2  
00:00:26,230 --> 00:00:31,870  
at the end of 2017 the United States

3  
00:00:29,710 --> 00:00:34,710  
Department of Defense began a subtle

4  
00:00:31,870 --> 00:00:36,910  
declassification process by slowly

5  
00:00:34,710 --> 00:00:39,759  
declassifying a collection of military

6  
00:00:36,909 --> 00:00:40,619  
documents and research information to

7  
00:00:39,759 --> 00:00:43,960  
the general public

8  
00:00:40,619 --> 00:00:46,019  
usually these declassification processes

9  
00:00:43,960 --> 00:00:48,759  
are fraught with financial information

10  
00:00:46,020 --> 00:00:51,010  
technical documents references to

11  
00:00:48,759 --> 00:00:53,649  
training programs government budgets and

12  
00:00:51,009 --> 00:00:56,019  
assistance with other nations or other

13  
00:00:53,649 --> 00:00:58,119  
basic procedures of which do not hold

14  
00:00:56,020 --> 00:01:00,790  
any importance outside of technical

15  
00:00:58,119 --> 00:01:03,309  
military information however it became

16  
00:01:00,789 --> 00:01:05,799  
apparent very quickly to members among

17  
00:01:03,310 --> 00:01:08,500  
the UFO community that declassified

18  
00:01:05,799 --> 00:01:10,118  
files coming from the Pentagon were more

19  
00:01:08,500 --> 00:01:12,670  
than just research and technical

20  
00:01:10,118 --> 00:01:15,159  
information the files that were slowly

21  
00:01:12,670 --> 00:01:17,799  
being Declassified over the course of

22  
00:01:15,159 --> 00:01:20,618  
the previous year and this year detailed

23  
00:01:17,799 --> 00:01:22,840  
information regarding a clandestine team

24  
00:01:20,618 --> 00:01:25,780  
of researchers tasked with gathering

25  
00:01:22,840 --> 00:01:27,600  
information relative to unidentified

26  
00:01:25,780 --> 00:01:31,060  
flying objects and strange

27  
00:01:27,599 --> 00:01:33,129  
extraterrestrial sightings so today we

28  
00:01:31,060 --> 00:01:36,868  
are going to go over the secret Pentagon

29

00:01:33,129 --> 00:01:39,640  
files along with the program's findings

30  
00:01:36,868 --> 00:01:43,060  
information regarding the program back

31  
00:01:39,640 --> 00:01:46,179  
in 2007 the Department of Defense began

32  
00:01:43,060 --> 00:01:48,340  
developing a UFO research program tasked

33  
00:01:46,179 --> 00:01:50,049  
with gathering information regarding

34  
00:01:48,340 --> 00:01:52,359  
unidentified flying objects

35  
00:01:50,049 --> 00:01:55,269  
the research group was quickly budgeted

36  
00:01:52,359 --> 00:01:57,429  
with 22 million dollars in support and a

37  
00:01:55,269 --> 00:02:00,340  
team comprising of military intelligence

38  
00:01:57,429 --> 00:02:03,429  
officials and researchers and it had the

39  
00:02:00,340 --> 00:02:07,530  
highest level of security clearance the

40  
00:02:03,429 --> 00:02:10,090  
program itself went by the name AAA t IP

41  
00:02:07,530 --> 00:02:13,209  
which stood for the advanced aviation

42  
00:02:10,090 --> 00:02:15,390  
threat identification program and was

43  
00:02:13,209 --> 00:02:18,610

given the primary objective of

44

00:02:15,389 --> 00:02:21,399

identifying those UFOs as whether or not

45

00:02:18,610 --> 00:02:25,209

they are threats to national security it

46

00:02:21,400 --> 00:02:27,400

did not take long for the AAT IP to

47

00:02:25,209 --> 00:02:30,330

gather strange sighting reports made by

48

00:02:27,400 --> 00:02:33,099

pilots from across the country including

49

00:02:30,330 --> 00:02:35,709

associated data like camera footage and

50

00:02:33,098 --> 00:02:37,090

radar information while attempting to

51

00:02:35,709 --> 00:02:39,590

match these sightings with known

52

00:02:37,090 --> 00:02:41,360

international aircraft signatures X

53

00:02:39,590 --> 00:02:44,150

affecting to find explanations these

54

00:02:41,360 --> 00:02:46,459

crafts and their origin after the

55

00:02:44,150 --> 00:02:48,409

gathered data was compiled it became

56

00:02:46,459 --> 00:02:51,229

rather obvious that this would not be

57

00:02:48,409 --> 00:02:53,870

the case in fact many of the researchers

58  
00:02:51,229 --> 00:02:56,840  
involved in the program regarded these

59  
00:02:53,870 --> 00:02:59,480  
UFO sightings and crafts as having no

60  
00:02:56,840 --> 00:03:01,610  
earthly origin and displayed behavior

61  
00:02:59,479 --> 00:03:03,829  
that could not be explained this could

62  
00:03:01,610 --> 00:03:05,959  
very well be the closest that the

63  
00:03:03,830 --> 00:03:07,780  
Department of Defense will ever come to

64  
00:03:05,959 --> 00:03:09,979  
admitting the viability of

65  
00:03:07,780 --> 00:03:12,829  
extraterrestrial crafts without directly

66  
00:03:09,979 --> 00:03:15,289  
saying it although the program has

67  
00:03:12,829 --> 00:03:17,569  
currently been discontinued which is the

68  
00:03:15,289 --> 00:03:20,000  
main cause for the declassification of

69  
00:03:17,568 --> 00:03:22,339  
the files the chief of the UFO program

70  
00:03:20,000 --> 00:03:24,650  
still heavily believes in the importance

71  
00:03:22,340 --> 00:03:26,689  
of the study and of his team to continue

72  
00:03:24,650 --> 00:03:29,480  
their research and gather information

73  
00:03:26,689 --> 00:03:32,479  
regarding issues of national security

74  
00:03:29,479 --> 00:03:35,119  
Lewis Elizondo the program's chief

75  
00:03:32,479 --> 00:03:37,909  
military intelligence official claimed

76  
00:03:35,120 --> 00:03:40,189  
that not only did this craft exhibit

77  
00:03:37,909 --> 00:03:42,949  
behaviors that appeared to defy the very

78  
00:03:40,189 --> 00:03:45,500  
laws of aviation but that these crafts

79  
00:03:42,949 --> 00:03:48,199  
were found to be a hundred percent not

80  
00:03:45,500 --> 00:03:50,930  
man-made and were out of the scope of

81  
00:03:48,199 --> 00:03:53,149  
human capabilities his reasoning for

82  
00:03:50,930 --> 00:03:55,760  
this claim was the crowd investigated

83  
00:03:53,150 --> 00:03:58,129  
demonstrated hypersonic capabilities

84  
00:03:55,759 --> 00:03:59,959  
that were described as being a far

85  
00:03:58,129 --> 00:04:02,329  
beyond the scope that is physically

86

00:03:59,959 --> 00:04:04,729  
tolerable by a human being of whom would

87  
00:04:02,329 --> 00:04:07,370  
experience a high amount of G's to the

88  
00:04:04,729 --> 00:04:10,009  
point that either be fatal or seriously

89  
00:04:07,370 --> 00:04:12,530  
wound them this meant that whoever or

90  
00:04:10,009 --> 00:04:15,138  
whatever was piloting these aircrafts

91  
00:04:12,530 --> 00:04:17,238  
appeared to be non-human not only this

92  
00:04:15,139 --> 00:04:20,239  
but the technical developments of the

93  
00:04:17,238 --> 00:04:22,489  
crafts also made it very apparent that

94  
00:04:20,238 --> 00:04:25,579  
the creation of the UFOs were vastly

95  
00:04:22,490 --> 00:04:27,978  
superior to anything man-made Lewis

96  
00:04:25,579 --> 00:04:29,959  
Elizondo describes in one of his many

97  
00:04:27,978 --> 00:04:32,810  
reports regarding this urgent matter

98  
00:04:29,959 --> 00:04:35,149  
are saying quote we have identified

99  
00:04:32,810 --> 00:04:37,819  
crafts that do not have any obvious

100  
00:04:35,149 --> 00:04:40,609

flight surface forms of propulsion and

101

00:04:37,819 --> 00:04:42,860

maneuvering in ways beyond the healthy

102

00:04:40,610 --> 00:04:45,590

g-forces these aircrafts display

103

00:04:42,860 --> 00:04:47,770

capabilities not in the u.s. Arsenal or

104

00:04:45,589 --> 00:04:49,659

any other militaries end quote

105

00:04:47,769 --> 00:04:52,299

this demonstrates that the evidence

106

00:04:49,660 --> 00:04:54,490

regarding extraterrestrial life is both

107

00:04:52,300 --> 00:04:57,550

obvious and abundant among intelligent

108

00:04:54,490 --> 00:05:00,639

officials the main establishment of the

109

00:04:57,550 --> 00:05:02,590

secret UFO program and the objective of

110

00:05:00,639 --> 00:05:05,168

the UFO researchers involved in a

111

00:05:02,589 --> 00:05:07,269

program was to determine whether or not

112

00:05:05,168 --> 00:05:10,149

these UFOs were an issue of national

113

00:05:07,269 --> 00:05:13,120

security or pose a threat to the safety

114

00:05:10,149 --> 00:05:15,038

of US citizens or the US government it

115  
00:05:13,120 --> 00:05:16,990  
was originally believed that these

116  
00:05:15,038 --> 00:05:18,668  
crafts could have been aircrafts

117  
00:05:16,990 --> 00:05:21,550  
developed by different militaries around

118  
00:05:18,668 --> 00:05:23,889  
the world and given their ability to

119  
00:05:21,550 --> 00:05:25,720  
vanish off radar could have been

120  
00:05:23,889 --> 00:05:28,478  
developments with stealth bombers or

121  
00:05:25,720 --> 00:05:31,180  
stealth aircraft this meant that the

122  
00:05:28,478 --> 00:05:33,879  
number one task in regards to the UFO

123  
00:05:31,180 --> 00:05:35,699  
FILES was to determine the purpose of

124  
00:05:33,879 --> 00:05:38,620  
the crafts and their origin and to

125  
00:05:35,699 --> 00:05:40,569  
determine whether or not these crafts

126  
00:05:38,620 --> 00:05:42,788  
are a threat after it became fairly

127  
00:05:40,569 --> 00:05:45,310  
obvious that these crafts were not

128  
00:05:42,788 --> 00:05:48,038  
man-made the issue at hand became

129  
00:05:45,310 --> 00:05:50,168  
increasingly complex the methods used to

130  
00:05:48,038 --> 00:05:52,060  
determine whether or not these crafts

131  
00:05:50,168 --> 00:05:54,519  
were threats to national security the

132  
00:05:52,060 --> 00:05:56,649  
UFO seemed to be a key piece of

133  
00:05:54,519 --> 00:05:58,779  
intelligence that could have greatly

134  
00:05:56,649 --> 00:06:01,439  
influenced Donald Trump's decision to

135  
00:05:58,779 --> 00:06:05,138  
add a sixth branch to its armed forces

136  
00:06:01,439 --> 00:06:07,778  
known as the space force the most

137  
00:06:05,139 --> 00:06:09,939  
notable case in the research files what

138  
00:06:07,778 --> 00:06:12,610  
seems to be the main story of focus

139  
00:06:09,939 --> 00:06:14,889  
regarding the Pentagon's UFO project has

140  
00:06:12,610 --> 00:06:17,620  
to do with the recently Declassified

141  
00:06:14,889 --> 00:06:20,379  
witness report of a UFO and it's unusual

142  
00:06:17,620 --> 00:06:23,199  
behavior the report centers around a

143

00:06:20,379 --> 00:06:24,718  
Navy pilots first-hand account after he

144  
00:06:23,199 --> 00:06:27,639  
was sent to investigate a mysterious

145  
00:06:24,718 --> 00:06:30,699  
aircraft that suddenly appeared on radar

146  
00:06:27,639 --> 00:06:32,528  
at an altitude of 80,000 feet when a

147  
00:06:30,699 --> 00:06:35,050  
navy's pilot slowly approached the

148  
00:06:32,528 --> 00:06:37,930  
aircraft it began to descend rapidly

149  
00:06:35,050 --> 00:06:40,658  
within a few seconds to an altitude of

150  
00:06:37,930 --> 00:06:43,569  
20,000 feet and then stopped before

151  
00:06:40,658 --> 00:06:46,149  
fading off of the radar and disappearing

152  
00:06:43,569 --> 00:06:47,139  
completely almost as if it had faded

153  
00:06:46,149 --> 00:06:49,418  
from existence

154  
00:06:47,139 --> 00:06:52,060  
normally witness reports are not all

155  
00:06:49,418 --> 00:06:54,579  
that exciting to UFO researchers however

156  
00:06:52,060 --> 00:06:57,098  
it appeared that the research group had

157  
00:06:54,579 --> 00:06:58,750

recovered the recorded footage from the

158

00:06:57,098 --> 00:07:01,599

Navy's pilots aircraft

159

00:06:58,750 --> 00:07:04,180

that showed in high detail the UFO shape

160

00:07:01,600 --> 00:07:07,060

its movement an ability to vanish from

161

00:07:04,180 --> 00:07:09,780

sight the Pentagon is also reference in

162

00:07:07,060 --> 00:07:12,399

a study made back in 1950s by the CIA

163

00:07:09,779 --> 00:07:15,159

which concluded that the public's

164

00:07:12,399 --> 00:07:17,289

potential reaction to UFOs could cause

165

00:07:15,160 --> 00:07:18,939

mass hysteria which is a national

166

00:07:17,290 --> 00:07:21,069

security threat this could very well

167

00:07:18,939 --> 00:07:23,439

mean that we are decades away from a

168

00:07:21,069 --> 00:07:26,920

full disclosure of the project and other

169

00:07:23,439 --> 00:07:28,509
