i'm flight engineer don pettit welcome

4
00:00:16,790 --> 00:00:14,559
to the 2012 conrad spirit of innovation

5
00:00:20,470 --> 00:00:16,800
summit and congratulations on being

6
00:00:23,109 --> 00:00:20,480
selected as finalists i commend you on

7
00:00:26,790 --> 00:00:23,119
applying your creativity and ingenuity

8
00:00:28,390 --> 00:00:26,800
to developing new technologies

9
00:00:30,230 --> 00:00:28,400
partners from around the world have come

10
00:00:32,389 --> 00:00:30,240
together to create this unique place for

11
00:00:33,990 --> 00:00:32,399
people to work and live in space to

12
00:00:36,870 --> 00:00:34,000
conduct scientific research with a

13
00:00:39,270 --> 00:00:36,880

global impact as the president recently

14

00:00:41,190 --> 00:00:39,280

said don't be bored make something

15

00:00:43,110 --> 00:00:41,200

together we are pushing new boundaries

16

00:00:46,150 --> 00:00:43,120

and making game-changing progress in the

17

00:00:47,910 --> 00:00:46,160

issues we face globally

18

00:00:49,830 --> 00:00:47,920

i know you've put in a heap of work over

19

00:00:52,069 --> 00:00:49,840

the last few months to get your products

20

00:00:53,830 --> 00:00:52,079

and presentations ready

21

00:00:54,630 --> 00:00:53,840

you're in the right place

22

00:00:57,110 --> 00:00:54,640

to

23

00:01:01,029 --> 00:00:57,120

show what you have accomplished at

24

00:01:02,709 --> 00:01:01,039

nasa's ames research center

25

00:01:04,469 --> 00:01:02,719

from the expedition 30 crew aboard the

26

00:01:05,910 --> 00:01:04,479

international space station

27

00:01:07,910 --> 00:01:05,920

thank you for letting us be a part of
