impossible

2384

01:24:57,669 --> 01:24:55,520

it's their job to look at the impossible

2385

01:24:58,950 --> 01:24:57,679

to see if there's any possibilities in

2386

01:25:01,830 --> 01:24:58,960

that

2387

01:25:05,430 --> 01:25:01,840

um so no i haven't i haven't personally

2388

01:25:07,270 --> 01:25:05,440

heard that and i'm so i'm the worst read

2389

01:25:09,750 --> 01:25:07,280

person in ufology

2390

01:25:11,590 --> 01:25:09,760

i have not read ross's book

2391

01:25:13,669 --> 01:25:11,600

i need to do that i'm working on another

2392

01:25:16,470 --> 01:25:13,679

book now by

2393

01:25:19,030 --> 01:25:16,480

jason reza giorgiani he wrote a book

2394

01:25:21,350 --> 01:25:19,040

called closer encounters

2395

01:25:23,910 --> 01:25:21,360

and he was trying to put together

2396

01:25:26,470 --> 01:25:23,920

uh the entire story and i believe he was

2397

01:25:28,629 --> 01:25:26,480

interviewed by nickianna jones

2398

01:25:30,390 --> 01:25:28,639

several times to try to explain what he

2399

01:25:32,629 --> 01:25:30,400

believed was happening

2400

01:25:35,110 --> 01:25:32,639

and all these possibilities are valid to

2401
01:25:37,270 --> 01:25:35,120
me because no one has the real answer

2402
01:25:38,870 --> 01:25:37,280
absolutely and jim simivan himself said

2403
01:25:40,709 --> 01:25:38,880
hey you know we don't have the real

2404
01:25:43,270 --> 01:25:40,719
answer we got a lot of answers and some

2405
01:25:45,510 --> 01:25:43,280
of them are classified but you know the

2406
01:25:47,189 --> 01:25:45,520
full the full breadth of the phenomenon

2407
01:25:49,270 --> 01:25:47,199
includes

2408
01:25:50,550 --> 01:25:49,280
the uh disturbing aspects like at

2409
01:25:52,709 --> 01:25:50,560
skinwalker

2410
01:25:55,830 --> 01:25:52,719
the astral celestial aspects of

2411
01:25:58,390 --> 01:25:55,840
palladians and upturns and lions and

2412
01:25:59,510 --> 01:25:58,400
then there's like the nordics who are

2413
01:26:03,189 --> 01:25:59,520

like us

2414

01:26:05,030 --> 01:26:03,199

yeah and other corporeal beings like um

2415

01:26:07,030 --> 01:26:05,040

like anjali uh

2416

01:26:09,590 --> 01:26:07,040

uh has encounters with

2417

01:26:11,750 --> 01:26:09,600

the the mantis i've had encounters with

2418

01:26:14,070 --> 01:26:11,760

more of the what i call sarian or

2419

01:26:16,470 --> 01:26:14,080

reptilian type beings so there's there's

2420

01:26:18,470 --> 01:26:16,480

a full gamut of the experience

2421

01:26:19,910 --> 01:26:18,480

yeah that needs to be looked at

2422

01:26:22,070 --> 01:26:19,920

yeah and i only made that face because

2423

01:26:23,590 --> 01:26:22,080

the mantid thing always like weirds me

2424

01:26:25,910 --> 01:26:23,600

out um

2425

01:26:26,790 --> 01:26:25,920

because i've seen a hologram the first

2426

01:26:29,830 --> 01:26:26,800

like

2427

01:26:31,110 --> 01:26:29,840

awake sighting of a being that i had was

2428

01:26:33,430 --> 01:26:31,120

of this

2429

01:26:34,870 --> 01:26:33,440

mantid looking head i didn't notice the

2430

01:26:37,669 --> 01:26:34,880

body because i was just like zeroed in

2431

01:26:40,310 --> 01:26:37,679

on the face um but it almost looked like

2432

01:26:42,070 --> 01:26:40,320

a hologram so i'm like

2433

01:26:43,430 --> 01:26:42,080

did it send me one of its holograms or

2434

01:26:45,510 --> 01:26:43,440

did it not want to come visit in person

2435

01:26:47,189 --> 01:26:45,520

like is that what it is does it look

2436

01:26:48,390 --> 01:26:47,199

like that is it like some sort of weird

2437

01:26:51,110 --> 01:26:48,400

light being that looks like a hologram

2438

01:26:53,510 --> 01:26:51,120

to me and then it you know is physical

2439

01:26:55,590 --> 01:26:53,520

to some people and not to others so

2440

01:26:57,030 --> 01:26:55,600

i just don't understand the whole mantis

2441

01:26:59,910 --> 01:26:57,040

uh

2442

01:27:03,189 --> 01:26:59,920

um thing you know um

2443

01:27:07,750 --> 01:27:05,030

now this is an interesting

2444

01:27:10,229 --> 01:27:07,760

question um when you guys meet people

2445

01:27:12,950 --> 01:27:10,239

can you tell if they are experiencers

2446

01:27:15,669 --> 01:27:12,960

without being told they are experiencers

2447

01:27:18,790 --> 01:27:15,679

i definitely notice like like when i

2448

01:27:20,950 --> 01:27:18,800

meet somebody that's an experiencer um i

2449

01:27:23,110 --> 01:27:20,960

automatically get along with them but

2450

01:27:25,030 --> 01:27:23,120

because of the open-mindedness that

2451

01:27:26,870 --> 01:27:25,040

experiencers have but i'm not going to

2452

01:27:28,709 --> 01:27:26,880

be like oh wow you like to study ancient

2453

01:27:30,470 --> 01:27:28,719

religions too have you ever been

2454

01:27:31,669 --> 01:27:30,480

abducted like you know

2455

01:27:33,590 --> 01:27:31,679

i don't know

2456

01:27:36,229 --> 01:27:33,600

i know that they've had experiences with

2457

01:27:38,470 --> 01:27:36,239

other beings and to me

2458

01:27:40,390 --> 01:27:38,480

um when when people start talking about

2459

01:27:41,990 --> 01:27:40,400

spirit guides and um light beings and

2460

01:27:43,270 --> 01:27:42,000

all that stuff i'm like

2461

01:27:45,270 --> 01:27:43,280

you've probably been abducted like in my

2462

01:27:47,590 --> 01:27:45,280

head you know like you've probably

2463

01:27:48,950 --> 01:27:47,600

so um but what about you do you kind of

2464

01:27:50,870 --> 01:27:48,960

get like a little ping when you meet

2465

01:27:53,270 --> 01:27:50,880

another experiencer

2466

01:27:54,310 --> 01:27:53,280

i get um what i call

2467

01:27:56,709 --> 01:27:54,320

um

2468

01:27:58,390 --> 01:27:56,719

i feel like an aura of energy around me

2469

01:27:59,910 --> 01:27:58,400

not with experiences but with light

2470

01:28:02,310 --> 01:27:59,920

workers

2471

01:28:04,870 --> 01:28:02,320

so if i know someone is a light worker i

2472

01:28:05,990 --> 01:28:04,880

know it because i have this feeling of

2473

01:28:08,629 --> 01:28:06,000

this

2474

01:28:11,270 --> 01:28:08,639

are around me and an r around them

2475

01:28:13,189 --> 01:28:11,280

and i feel an instant infinite affinity

2476

01:28:15,669 --> 01:28:13,199

yes to that person

2477

01:28:17,750 --> 01:28:15,679

um i've not had that with experiences

2478

01:28:18,629 --> 01:28:17,760

per se

2479

01:28:20,950 --> 01:28:18,639

okay

2480

01:28:23,750 --> 01:28:20,960

and i feel that yeah yeah but in the

2481

01:28:24,870 --> 01:28:23,760

communities where i meet experiencers

2482

01:28:26,070 --> 01:28:24,880

um

2483

01:28:28,790 --> 01:28:26,080

for example

2484

01:28:31,350 --> 01:28:28,800

i was a member of cosmic empowerment a

2485

01:28:33,270 --> 01:28:31,360

meet up in charlotte north carolina

2486

01:28:35,350 --> 01:28:33,280

and uh i was a member of that and there

2487

01:28:37,430 --> 01:28:35,360

were experiences there i just knew there

2488

01:28:39,669 --> 01:28:37,440

were experiencers i mean you don't go to

2489

01:28:41,510 --> 01:28:39,679

something like cosmic empowerment

2490

01:28:43,189 --> 01:28:41,520

and talk about this phenomenon without

2491

01:28:44,709 --> 01:28:43,199

you know bringing something of that

2492

01:28:46,310 --> 01:28:44,719

experience with you and so i knew there

2493

01:28:47,590 --> 01:28:46,320

were experiences there

2494

01:28:49,590 --> 01:28:47,600

but what i

2495

01:28:52,149 --> 01:28:49,600

felt were the two light workers that

2496

01:28:54,390 --> 01:28:52,159

were there i knew exactly who they were

2497

01:28:55,990 --> 01:28:54,400

oh wow and uh i i mentioned that they

2498

01:28:56,870 --> 01:28:56,000

were light workers they were surprised

2499

01:28:59,189 --> 01:28:56,880

and

2500

01:29:00,790 --> 01:28:59,199

that makes sense

2501
01:29:03,510 --> 01:29:00,800
because people ask me if i can see auras

2502
01:29:05,750 --> 01:29:03,520
i'm like i get like um

2503
01:29:07,910 --> 01:29:05,760
like i know what color their aura is or

2504
01:29:09,510 --> 01:29:07,920
i know what they're always saying or

2505
01:29:12,790 --> 01:29:09,520
what it and what it's

2506
01:29:14,310 --> 01:29:12,800
like it's like uh i know what it's i

2507
01:29:16,470 --> 01:29:14,320
can't i don't it's not saying anything

2508
01:29:19,189 --> 01:29:16,480
obviously but i just know what it means

2509
01:29:21,830 --> 01:29:19,199
um and i'll get like a a color will pop

2510
01:29:24,550 --> 01:29:21,840
into my head but i don't see them like

2511
01:29:25,830 --> 01:29:24,560
visually but with other healers and

2512
01:29:26,790 --> 01:29:25,840
light workers

2513
01:29:28,390 --> 01:29:26,800

i see

2514

01:29:30,950 --> 01:29:28,400

like a white thing around them and like

2515

01:29:33,590 --> 01:29:30,960

you said an instant affinity for them

2516

01:29:35,270 --> 01:29:33,600

like you meet somebody else that you

2517

01:29:37,510 --> 01:29:35,280

know they're a healer whether they're an

2518

01:29:39,110 --> 01:29:37,520

experencer or not they've experienced

2519

01:29:40,950 --> 01:29:39,120

something they're a healer and you're

2520

01:29:43,350 --> 01:29:40,960

like i just love this person like i

2521

01:29:45,189 --> 01:29:43,360

don't know why but i just automatically

2522

01:29:47,270 --> 01:29:45,199

have this like respect and love for this

2523

01:29:49,669 --> 01:29:47,280

person so i hope that answers your

2524

01:29:54,870 --> 01:29:53,669

uh walker sorry i forgot sorry i was i

2525

01:29:56,070 --> 01:29:54,880

was reading another one and trying to

2526

01:29:58,070 --> 01:29:56,080

talk so

2527

01:30:00,550 --> 01:29:58,080

um

2528

01:30:01,990 --> 01:30:00,560

another question from rachel says and

2529

01:30:04,310 --> 01:30:02,000

welcome back rachel thank you so much

2530

01:30:06,070 --> 01:30:04,320

for you know coming again

2531

01:30:08,070 --> 01:30:06,080

question for john what are john's

2532

01:30:10,229 --> 01:30:08,080

thoughts about the bledsoe encounters

2533

01:30:12,950 --> 01:30:10,239

more specifically is he familiar with

2534

01:30:15,350 --> 01:30:12,960

the lady and the healing techniques

2535

01:30:16,470 --> 01:30:15,360

using frequencies

2536

01:30:18,229 --> 01:30:16,480

so i am

2537

01:30:21,350 --> 01:30:18,239

i am familiar with the encounters with a

2538

01:30:23,590 --> 01:30:21,360

lady my wife had an encounter

2539

01:30:25,669 --> 01:30:23,600

she was not the white lady but a lady in

2540

01:30:28,070 --> 01:30:25,679

blue the blue lady

2541

01:30:29,910 --> 01:30:28,080

and a co-worker of mine at cia had

2542

01:30:31,990 --> 01:30:29,920

several encounters with a white lady his

2543

01:30:33,510 --> 01:30:32,000

name is michael he let me use his name

2544

01:30:35,270 --> 01:30:33,520

he's retired now

2545

01:30:37,750 --> 01:30:35,280

and he's an experienter and he

2546

01:30:40,790 --> 01:30:37,760

experienced uh the white lady much like

2547

01:30:43,669 --> 01:30:40,800

the blessos experience the white lady

2548

01:30:45,910 --> 01:30:43,679

and there was a message conveyed to him

2549

01:30:47,669 --> 01:30:45,920

um and the message was

2550

01:30:48,550 --> 01:30:47,679

um

2551

01:30:51,270 --> 01:30:48,560

uh

2552

01:30:53,430 --> 01:30:51,280

it wasn't like a cataclysm but something

2553

01:30:57,030 --> 01:30:53,440

profound might be occurring

2554

01:30:58,790 --> 01:30:57,040

and he had the date 2026

2555

01:31:00,709 --> 01:30:58,800

um that something profound might be

2556

01:31:02,790 --> 01:31:00,719

occurring in 2026 so it will cause a

2557

01:31:05,510 --> 01:31:02,800

shift

2558

01:31:07,910 --> 01:31:05,520

in our uh in our world

2559

01:31:10,070 --> 01:31:07,920

it's not like a physical you know

2560

01:31:12,149 --> 01:31:10,080

magnetic pole shift but a shift in

2561

01:31:13,669 --> 01:31:12,159

consciousness a higher it's an upgrade

2562

01:31:14,870 --> 01:31:13,679

for all of us to go to higher

2563

01:31:16,629 --> 01:31:14,880

consciousness

2564

01:31:19,030 --> 01:31:16,639

and that some folks

2565

01:31:20,870 --> 01:31:19,040

may be left behind but not separated

2566

01:31:23,189 --> 01:31:20,880

it's not like the rapture

2567

01:31:24,709 --> 01:31:23,199

uh yeah christian theology is that like

2568

01:31:26,310 --> 01:31:24,719

we'll be on this world and all of a

2569

01:31:28,390 --> 01:31:26,320

sudden we realize

2570

01:31:30,790 --> 01:31:28,400

um that hey this is the world i've

2571

01:31:32,950 --> 01:31:30,800

always wanted it's so lovely here it's

2572

01:31:35,189 --> 01:31:32,960

it's full of peace now full of love

2573

01:31:36,070 --> 01:31:35,199

all these conflicts have been

2574

01:31:38,709 --> 01:31:36,080

like

2575

01:31:40,550 --> 01:31:38,719

have passed away and the other world

2576

01:31:42,229 --> 01:31:40,560

will still be in what we're experiencing

2577

01:31:45,270 --> 01:31:42,239

now

2578

01:31:46,629 --> 01:31:45,280

turmoil and conflict um like that and

2579

01:31:48,550 --> 01:31:46,639

that that

2580

01:31:50,070 --> 01:31:48,560

they wouldn't know that they shifted and

2581

01:31:52,149 --> 01:31:50,080

and we would feel like this was just a

2582

01:31:53,590 --> 01:31:52,159

natural progression yeah um that's the

2583

01:31:56,709 --> 01:31:53,600

message he got

2584

01:31:58,390 --> 01:31:56,719

um that makes sense there's a path there

2585

01:32:01,590 --> 01:31:58,400

going both ways i didn't get the first

2586

01:32:04,790 --> 01:32:01,600

part of that question but i answered the

2587

01:32:06,149 --> 01:32:04,800

i think it was about bledsoe um yes oh

2588

01:32:07,189 --> 01:32:06,159

yes thank you

2589

01:32:08,629 --> 01:32:07,199

what are your thoughts about the blood

2590

01:32:11,270 --> 01:32:08,639

zone well uh

2591

01:32:13,270 --> 01:32:11,280

i was offered to uh be introduced to the

2592

01:32:15,110 --> 01:32:13,280

bledsoes uh

2593

01:32:16,790 --> 01:32:15,120

through um

2594

01:32:18,870 --> 01:32:16,800

the person we know in common and that's

2595

01:32:21,990 --> 01:32:18,880

jim semivan

2596

01:32:24,310 --> 01:32:22,000

but uh i i would love to talk to them um

2597

01:32:25,990 --> 01:32:24,320

but i've not met them

2598

01:32:27,910 --> 01:32:26,000

yeah they seem very interesting i love

2599

01:32:30,070 --> 01:32:27,920

their um i love their podcasts like

2600

01:32:31,910 --> 01:32:30,080

they're funny but then they talk about

2601
01:32:32,870 --> 01:32:31,920
serious things and make light humor of

2602
01:32:35,270 --> 01:32:32,880
it and

2603
01:32:36,870 --> 01:32:35,280
just the whole story about it um

2604
01:32:38,950 --> 01:32:36,880
just their story is just very

2605
01:32:41,430 --> 01:32:38,960
interesting and compelling because the

2606
01:32:42,629 --> 01:32:41,440
way it's happened to like the whole

2607
01:32:44,870 --> 01:32:42,639
family and that's that's another

2608
01:32:47,189 --> 01:32:44,880
commonality too that i you know with

2609
01:32:48,950 --> 01:32:47,199
experiencers i wish my grandma was still

2610
01:32:51,270 --> 01:32:48,960
alive because with all her

2611
01:32:52,709 --> 01:32:51,280
um experiences with the spirit world i

2612
01:32:54,550 --> 01:32:52,719
want to ask her

2613
01:32:56,070 --> 01:32:54,560

you know um

2614

01:32:57,990 --> 01:32:56,080

have you ever seen

2615

01:33:01,110 --> 01:32:58,000

you know like the ufo question

2616

01:33:02,390 --> 01:33:01,120

but when i saw mine um my when i had my

2617

01:33:04,229 --> 01:33:02,400

experience

2618

01:33:05,270 --> 01:33:04,239

and i came back and told my grandpa he

2619

01:33:07,430 --> 01:33:05,280

was just like you're not supposed to be

2620

01:33:08,870 --> 01:33:07,440

outside like he totally ignored

2621

01:33:10,229 --> 01:33:08,880

like he thought he was he was gonna get

2622

01:33:11,350 --> 01:33:10,239

in trouble because he was the one

2623

01:33:12,629 --> 01:33:11,360

sleeping on the couch that shouldn't

2624

01:33:14,070 --> 01:33:12,639

should have heard me sneaking out to go

2625

01:33:15,669 --> 01:33:14,080

outside to look at this guy

2626

01:33:17,350 --> 01:33:15,679

so um he thought he was gonna get in

2627

01:33:19,510 --> 01:33:17,360

trouble and it was like basically didn't

2628

01:33:21,270 --> 01:33:19,520

listen to anything i said

2629

01:33:24,229 --> 01:33:21,280

um

2630

01:33:25,830 --> 01:33:24,239

yeah it seems like uh i i like that so

2631

01:33:27,669 --> 01:33:25,840

many people have questions different

2632

01:33:28,790 --> 01:33:27,679

questions tonight for you

2633

01:33:31,350 --> 01:33:28,800

um

2634

01:33:33,110 --> 01:33:31,360

because it kind of is like uh

2635

01:33:36,390 --> 01:33:33,120

it's letting i feel like it's not so

2636

01:33:38,310 --> 01:33:36,400

like rigid like you know um as some

2637

01:33:39,110 --> 01:33:38,320

other questions people have had

2638

01:33:42,229 --> 01:33:39,120

so

2639

01:33:43,990 --> 01:33:42,239

um this is one about your decor

2640

01:33:46,870 --> 01:33:44,000

so so we've talked about everything

2641

01:33:49,510 --> 01:33:46,880

tonight guys from the cure in 80s music

2642

01:33:54,629 --> 01:33:52,629

his his decorations uh

2643

01:33:56,470 --> 01:33:54,639

is there any significance about the wolf

2644

01:33:58,229 --> 01:33:56,480

over your shoulder um

2645

01:34:00,229 --> 01:33:58,239

in your on your wall

2646

01:34:03,990 --> 01:34:00,239

well they're uh in south uh in the

2647

01:34:05,510 --> 01:34:04,000

southwest especially in uh arizona uh

2648

01:34:08,149 --> 01:34:05,520

southern arizona

2649

01:34:10,790 --> 01:34:08,159

we have coyotes and that is a coyote

2650

01:34:12,229 --> 01:34:10,800

and when you see coyotes at night

2651
01:34:14,390 --> 01:34:12,239
first of all if you see a cowardly a

2652
01:34:16,470 --> 01:34:14,400
night i wouldn't go there

2653
01:34:19,270 --> 01:34:16,480
but coyotes are known to

2654
01:34:21,910 --> 01:34:19,280
arch their necks up toward the sky and

2655
01:34:23,270 --> 01:34:21,920
howl or yep they actually yip oh yeah

2656
01:34:24,950 --> 01:34:23,280
it's super weird yeah when you're first

2657
01:34:26,870 --> 01:34:24,960
here as you know

2658
01:34:29,030 --> 01:34:26,880
having lived in arizona

2659
01:34:30,790 --> 01:34:29,040
so that is a coyote and it's just one of

2660
01:34:33,110 --> 01:34:30,800
the decorative things we have the other

2661
01:34:35,750 --> 01:34:33,120
is cocopelli you probably have seen

2662
01:34:38,550 --> 01:34:35,760
coca-pellis around it's uh oh my gosh

2663
01:34:41,030 --> 01:34:38,560

coca-cola is everywhere yeah out there

2664

01:34:43,350 --> 01:34:41,040

playing a flute um with an arch back

2665

01:34:46,870 --> 01:34:43,360

playing a flute yeah and it's part of

2666

01:34:48,390 --> 01:34:46,880

the hopi culture cocopeli having led the

2667

01:34:50,950 --> 01:34:48,400

hopi people

2668

01:34:53,030 --> 01:34:50,960

um to their home

2669

01:34:55,350 --> 01:34:53,040

it's interesting they followed cocopelli

2670

01:34:57,590 --> 01:34:55,360

and his flute playing it's

2671

01:35:00,149 --> 01:34:57,600

it's uh i guess i

2672

01:35:01,910 --> 01:35:00,159

i it's sort of like the pie piper in a

2673

01:35:03,669 --> 01:35:01,920

way you know

2674

01:35:04,790 --> 01:35:03,679

that uh it's part of their culture

2675

01:35:06,709 --> 01:35:04,800

there's a lot of stories like that

2676
01:35:08,950 --> 01:35:06,719
though a native tradition like my dad's

2677
01:35:11,430 --> 01:35:08,960
uh the tribe in arizona called odom

2678
01:35:14,550 --> 01:35:11,440
there's a being called iatoy and he

2679
01:35:16,550 --> 01:35:14,560
led people out of the sacred mountain

2680
01:35:19,189 --> 01:35:16,560
and that's where we came from basically

2681
01:35:22,870 --> 01:35:19,199
out of the earth tonight

2682
01:35:25,910 --> 01:35:22,880
i have a story about that real quick um

2683
01:35:28,070 --> 01:35:25,920
so one one of my beliefs um that i've

2684
01:35:30,390 --> 01:35:28,080
been researching was atlantis and the

2685
01:35:32,390 --> 01:35:30,400
other was another

2686
01:35:35,030 --> 01:35:32,400
uh civilization co-existing with

2687
01:35:37,510 --> 01:35:35,040
atlantis called lumeria yes whereas

2688
01:35:38,790 --> 01:35:37,520

atlanteans seem to have been very rigid

2689

01:35:39,830 --> 01:35:38,800

in their

2690

01:35:42,390 --> 01:35:39,840

outlook

2691

01:35:44,470 --> 01:35:42,400

they're not militaristic but very rigid

2692

01:35:46,950 --> 01:35:44,480

um not very flexible in their outlook

2693

01:35:49,510 --> 01:35:46,960

they were highly technological

2694

01:35:51,350 --> 01:35:49,520

and the lumerians were more like more

2695

01:35:53,830 --> 01:35:51,360

spiritual i have heard this the

2696

01:35:56,550 --> 01:35:53,840

atlanteans were a patriarchal society

2697

01:35:57,990 --> 01:35:56,560

lumerians were matriarchal

2698

01:36:01,750 --> 01:35:58,000

and that

2699

01:36:03,590 --> 01:36:01,760

and come out through qhht sessions

2700

01:36:05,510 --> 01:36:03,600

by various practitioners that seems to

2701
01:36:07,510 --> 01:36:05,520
be a common story

2702
01:36:09,350 --> 01:36:07,520
about the lumerians having something

2703
01:36:11,430 --> 01:36:09,360
called the red crystal

2704
01:36:12,790 --> 01:36:11,440
that had healing properties and the

2705
01:36:15,189 --> 01:36:12,800
atlanteans

2706
01:36:18,070 --> 01:36:15,199
having some kind of virus

2707
01:36:20,229 --> 01:36:18,080
and they wanted to get this crystal

2708
01:36:22,229 --> 01:36:20,239
and in order to get the crystal the

2709
01:36:25,189 --> 01:36:22,239
atlanteans then

2710
01:36:27,030 --> 01:36:25,199
practically like destroyed the lumerians

2711
01:36:29,990 --> 01:36:27,040
and the lumerians had to

2712
01:36:32,229 --> 01:36:30,000
like hide from the atlanteans

2713
01:36:34,310 --> 01:36:32,239

um and the atlanteans later

2714

01:36:36,229 --> 01:36:34,320

you know um

2715

01:36:37,669 --> 01:36:36,239

evolved into

2716

01:36:43,189 --> 01:36:37,679

like um

2717

01:36:45,750 --> 01:36:43,199

like a rigid patriarchal society

2718

01:36:48,550 --> 01:36:45,760

uh very technologically oriented whereas

2719

01:36:50,950 --> 01:36:48,560

the lumerians um were more spiritually

2720

01:36:53,910 --> 01:36:50,960

oriented and so when the marines

2721

01:36:55,910 --> 01:36:53,920

scattered through east asia and down the

2722

01:36:59,669 --> 01:36:55,920

land bridge to barren straits and into

2723

01:37:01,910 --> 01:36:59,679

latin america and to in polynesia um

2724

01:37:04,390 --> 01:37:01,920

their outlook was more

2725

01:37:06,950 --> 01:37:04,400

spiritual yes and that's why you know

2726

01:37:10,070 --> 01:37:06,960

like you said uh the uh tohono odom

2727

01:37:11,910 --> 01:37:10,080

tribe and other stories from our

2728

01:37:15,830 --> 01:37:11,920

indigenous native peoples

2729

01:37:16,709 --> 01:37:15,840

they're more tuned into like nature

2730

01:37:18,310 --> 01:37:16,719

they

2731

01:37:20,149 --> 01:37:18,320

have more

2732

01:37:22,390 --> 01:37:20,159

affinity toward

2733

01:37:23,510 --> 01:37:22,400

understanding the divinity of everything

2734

01:37:25,910 --> 01:37:23,520

in nature

2735

01:37:29,109 --> 01:37:25,920

whereas the atlanteans were more like

2736

01:37:31,109 --> 01:37:29,119

nuts and bolts weapons yeah yeah and

2737

01:37:33,109 --> 01:37:31,119

that we're more like influenced by

2738

01:37:35,030 --> 01:37:33,119

atlanteans and the lumerians are more on

2739

01:37:37,910 --> 01:37:35,040

the western hemisphere

2740

01:37:40,070 --> 01:37:37,920

and the indigenous populations so

2741

01:37:42,870 --> 01:37:40,080

that's one of the

2742

01:37:45,669 --> 01:37:42,880

theories hypotheses about

2743

01:37:47,590 --> 01:37:45,679

our origins and what it might have been

2744

01:37:49,350 --> 01:37:47,600

ancient civilizations here

2745

01:37:51,669 --> 01:37:49,360

but if you look at

2746

01:37:54,390 --> 01:37:51,679

sarah brexman cosmi was

2747

01:37:55,189 --> 01:37:54,400

a qhc level 3 practitioner

2748

01:37:58,709 --> 01:37:55,199

who

2749

01:38:02,390 --> 01:38:01,590

julia the the daughter of dolores cannon

2750

01:38:05,830 --> 01:38:02,400

and

2751
01:38:06,790 --> 01:38:05,840
together you know when they do these qhd

2752
01:38:09,669 --> 01:38:06,800
sessions

2753
01:38:10,790 --> 01:38:09,679
with clients they come up with the same

2754
01:38:13,590 --> 01:38:10,800
story

2755
01:38:16,950 --> 01:38:13,600
people who have absolutely no background

2756
01:38:20,390 --> 01:38:16,960
no knowledge no interest in ufos uaps or

2757
01:38:23,109 --> 01:38:20,400
ancient civilizations under qhht they've

2758
01:38:25,750 --> 01:38:23,119
been telling the exact same story and

2759
01:38:27,990 --> 01:38:25,760
she shared this story

2760
01:38:30,870 --> 01:38:28,000
at the star works usa conference that i

2761
01:38:32,310 --> 01:38:30,880
attended sponsored by jack valet and

2762
01:38:34,790 --> 01:38:32,320
paula harris

2763
01:38:36,950 --> 01:38:34,800

and it's so amazing that um

2764

01:38:40,550 --> 01:38:36,960

uh you know there was this like common

2765

01:38:43,590 --> 01:38:40,560

story that is sort of like part of our

2766

01:38:45,750 --> 01:38:43,600

uh makeup or the hidden history that

2767

01:38:48,229 --> 01:38:45,760

gets passed on

2768

01:38:49,990 --> 01:38:48,239

uh through maybe various incarnations

2769

01:38:52,229 --> 01:38:50,000

that we have right

2770

01:38:54,709 --> 01:38:52,239

about this story and to me it makes a

2771

01:38:56,870 --> 01:38:54,719

lot of sense so yeah

2772

01:38:59,350 --> 01:38:56,880

like the eastern way of thinking the

2773

01:39:02,070 --> 01:38:59,360

eastern religions way and plus the more

2774

01:39:04,310 --> 01:39:02,080

dogmatic western religion way of

2775

01:39:06,550 --> 01:39:04,320

of thinking

2776

01:39:07,830 --> 01:39:06,560

absolutely and yeah that makes a lot of

2777

01:39:09,830 --> 01:39:07,840

sense because i've heard similar things

2778

01:39:11,430 --> 01:39:09,840

about the two civilizations

2779

01:39:15,030 --> 01:39:11,440

but guys i'm sorry if i'm not going to

2780

01:39:16,870 --> 01:39:15,040

get to everybody's questions tonight um

2781

01:39:19,669 --> 01:39:16,880

because we are coming up on like almost

2782

01:39:20,950 --> 01:39:19,679

an hour and 40 minutes i saw a question

2783

01:39:23,750 --> 01:39:20,960

um

2784

01:39:25,510 --> 01:39:23,760

we'll do one more if that's okay that's

2785

01:39:26,870 --> 01:39:25,520

fine i'm here as long as you want me oh

2786

01:39:28,550 --> 01:39:26,880

okay

2787

01:39:30,470 --> 01:39:28,560

everybody i feel like people are asking

2788

01:39:31,350 --> 01:39:30,480

you questions they wanted to ask you

2789

01:39:36,149 --> 01:39:31,360

um

2790

01:39:38,310 --> 01:39:36,159

marco's question

2791

01:39:40,229 --> 01:39:38,320

okay um question from

2792

01:39:42,070 --> 01:39:40,239

let me just put it up question from

2793

01:39:44,229 --> 01:39:42,080

kryptos conundrum what are the things

2794

01:39:46,950 --> 01:39:44,239

that stand out the most

2795

01:39:48,870 --> 01:39:46,960

um do you mean like in general

2796

01:39:51,030 --> 01:39:48,880

or um

2797

01:39:52,950 --> 01:39:51,040

can you clarify the question for me or

2798

01:39:55,669 --> 01:39:52,960

do you understand what he's saying

2799

01:39:58,310 --> 01:39:55,679

um yes i'll just give a brief rundown of

2800

01:40:00,070 --> 01:39:58,320

my take on kryptos conundrum first of

2801
01:40:02,390 --> 01:40:00,080
all um you have to realize that it is

2802
01:40:05,430 --> 01:40:02,400
fiction it's a fictionalized account

2803
01:40:09,430 --> 01:40:05,440
oh okay all right chase brandon

2804
01:40:11,189 --> 01:40:09,440
um he uh saw the actual files

2805
01:40:12,550 --> 01:40:11,199
of roswell

2806
01:40:13,910 --> 01:40:12,560
in the historical intelligence

2807
01:40:16,310 --> 01:40:13,920
collection

2808
01:40:19,350 --> 01:40:16,320
and based on what he saw

2809
01:40:22,709 --> 01:40:19,360
he confirmed that there was a craft and

2810
01:40:24,229 --> 01:40:22,719
there were non-human bodies recovered

2811
01:40:26,950 --> 01:40:24,239
from that craft

2812
01:40:29,669 --> 01:40:26,960
and the cia knows about it

2813
01:40:32,390 --> 01:40:29,679

that's the core of the story what he did

2814

01:40:35,430 --> 01:40:32,400

was when he investigated it

2815

01:40:40,870 --> 01:40:37,910

researched it for himself

2816

01:40:43,830 --> 01:40:40,880

it's an informed research but he had to

2817

01:40:45,669 --> 01:40:43,840

cast it into a fictional form

2818

01:40:48,149 --> 01:40:45,679

what he did was

2819

01:40:49,510 --> 01:40:48,159

pretty much confirm what i've said about

2820

01:40:54,550 --> 01:40:49,520

atlanteans

2821

01:40:57,030 --> 01:40:54,560

input into the way we turned out

2822

01:40:58,070 --> 01:40:57,040

and and that um

2823

01:41:00,470 --> 01:40:58,080

humans

2824

01:41:02,629 --> 01:41:00,480

are more recent and the phenomenon we're

2825

01:41:04,470 --> 01:41:02,639

seeing the beings that are here

2826
01:41:07,350 --> 01:41:04,480
trying to interact with us

2827
01:41:08,950 --> 01:41:07,360
have been here a lot longer than humans

2828
01:41:10,629 --> 01:41:08,960
have and they may have been conflicts

2829
01:41:12,709 --> 01:41:10,639
among them

2830
01:41:14,070 --> 01:41:12,719
and the humans

2831
01:41:16,709 --> 01:41:14,080
evolved

2832
01:41:19,189 --> 01:41:16,719
and certain humans were selected from

2833
01:41:22,229 --> 01:41:19,199
way back

2834
01:41:25,030 --> 01:41:22,239
like a long time ago like tens if

2835
01:41:26,950 --> 01:41:25,040
thousands of years ago

2836
01:41:29,030 --> 01:41:26,960
and

2837
01:41:31,750 --> 01:41:29,040
i don't know if the word seated is right

2838
01:41:33,990 --> 01:41:31,760

but certain humans were more elevated in

2839

01:41:37,350 --> 01:41:34,000

their dna than other humans

2840

01:41:41,669 --> 01:41:37,360

and that this elevation of dna um

2841

01:41:45,350 --> 01:41:43,830

they were more tuned into the phenomenon

2842

01:41:47,590 --> 01:41:45,360

and they were receiving messages from

2843

01:41:50,950 --> 01:41:47,600

the phenomenon so his main character dr

2844

01:41:53,270 --> 01:41:50,960

jonathan chalmers a cia officer

2845

01:41:55,990 --> 01:41:53,280

was receiving messages because he was

2846

01:41:58,709 --> 01:41:56,000

part of that bloodline of

2847

01:42:00,870 --> 01:41:58,719

enhanced humans from way back in his

2848

01:42:03,590 --> 01:42:00,880

generations

2849

01:42:04,550 --> 01:42:03,600

and that he realized dr thomas did in

2850

01:42:06,950 --> 01:42:04,560

the book

2851

01:42:08,950 --> 01:42:06,960

that there was this like possible

2852

01:42:10,470 --> 01:42:08,960

cataclysm that might happen on the earth

2853

01:42:12,070 --> 01:42:10,480

and he wanted to prepare

2854

01:42:13,030 --> 01:42:12,080

the earth for it

2855

01:42:16,550 --> 01:42:13,040

now

2856

01:42:19,189 --> 01:42:16,560

more on the phenomenon side of uaps

2857

01:42:20,430 --> 01:42:19,199

uh keeping in mind that chase brandon

2858

01:42:22,629 --> 01:42:20,440

retired in

2859

01:42:24,950 --> 01:42:22,639

2006 i believe

2860

01:42:29,270 --> 01:42:24,960

and he wrote the book probably starting

2861

01:42:31,750 --> 01:42:29,280

in 2010 and finished in 2012. um he said

2862

01:42:36,629 --> 01:42:34,470

you need to look under the water into

2863

01:42:37,669 --> 01:42:36,639

the seas because that's where the craft

2864

01:42:39,830 --> 01:42:37,679

are

2865

01:42:41,910 --> 01:42:39,840

they go into the sea and they come out

2866

01:42:44,310 --> 01:42:41,920

of the sea they fly in our ear and they

2867

01:42:46,550 --> 01:42:44,320

go back into the sea he said the key to

2868

01:42:48,470 --> 01:42:46,560

understanding what we're seeing is to

2869

01:42:51,189 --> 01:42:48,480

look under the water and the government

2870

01:42:53,590 --> 01:42:51,199

knows what's under the water

2871

01:42:55,270 --> 01:42:53,600

um and so that was the big takeaway for

2872

01:42:57,910 --> 01:42:55,280

me that he understood there were such

2873

01:42:59,109 --> 01:42:57,920

things as uh usos

2874

01:43:01,910 --> 01:42:59,119

under the water and that's what we're

2875

01:43:03,990 --> 01:43:01,920

really seeing and he also wrote uh long

2876

01:43:05,910 --> 01:43:04,000

before anyone knew about

2877

01:43:07,669 --> 01:43:05,920

the uss princeton and nimitz and the

2878

01:43:10,550 --> 01:43:07,679

fa-18s

2879

01:43:12,149 --> 01:43:10,560

he wrote about and his narrative

2880

01:43:13,750 --> 01:43:12,159

he wrote about an earlier time in the

2881

01:43:18,070 --> 01:43:13,760

50s where there's an aircraft carrier

2882

01:43:20,629 --> 01:43:18,080

with planes that encountered these craft

2883

01:43:23,189 --> 01:43:20,639

and so he had knowledge of what was

2884

01:43:24,870 --> 01:43:23,199

really going on but he had to cast it

2885

01:43:26,149 --> 01:43:24,880

into a way that

2886

01:43:27,830 --> 01:43:26,159

could make

2887

01:43:29,590 --> 01:43:27,840

the cia approved

2888

01:43:31,990 --> 01:43:29,600

so his book was completely approved by

2889

01:43:33,270 --> 01:43:32,000

cia and he told the story

2890

01:43:36,229 --> 01:43:33,280

behind the story

2891

01:43:38,550 --> 01:43:36,239

and on coast coast am he said

2892

01:43:40,550 --> 01:43:38,560

it's all in there it's fiction but it's

2893

01:43:42,390 --> 01:43:40,560

all in there you have to read

2894

01:43:44,709 --> 01:43:42,400

not between the lines but behind the

2895

01:43:47,270 --> 01:43:44,719

lines and he said in 2012 in his

2896

01:43:49,189 --> 01:43:47,280

interview with george nuri

2897

01:43:51,590 --> 01:43:49,199

it will come out

2898

01:43:54,709 --> 01:43:51,600

this story cannot be contained it will

2899

01:43:56,229 --> 01:43:54,719

come out and here we are in 2022.

2900

01:43:58,229 --> 01:43:56,239

yeah i have that book i just haven't

2901

01:43:59,510 --> 01:43:58,239

read it so it's like it's in my stack of

2902

01:44:00,950 --> 01:43:59,520

i want to read this you know what i mean

2903

01:44:02,310 --> 01:44:00,960

so now i feel like i have to read it

2904

01:44:03,910 --> 01:44:02,320

because it sounds really

2905

01:44:06,390 --> 01:44:03,920

really interesting yeah but you keep in

2906

01:44:08,149 --> 01:44:06,400

mind it's it's fiction oh yeah there's

2907

01:44:09,910 --> 01:44:08,159

no i would

2908

01:44:12,950 --> 01:44:09,920

give one thing away there's no

2909

01:44:15,669 --> 01:44:12,960

underground tunnel underneath cia

2910

01:44:17,270 --> 01:44:15,679

there's no train system underneath cia

2911

01:44:18,229 --> 01:44:17,280

i've been down in the basement down

2912

01:44:20,950 --> 01:44:18,239

there

2913

01:44:23,990 --> 01:44:20,960

here

2914

01:44:26,709 --> 01:44:24,000

under fort knox and the other thing is

2915

01:44:28,470 --> 01:44:26,719

that the dates for roswell he used the

2916

01:44:30,950 --> 01:44:28,480

gregorian calendar

2917

01:44:32,550 --> 01:44:30,960

so hey i thought roswell in july but he

2918

01:44:34,709 --> 01:44:32,560

wrote it in june because he had to use

2919

01:44:37,590 --> 01:44:34,719

the gregorian calendar

2920

01:44:39,030 --> 01:44:37,600

that's very clever yes because then see

2921

01:44:40,950 --> 01:44:39,040

he can write about roswell in a

2922

01:44:43,030 --> 01:44:40,960

fictional form he can tell you what

2923

01:44:45,510 --> 01:44:43,040

happened to roswell but not use the

2924

01:44:47,270 --> 01:44:45,520

actual dates so see i say okay it's

2925

01:44:48,950 --> 01:44:47,280

fiction you can say whatever you want

2926

01:44:51,109 --> 01:44:48,960

about roswell from what you

2927

01:44:53,430 --> 01:44:51,119

um discovered but since you've got the

2928

01:44:54,709 --> 01:44:53,440

dates wrong ah that's fine

2929

01:44:55,990 --> 01:44:54,719

well now i have to read it because my

2930

01:44:58,070 --> 01:44:56,000

husband's like you don't you don't read

2931

01:45:00,629 --> 01:44:58,080

any fiction books aren't all your books

2932

01:45:02,229 --> 01:45:00,639

reference books i'm like kind of

2933

01:45:05,830 --> 01:45:02,239

but i have a fiction book that's just

2934

01:45:06,709 --> 01:45:05,840

sitting there see the kryptos conundrum

2935

01:45:09,270 --> 01:45:06,719

um

2936

01:45:10,310 --> 01:45:09,280

spaghetti has a question joey's also his

2937

01:45:12,229 --> 01:45:10,320

name

2938

01:45:15,510 --> 01:45:12,239

has john ever tested his implant with

2939

01:45:18,149 --> 01:45:15,520

the rf radio and you know him and yeah

2940

01:45:20,390 --> 01:45:18,159

and perhaps it's emitting signals

2941

01:45:22,629 --> 01:45:20,400

um i have not tested my implant with any

2942

01:45:24,550 --> 01:45:22,639

kind of electronic device

2943

01:45:25,910 --> 01:45:24,560

um and i don't know if it's emitting

2944

01:45:27,750 --> 01:45:25,920

signals

2945

01:45:29,270 --> 01:45:27,760

but i do know that

2946

01:45:31,590 --> 01:45:29,280

like you say

2947

01:45:35,270 --> 01:45:31,600

sometimes you can hear it

2948

01:45:36,390 --> 01:45:35,280

working i can hear a crinkling sound in

2949

01:45:38,629 --> 01:45:36,400

my head

2950

01:45:40,790 --> 01:45:38,639

one time i woke up with a metallic

2951

01:45:42,629 --> 01:45:40,800

flapping sound on my right ear

2952

01:45:45,510 --> 01:45:42,639

just flapping away

2953

01:45:47,750 --> 01:45:45,520

i could actually feel the air move as i

2954

01:45:49,510 --> 01:45:47,760

was waking up something was there

2955

01:45:51,750 --> 01:45:49,520

coincident with one of my other

2956

01:45:54,470 --> 01:45:51,760

experiences of encountering these beings

2957

01:45:57,590 --> 01:45:54,480

in my dreams there was some flapping but

2958

01:45:59,910 --> 01:45:57,600

no i haven't i haven't tested with rf

2959

01:46:02,950 --> 01:45:59,920

yeah the dream world and people's dreams

2960

01:46:06,310 --> 01:46:02,960

um the dreams of experiencers is

2961

01:46:08,229 --> 01:46:06,320

such a nut it's another topic that's uh

2962

01:46:09,910 --> 01:46:08,239

gets written off i think

2963

01:46:11,830 --> 01:46:09,920

you know what i mean because there's

2964

01:46:14,310 --> 01:46:11,840

dreams we're like yes i was researching

2965

01:46:15,830 --> 01:46:14,320

this before bed all day every day and i

2966

01:46:17,830 --> 01:46:15,840

had a dream about it but it wasn't weird

2967

01:46:19,510 --> 01:46:17,840

it didn't feel real because i knew that

2968

01:46:21,109 --> 01:46:19,520

where it was coming from and then

2969

01:46:23,350 --> 01:46:21,119

there's the ones where you have the

2970

01:46:27,430 --> 01:46:23,360

experience dream and you wake up with

2971

01:46:29,750 --> 01:46:27,440

either sick or with markings um whatever

2972

01:46:32,470 --> 01:46:29,760

hives weird feelings you know

2973

01:46:35,750 --> 01:46:32,480

all this stuff so it's that's another

2974

01:46:37,669 --> 01:46:35,760

route that i think gets overlooked a lot

2975

01:46:40,070 --> 01:46:37,679

i go to sleep with listening to and i

2976

01:46:43,189 --> 01:46:40,080

think on one of your questions asked

2977

01:46:45,590 --> 01:46:43,199

about if i use like listening to

2978

01:46:48,790 --> 01:46:45,600

frequencies chakra frequencies

2979

01:46:50,870 --> 01:46:48,800

so yeah you know like uh 432 hertz or

2980

01:46:51,990 --> 01:46:50,880

528

2981

01:46:54,470 --> 01:46:52,000

hurts

2982

01:46:55,430 --> 01:46:54,480

these sounds and also um

2983

01:46:57,830 --> 01:46:55,440

um

2984

01:46:59,270 --> 01:46:57,840

having uh the binaural experience of

2985

01:47:00,229 --> 01:46:59,280

having two frequencies very close

2986

01:47:01,910 --> 01:47:00,239

together

2987

01:47:04,149 --> 01:47:01,920

and then the subtraction of those two

2988

01:47:05,590 --> 01:47:04,159

frequencies are like two hertz four

2989

01:47:08,629 --> 01:47:05,600

hertz six hertz they're so close

2990

01:47:11,189 --> 01:47:08,639

together and they kind of resonate with

2991

01:47:12,070 --> 01:47:11,199

your brainwave frequencies they're very

2992

01:47:17,910 --> 01:47:12,080

very

2993

01:47:20,149 --> 01:47:17,920

from doing that

2994

01:47:24,629 --> 01:47:20,159

and so i would say experiences you know

2995

01:47:26,790 --> 01:47:24,639

if you go into a a tank a flotation tank

2996

01:47:28,470 --> 01:47:26,800

and remove your physical senses from

2997

01:47:30,950 --> 01:47:28,480

your experience and some people do this

2998

01:47:33,910 --> 01:47:30,960

chemically

2999

01:47:36,229 --> 01:47:33,920

mushrooms or whatever they use

3000

01:47:39,189 --> 01:47:36,239

but you're trying to separate your

3001

01:47:41,510 --> 01:47:39,199

conscious from your inner

3002

01:47:44,070 --> 01:47:41,520

consciousness and once you separate your

3003

01:47:45,350 --> 01:47:44,080

senses um you can have some remarkable

3004

01:47:47,270 --> 01:47:45,360

experiences

3005

01:47:50,070 --> 01:47:47,280

yes absolutely

3006

01:47:51,669 --> 01:47:50,080

yeah i do um we did a whole um we would

3007

01:47:53,750 --> 01:47:51,679

do journey work when i was doing the

3008

01:47:55,430 --> 01:47:53,760

priestess uh it was called pillars of

3009

01:47:57,590 --> 01:47:55,440

priestessing and

3010

01:48:00,310 --> 01:47:57,600

um we would do journey work and when i

3011

01:48:02,470 --> 01:48:00,320

first started doing it i was like

3012

01:48:05,270 --> 01:48:02,480

i mean there's certain um incense that

3013

01:48:07,270 --> 01:48:05,280

you burn that will like um sort of

3014

01:48:09,270 --> 01:48:07,280

trigger kind of like like people talk

3015

01:48:11,350 --> 01:48:09,280

about epigenetics but i feel like our

3016

01:48:13,109 --> 01:48:11,360

our soul has an epigenetic

3017

01:48:15,189 --> 01:48:13,119

or like an epi soul genetic you know

3018

01:48:16,790 --> 01:48:15,199

like on the things from last lifetime

3019

01:48:17,910 --> 01:48:16,800

get triggered in this lifetime and

3020

01:48:19,590 --> 01:48:17,920

there's probably like a better name for

3021

01:48:20,470 --> 01:48:19,600

it somebody probably knows the term but

3022

01:48:23,350 --> 01:48:20,480

um

3023

01:48:25,430 --> 01:48:23,360

it's uh like things like frankincense or

3024

01:48:27,030 --> 01:48:25,440

blue lotus and

3025

01:48:28,390 --> 01:48:27,040

um and actually blue lotus will get you

3026

01:48:29,830 --> 01:48:28,400

a little

3027

01:48:32,310 --> 01:48:29,840

you'll have fun with some blue lotus or

3028

01:48:34,070 --> 01:48:32,320

some buchu leaf you know don't listen to

3029

01:48:35,990 --> 01:48:34,080

me guys i'm sorry i'm not advocating

3030

01:48:38,070 --> 01:48:36,000

that you go burn these but

3031

01:48:39,830 --> 01:48:38,080

um a lot of people do like um they'll

3032

01:48:41,189 --> 01:48:39,840

like burn bay leaves for their

3033

01:48:42,229 --> 01:48:41,199

manifestation stuff and they'll be like

3034

01:48:43,590 --> 01:48:42,239

oh i should have opened the window for

3035

01:48:45,669 --> 01:48:43,600

that because a bailey full make you

3036

01:48:48,550 --> 01:48:45,679

light-headed too but but you know it's

3037

01:48:50,390 --> 01:48:48,560

in a lot of incense that people use for

3038

01:48:51,189 --> 01:48:50,400

vision questing or

3039

01:48:53,030 --> 01:48:51,199

you know

3040

01:48:54,790 --> 01:48:53,040

journey work or whatever you want to

3041

01:48:55,990 --> 01:48:54,800

call it but you can have these waking

3042

01:48:59,109 --> 01:48:56,000

experiences

3043

01:49:00,790 --> 01:48:59,119

um when you meditate enough

3044

01:49:03,430 --> 01:49:00,800

and and you can have almost like an

3045

01:49:05,590 --> 01:49:03,440

astral like i've had like one out like

3046

01:49:06,709 --> 01:49:05,600

awake i call it like a waking astral

3047

01:49:09,109 --> 01:49:06,719

travel

3048

01:49:10,709 --> 01:49:09,119

um because i was just sitting there

3049

01:49:13,189 --> 01:49:10,719

meditating like i was awake i was

3050

01:49:14,629 --> 01:49:13,199

sitting up on my meditation pillow

3051

01:49:17,270 --> 01:49:14,639

and i

3052

01:49:19,350 --> 01:49:17,280

had this crazy experience um

3053

01:49:21,510 --> 01:49:19,360

and when i came back like i couldn't

3054

01:49:23,430 --> 01:49:21,520

like walk it was super weird and it

3055

01:49:25,109 --> 01:49:23,440

wasn't like nothing was asleep like it's

3056

01:49:27,270 --> 01:49:25,119

a good meditation pillow like i've

3057

01:49:29,030 --> 01:49:27,280

meditated longer than that before and

3058

01:49:30,870 --> 01:49:29,040

nothing's gone to sleep

3059

01:49:32,550 --> 01:49:30,880

um it wasn't like like my foot fell

3060

01:49:34,229 --> 01:49:32,560

asleep it was like

3061

01:49:35,830 --> 01:49:34,239

like there was not a connection in my

3062

01:49:37,030 --> 01:49:35,840

between my brain and my body for a

3063

01:49:38,709 --> 01:49:37,040

little bit and it was actually very

3064

01:49:40,950 --> 01:49:38,719

scary so

3065

01:49:42,149 --> 01:49:40,960

um you can do it but uh

3066

01:49:43,189 --> 01:49:42,159

i'm not even gonna say be careful

3067

01:49:45,189 --> 01:49:43,199

because i think people should try it

3068

01:49:46,550 --> 01:49:45,199

anyways and it wasn't a bad thing like

3069

01:49:48,470 --> 01:49:46,560

obviously i can walk now and everything

3070

01:49:50,550 --> 01:49:48,480

connected again but it was just it was

3071

01:49:51,830 --> 01:49:50,560

very strange that it happened that was

3072

01:49:52,870 --> 01:49:51,840

the first time it happened without

3073

01:49:54,950 --> 01:49:52,880

anything

3074

01:49:57,750 --> 01:49:54,960

um without any medicine or plant

3075

01:49:59,589 --> 01:49:57,760

medicines or you know um i think i had

3076

01:50:00,870 --> 01:49:59,599

solfeccio's playing on my

3077

01:50:01,910 --> 01:50:00,880

noise-canceling headphones and that'll

3078

01:50:03,669 --> 01:50:01,920

do it

3079

01:50:05,910 --> 01:50:03,679

i have like tuning forks

3080

01:50:07,510 --> 01:50:05,920

um that my husband makes fun of me for

3081

01:50:08,470 --> 01:50:07,520

because he like walks in and i'll be

3082

01:50:13,070 --> 01:50:08,480

like

3083

01:50:16,550 --> 01:50:13,080

this this one is a

3084

01:50:18,149 --> 01:50:16,560

963 hertz so it's the upper chakras but

3085

01:50:19,669 --> 01:50:18,159

he's like he just like shakes his head

3086

01:50:21,189 --> 01:50:19,679

and walks away

3087

01:50:22,390 --> 01:50:21,199

i'll leave you with that he says you

3088

01:50:24,310 --> 01:50:22,400

know

3089

01:50:26,390 --> 01:50:24,320

um but yeah i was listening to those so

3090

01:50:27,669 --> 01:50:26,400

tones will totally take you somewhere um

3091

01:50:30,070 --> 01:50:27,679

if you try it

3092

01:50:31,350 --> 01:50:30,080

yeah i think music is a healing thing

3093

01:50:33,589 --> 01:50:31,360

and um

3094

01:50:34,950 --> 01:50:33,599

uh when i lived in charlotte i used to

3095

01:50:37,109 --> 01:50:34,960

go to like

3096

01:50:38,950 --> 01:50:37,119

sound healing

3097

01:50:41,750 --> 01:50:38,960

meetings and um

3098

01:50:44,310 --> 01:50:41,760

uh the instrument i loved was the digi

3099

01:50:46,709 --> 01:50:44,320

did you redo the australian instrument

3100

01:50:48,149 --> 01:50:46,719

played by the aboriginal peoples

3101

01:50:50,390 --> 01:50:48,159

and that one just sends me off the

3102

01:50:52,709 --> 01:50:50,400

planet i mean when i hear that i'm not

3103

01:50:54,950 --> 01:50:52,719

on the planet anymore so i think we all

3104

01:50:55,910 --> 01:50:54,960

tune into certain sounds that resonate

3105

01:50:57,109 --> 01:50:55,920

with us

3106

01:50:58,950 --> 01:50:57,119

absolutely

3107

01:51:01,990 --> 01:50:58,960

for me it's the drumming too because my

3108

01:51:03,669 --> 01:51:02,000

um my mentor she would play a drum

3109

01:51:06,149 --> 01:51:03,679

and this was in like covet time so it

3110

01:51:09,270 --> 01:51:06,159

was online it was online um pillars of

3111

01:51:11,510 --> 01:51:09,280

precincting and priestessing and she'd

3112

01:51:12,709 --> 01:51:11,520

play the drum in a in a certain way

3113

01:51:14,629 --> 01:51:12,719

where

3114

01:51:15,990 --> 01:51:14,639

if you let yourself

3115

01:51:18,149 --> 01:51:16,000

you're not here anymore it feels like

3116

01:51:20,149 --> 01:51:18,159

like everything around you dissolves so

3117

01:51:22,310 --> 01:51:20,159

that's the benefit of using sound in

3118

01:51:23,830 --> 01:51:22,320

your meditations and it also helps a lot

3119

01:51:25,990 --> 01:51:23,840

of people that can't just do like a

3120

01:51:27,030 --> 01:51:26,000

meditation that have like um that are

3121

01:51:28,790 --> 01:51:27,040

just starting like a lot of people like

3122

01:51:30,390 --> 01:51:28,800

oh i can't quiet my mind quite my mind

3123

01:51:32,149 --> 01:51:30,400

you know like if you have one that has

3124

01:51:34,149 --> 01:51:32,159

music or guided

3125

01:51:35,589 --> 01:51:34,159

or um like you said like a sound

3126

01:51:37,109 --> 01:51:35,599

resonates with you it'll get you there

3127

01:51:38,550 --> 01:51:37,119

there's there's a there's a type of

3128

01:51:40,390 --> 01:51:38,560

meditation for everybody you just have

3129

01:51:41,350 --> 01:51:40,400

to find it but i think people get turned

3130

01:51:43,510 --> 01:51:41,360

off because they think that they have to

3131

01:51:45,350 --> 01:51:43,520

turn off their thoughts completely

3132

01:51:46,950 --> 01:51:45,360

and that's kind of like a misconception

3133

01:51:48,870 --> 01:51:46,960

you just gotta let them pass like you're

3134

01:51:51,270 --> 01:51:48,880

not gonna stop thinking

3135

01:51:52,950 --> 01:51:51,280

initially you know um but

3136

01:51:54,709 --> 01:51:52,960

you just gotta like let the thought go

3137

01:51:56,870 --> 01:51:54,719

by like

3138

01:51:58,229 --> 01:51:56,880

so people have that um

3139

01:52:00,550 --> 01:51:58,239

i think it holds them back but if they

3140

01:52:02,149 --> 01:52:00,560

incorporate sound instruments sounds and

3141

01:52:05,270 --> 01:52:02,159

instruments and different types of music

3142

01:52:06,870 --> 01:52:05,280

then i think that they would get there

3143

01:52:08,790 --> 01:52:06,880

they would be able to have these

3144

01:52:11,030 --> 01:52:08,800

transcendental experiences without the

3145

01:52:14,229 --> 01:52:11,040

help of other things

3146

01:52:16,229 --> 01:52:14,239

benji who's awesome says why are so many

3147

01:52:17,990 --> 01:52:16,239

of us creative people musicians artists

3148

01:52:20,550 --> 01:52:18,000

writers painters etc attracted to the

3149

01:52:22,229 --> 01:52:20,560

phenomena and why do does it seem to

3150

01:52:24,790 --> 01:52:22,239

seek us out

3151

01:52:27,030 --> 01:52:24,800

well um i would say that the

3152

01:52:29,270 --> 01:52:27,040

those in the creative arts probably are

3153

01:52:31,030 --> 01:52:29,280

more right brain oriented

3154

01:52:33,510 --> 01:52:31,040

and so we know the right brain is more

3155

01:52:36,709 --> 01:52:33,520

about uh you know feelings visualization

3156

01:52:39,189 --> 01:52:36,719

uh intuition holistic thinking arts

3157

01:52:40,390 --> 01:52:39,199

imagination and again um like we were

3158

01:52:43,510 --> 01:52:40,400

talking about

3159

01:52:45,910 --> 01:52:44,390

isolate

3160

01:52:47,109 --> 01:52:45,920

your left brain

3161

01:52:48,390 --> 01:52:47,119

of your

3162

01:52:49,990 --> 01:52:48,400

sensory

3163

01:52:51,350 --> 01:52:50,000

physical senses

3164

01:52:54,070 --> 01:52:51,360

um your

3165

01:52:56,390 --> 01:52:54,080

consciousness and go more toward your

3166

01:52:59,030 --> 01:52:56,400

inner consciousness your inner self

3167

01:53:01,510 --> 01:52:59,040

um the the linear thinking the

3168

01:53:03,830 --> 01:53:01,520

mathematics the logical thinking and

3169

01:53:04,950 --> 01:53:03,840

just being obsessed with facts they go

3170

01:53:08,950 --> 01:53:04,960

away

3171

01:53:11,189 --> 01:53:08,960

uh and then you activate those other

3172

01:53:13,270 --> 01:53:11,199

parts of the brain that are more about

3173

01:53:14,790 --> 01:53:13,280

feelings and imagination

3174

01:53:18,149 --> 01:53:14,800

uh holistic

3175

01:53:21,030 --> 01:53:18,159

uh thinking arts and rhythm

3176

01:53:22,470 --> 01:53:21,040

and so i think that's the reason why

3177

01:53:24,870 --> 01:53:22,480

that uh you're attracted to this

3178

01:53:27,270 --> 01:53:24,880

phenomenon because the phenomenon is is

3179

01:53:29,270 --> 01:53:27,280

all about that it's all about

3180

01:53:31,589 --> 01:53:29,280

communicating with your inner self and

3181

01:53:33,109 --> 01:53:31,599

that's the way they communicate

3182

01:53:35,510 --> 01:53:33,119

yeah definitely and it brings you into

3183

01:53:37,750 --> 01:53:35,520

like a flow state so i know a guy um

3184

01:53:42,550 --> 01:53:37,760

named john actually and he plays his

3185

01:53:45,750 --> 01:53:42,560

guitar and then he ends up

3186

01:53:48,390 --> 01:53:45,760

seeing ufos and he he has a whole

3187

01:53:51,030 --> 01:53:48,400

channel and he talks to them but he to

3188

01:53:53,430 --> 01:53:51,040

get into that receptive state he plays

3189

01:53:55,589 --> 01:53:53,440

his guitar because that's his thing

3190

01:53:57,669 --> 01:53:55,599

so um i think that it like you know from

3191

01:53:59,990 --> 01:53:57,679

a very hippie and blue standpoint it

3192

01:54:02,470 --> 01:54:00,000

lifts your vibrations to a point

3193

01:54:04,709 --> 01:54:02,480

where you are more receptive and almost

3194

01:54:06,950 --> 01:54:04,719

like hyper aware but in a in an

3195

01:54:08,229 --> 01:54:06,960

energetic way yeah and sometimes

3196

01:54:10,149 --> 01:54:08,239

physical way because that's one of my

3197

01:54:12,149 --> 01:54:10,159

things is like you know you see this

3198

01:54:14,229 --> 01:54:12,159

being in your room or you have an

3199

01:54:15,589 --> 01:54:14,239

experience or you see a light in the sky

3200

01:54:17,510 --> 01:54:15,599

that just like shakes you for some

3201

01:54:19,270 --> 01:54:17,520

reason and you

3202

01:54:22,390 --> 01:54:19,280

go into this like almost like a panic

3203

01:54:24,310 --> 01:54:22,400

mode but or an excitement you know your

3204

01:54:25,990 --> 01:54:24,320

your adrenaline system kicks in and some

3205

01:54:27,270 --> 01:54:26,000

people i feel like don't leave that

3206

01:54:28,310 --> 01:54:27,280

behind

3207

01:54:29,669 --> 01:54:28,320

and

3208

01:54:31,350 --> 01:54:29,679

or it doesn't go all the way back to

3209

01:54:33,350 --> 01:54:31,360

normal so there they have this like you

3210

01:54:34,870 --> 01:54:33,360

know hyper sensitivity and hyper

3211

01:54:37,270 --> 01:54:34,880

awareness to things around them and it

3212

01:54:38,790 --> 01:54:37,280

trickles into like the energetic world

3213

01:54:41,589 --> 01:54:38,800

because sometimes it's like you can only

3214

01:54:44,070 --> 01:54:41,599

do so much with your body right so

3215

01:54:45,109 --> 01:54:44,080

so yes um

3216

01:54:47,669 --> 01:54:45,119

oh

3217

01:54:49,750 --> 01:54:47,679

okay um this is i think this will be our

3218

01:54:51,830 --> 01:54:49,760

final question because

3219

01:54:53,669 --> 01:54:51,840

i feel like we've had so many i've been

3220

01:54:55,270 --> 01:54:53,679

you've been very generous with your time

3221

01:54:56,950 --> 01:54:55,280

and i really appreciate it and we could

3222

01:54:58,070 --> 01:54:56,960

definitely ask you questions all night

3223

01:55:00,470 --> 01:54:58,080

so

3224

01:55:05,430 --> 01:55:02,629

are you familiar rachel i think is

3225

01:55:08,790 --> 01:55:05,440

talking about the tyler from um diana

3226

01:55:11,830 --> 01:55:10,550

so are you do you do you have any

3227

01:55:13,589 --> 01:55:11,840

knowledge about

3228

01:55:15,910 --> 01:55:13,599

like i said i'm the worst read in

3229

01:55:18,390 --> 01:55:15,920

ufology so i have not read american

3230

01:55:24,070 --> 01:55:18,400

cosmic i've heard about tyler d i

3231

01:55:30,149 --> 01:55:28,070

no that's tim taylor tyler d oh

3232

01:55:32,390 --> 01:55:30,159

okay so i have to say no i'm not

3233

01:55:36,310 --> 01:55:32,400

familiar with tyler d

3234

01:55:38,310 --> 01:55:36,320

um and i know people know his real name

3235

01:55:39,990 --> 01:55:38,320

but frequency healing is pretty much

3236

01:55:43,830 --> 01:55:40,000

where we're going with what we

3237

01:55:51,030 --> 01:55:47,350

i think sound is is key to understanding

3238

01:55:56,790 --> 01:55:55,030

and i'm very interested i believe in

3239

01:55:58,229 --> 01:55:56,800

frequency healing i believe in sound

3240

01:55:59,910 --> 01:55:58,239

healing

3241

01:56:02,310 --> 01:55:59,920

there was a woman in charlotte that i

3242

01:56:05,270 --> 01:56:02,320

used to like i said i used to attend

3243

01:56:06,149 --> 01:56:05,280

uh her sound healing therapy sessions

3244

01:56:08,229 --> 01:56:06,159

um

3245

01:56:11,510 --> 01:56:08,239

and what really does it for me is like

3246

01:56:14,550 --> 01:56:11,520

i'm dating myself but uh grateful dead

3247

01:56:16,709 --> 01:56:14,560

um they used to play these like hours

3248

01:56:18,149 --> 01:56:16,719

long they just go fly out somewhere they

3249

01:56:20,390 --> 01:56:18,159

will start a song and next thing you

3250

01:56:22,709 --> 01:56:20,400

know jerry garcia is

3251

01:56:24,390 --> 01:56:22,719

doing magic with his guitar and i just

3252

01:56:26,310 --> 01:56:24,400

sit there with my headphones on and i'm

3253

01:56:27,990 --> 01:56:26,320

not on the planet anymore i'm just like

3254

01:56:30,550 --> 01:56:28,000

yeah

3255

01:56:32,790 --> 01:56:30,560

so i think music is key and frequency

3256

01:56:35,589 --> 01:56:32,800

healing is key absolutely i do believe

3257

01:56:36,790 --> 01:56:35,599

that frequency healing can really um it

3258

01:56:40,229 --> 01:56:36,800

might

3259

01:56:41,030 --> 01:56:40,239

kind of rebalance things in your body

3260

01:56:44,390 --> 01:56:41,040

could

3261

01:56:45,910 --> 01:56:44,400

uh if there's dna that's damaged

3262

01:56:47,750 --> 01:56:45,920

it could like

3263

01:56:51,030 --> 01:56:47,760

attempt to fix that

3264

01:56:53,669 --> 01:56:51,040

and so yeah i i i don't know too much

3265

01:56:56,790 --> 01:56:53,679

about what tyler d specifically did

3266

01:56:58,790 --> 01:56:56,800

uh but i do believe in frequency healing

3267

01:57:01,109 --> 01:56:58,800

yeah same here and then back to the

3268

01:57:03,430 --> 01:57:01,119

ancients those uh the

3269

01:57:05,669 --> 01:57:03,440

the smaller three pyramids that were of

3270

01:57:07,830 --> 01:57:05,679

the three different types of granite

3271

01:57:09,510 --> 01:57:07,840

were supposed like supposedly you know i

3272

01:57:12,550 --> 01:57:09,520

guess people say they think that those

3273

01:57:14,229 --> 01:57:12,560

were sound healing chambers so

3274

01:57:16,870 --> 01:57:14,239

that could be we could talk about egypt

3275

01:57:18,950 --> 01:57:16,880

for another two hours but oh yeah um

3276

01:57:20,790 --> 01:57:18,960

i'm gonna cut it off now hang out for a

3277

01:57:22,950 --> 01:57:20,800

minute don't disappear i'm gonna thank

3278

01:57:24,550 --> 01:57:22,960

you backstage and i want to say thank

3279

01:57:27,189 --> 01:57:24,560

you to everybody that joined in the live

3280

01:57:29,030 --> 01:57:27,199

chat i see a lot of i see some new names

3281

01:57:31,030 --> 01:57:29,040

and i see some people that have been

3282

01:57:31,830 --> 01:57:31,040

here so thank you so much

3283

01:57:38,229 --> 01:57:31,840

uh

3284

01:57:39,830 --> 01:57:38,239

in the description do you have anything

3285

01:57:41,189 --> 01:57:39,840

else coming up john are you going to be

3286

01:57:43,030 --> 01:57:41,199

on anything

3287

01:57:45,830 --> 01:57:43,040

anywhere else that people should follow

3288

01:57:48,229 --> 01:57:45,840

you well i can say this um and i'm sure

3289

01:57:50,229 --> 01:57:48,239

he doesn't mind me saying this that

3290

01:57:52,390 --> 01:57:50,239

tomorrow i'll be interviewed by john

3291

01:57:55,350 --> 01:57:52,400

greenwald for the black hall oh very

3292

01:57:58,070 --> 01:57:55,360

cool and uh later this month i will be

3293

01:58:00,790 --> 01:57:58,080

on stage uh in phoenix oh with the

3294

01:58:03,830 --> 01:58:00,800

phoenix mufon organization um

3295

01:58:06,709 --> 01:58:03,840

it's a on stage q a

3296

01:58:08,470 --> 01:58:06,719

using my slides as a backdrop i gave

3297

01:58:10,709 --> 01:58:08,480

them my slides and said you know just

3298

01:58:12,229 --> 01:58:10,719

put up any slide you want and i'll talk

3299

01:58:14,070 --> 01:58:12,239

about it so

3300

01:58:15,589 --> 01:58:14,080

they'll be interviewing me on stage at

3301

01:58:18,790 --> 01:58:15,599

the phoenix mufon

3302

01:58:21,589 --> 01:58:18,800

that's on february 26th

3303

01:58:23,270 --> 01:58:21,599

and may have another interview with um

3304

01:58:25,589 --> 01:58:23,280

calling all beings

3305

01:58:27,350 --> 01:58:25,599

nice uh with dj demarco that's gonna be

3306

01:58:28,870 --> 01:58:27,360

a lot of fun um yeah they're they're all

3307

01:58:31,030 --> 01:58:28,880

all the cabbies are awesome people oh

3308

01:58:33,270 --> 01:58:31,040

they're they're fantastic and so i'm

3309

01:58:35,109 --> 01:58:33,280

gonna take a little break from that

3310

01:58:38,390 --> 01:58:35,119

afterwards and because i need to do what

3311

01:58:40,070 --> 01:58:38,400

i call my day job the co-war museums uh

3312

01:58:42,550 --> 01:58:40,080

there are three of them in the country

3313

01:58:44,950 --> 01:58:42,560

core uh organized societies

3314

01:58:47,350 --> 01:58:44,960

organizations and i'll be doing more

3315

01:58:49,189 --> 01:58:47,360

briefings related to my actual day job

3316

01:58:51,990 --> 01:58:49,199

at cia

3317

01:58:54,550 --> 01:58:52,000

very cool yeah and one of them uh

3318

01:58:55,910 --> 01:58:54,560

my brother-in-law john welch

3319

01:58:57,669 --> 01:58:55,920

he's a co-founder with one of the

3320

01:59:00,310 --> 01:58:57,679

co-work museums with

3321

01:59:03,270 --> 01:59:00,320

francis gary powers jr his father was

3322

01:59:05,430 --> 01:59:03,280

shot down on youtube and uh so i'm doing

3323

01:59:06,950 --> 01:59:05,440

a presentation for them

3324

01:59:09,109 --> 01:59:06,960

oh very cool i'm sure that that's all

3325

01:59:10,950 --> 01:59:09,119

interesting as well too so you have you

3326

01:59:12,790 --> 01:59:10,960

have your day job interesting stuff then

3327

01:59:14,629 --> 01:59:12,800

you have your ufo interesting stuff and

3328

01:59:16,950 --> 01:59:14,639

you have your spiritual interesting

3329

01:59:19,830 --> 01:59:16,960

stuff and yeah and do you have

3330

01:59:22,950 --> 01:59:19,840

astrologers in your community

3331

01:59:23,990 --> 01:59:22,960

um do you follow astrology at all

3332

01:59:30,390 --> 01:59:24,000

i do

3333

01:59:33,350 --> 01:59:30,400

somebody that is like astrology

3334

01:59:35,109 --> 01:59:33,360

only um i can do people's charts i do i

3335

01:59:37,270 --> 01:59:35,119

do them um it takes me a long time

3336

01:59:39,350 --> 01:59:37,280

because i don't do it a lot

3337

01:59:40,950 --> 01:59:39,360

so i've like like i've done people's

3338

01:59:42,149 --> 01:59:40,960

star charts um

3339

01:59:43,669 --> 01:59:42,159

and like typed them out they get like a

3340

01:59:45,589 --> 01:59:43,679

whole report when i do it because it's

3341

01:59:48,470 --> 01:59:45,599

like sure there's just i'll just leave

3342

01:59:50,790 --> 01:59:48,480

this with you um i'm son and cancer

3343

01:59:53,189 --> 01:59:50,800

uh my senate sign is sagittarius and i'm

3344

01:59:54,950 --> 01:59:53,199

my moon and leo you're pretty much send

3345

01:59:57,109 --> 01:59:54,960

me your chart because now i'm curious

3346

02:00:00,390 --> 01:59:57,119

yeah

3347

02:00:02,149 --> 02:00:00,400

you want your chart done i think uh my

3348

02:00:05,350 --> 02:00:02,159

wife is an astrologer she she's still in

3349

02:00:07,030 --> 02:00:05,360

my chart yeah okay very yeah i just want

3350

02:00:08,629 --> 02:00:07,040

to put that out because a lot of people

3351

02:00:10,070 --> 02:00:08,639

wondering you know why do you think the

3352

02:00:12,790 --> 02:00:10,080

way you do

3353

02:00:14,629 --> 02:00:12,800

and i believe in astrology by the way

3354

02:00:16,310 --> 02:00:14,639

i i do believe

3355

02:00:17,830 --> 02:00:16,320

in astrology and people say how do you

3356

02:00:20,310 --> 02:00:17,840

believe that and they go

3357

02:00:23,430 --> 02:00:20,320

well it's about because people are used

3358

02:00:25,270 --> 02:00:23,440

to like uh magazine astrology they all

3359

02:00:26,790 --> 02:00:25,280

yeah they're sunshine yeah and that's

3360

02:00:28,790 --> 02:00:26,800

nothing the sun sign is kind of like

3361

02:00:30,070 --> 02:00:28,800

your final form like

3362

02:00:31,430 --> 02:00:30,080

you know it's not going to resonate

3363

02:00:34,149 --> 02:00:31,440

because you have to take an account like

3364

02:00:35,270 --> 02:00:34,159

you said sun moon rising

3365

02:00:37,589 --> 02:00:35,280

and then

3366

02:00:39,510 --> 02:00:37,599

in within your chart there's the chiron

3367

02:00:41,990 --> 02:00:39,520

there's your planetary

3368

02:00:44,629 --> 02:00:42,000

placements what house is it in

3369

02:00:46,629 --> 02:00:44,639

um your north node your south there's a

3370

02:00:48,310 --> 02:00:46,639

lot more than just like what's your sign

3371

02:00:49,430 --> 02:00:48,320

you know what i mean exactly

3372

02:00:51,669 --> 02:00:49,440

yes and

3373

02:00:53,830 --> 02:00:51,679

you know we're 70 percent of water

3374

02:00:55,510 --> 02:00:53,840

and the tides uh on the oceans are

3375

02:00:57,030 --> 02:00:55,520

affected by the positions of the moon

3376
02:00:59,430 --> 02:00:57,040
and sun and all the other celestial

3377
02:01:00,390 --> 02:00:59,440
bodies pull on that water

3378
02:01:02,550 --> 02:01:00,400
and since

3379
02:01:03,270 --> 02:01:02,560
we are

3380
02:01:05,030 --> 02:01:03,280
we

3381
02:01:07,830 --> 02:01:05,040
are in an environment

3382
02:01:10,229 --> 02:01:07,840
uh within the fluids in our mother's

3383
02:01:13,189 --> 02:01:10,239
bodies there's water there too there's

3384
02:01:15,510 --> 02:01:13,199
fluid and it's all affected by

3385
02:01:18,310 --> 02:01:15,520
by the position of these celestial

3386
02:01:19,990 --> 02:01:18,320
bodies and that's why astrology works

3387
02:01:21,750 --> 02:01:20,000
yeah we'd be silly to think that it's

3388
02:01:23,669 --> 02:01:21,760

going to affect a whole ocean and planet

3389

02:01:26,550 --> 02:01:23,679

but not our tiny little

3390

02:01:28,310 --> 02:01:26,560

right water systems

3391

02:01:30,550 --> 02:01:28,320

well yeah if your wifi comes on and talk

3392

02:01:31,990 --> 02:01:30,560

about astrology she's always welcome

3393

02:01:33,430 --> 02:01:32,000

because i do have different types of

3394

02:01:35,350 --> 02:01:33,440

people on

3395

02:01:37,350 --> 02:01:35,360

like i have a paranormal guy coming on i

3396

02:01:38,310 --> 02:01:37,360

have a demonologist coming up in march

3397

02:01:41,030 --> 02:01:38,320

so

3398

02:01:42,629 --> 02:01:41,040

i talk to a lot of different anything um

3399

02:01:44,310 --> 02:01:42,639

interesting to me so which is almost

3400

02:01:45,830 --> 02:01:44,320

everything so

3401

02:01:48,070 --> 02:01:45,840

but yes thank you so much thanks to

3402

02:01:49,750 --> 02:01:48,080

everybody in the chat um i

3403

02:01:51,830 --> 02:01:49,760

i will post like what i have coming up

3404

02:01:53,350 --> 02:01:51,840

next on instagram probably tomorrow the

3405

02:01:54,470 --> 02:01:53,360

day after

3406

02:01:55,750 --> 02:01:54,480

and

3407

02:01:57,189 --> 02:01:55,760

if you're looking for ways to support

3408

02:01:58,629 --> 02:01:57,199

the channel go ahead and give a like

3409

02:02:00,470 --> 02:01:58,639

subscribe there's other ways in the

3410

02:02:01,510 --> 02:02:00,480

description to support me

3411

02:02:03,589 --> 02:02:01,520

um

3412

02:02:05,109 --> 02:02:03,599

and thank you for your time and if

3413

02:02:06,709 --> 02:02:05,119

you're listening to audio thank you so

3414

02:02:08,629 --> 02:02:06,719

much as well if you're here in person
