

1
00:00:00,000 --> 00:00:02,669
Need to reach down and get my
door open

2
00:00:02,669 --> 00:00:05,606
There we go...

3
00:00:05,606 --> 00:00:07,007
Got a good ready light

4
00:00:07,007 --> 00:00:09,309
and we move up behind

5
00:00:09,309 --> 00:00:13,947
And again, I need to offset a
little bit to the right

6
00:00:13,947 --> 00:00:16,450
"02 you are clear to contact"

7
00:00:16,450 --> 00:00:18,418
Copy. Clear to contact

8
00:00:18,418 --> 00:00:21,154
Okay, so I just need to
slowly drive forward.

9
00:00:21,154 --> 00:00:22,356
Not scare anybody.

10
00:00:22,356 --> 00:00:25,726
Me or anyone else.

11
00:00:29,529 --> 00:00:31,365
Almost there

12
00:00:33,734 --> 00:00:38,906
"Contact"

13

00:00:40,607 --> 00:00:42,609

And can you just check. Is the fuel going up?

14

00:00:42,609 --> 00:00:47,214

Fuel is going up. 63, 64.

15

00:00:47,214 --> 00:00:50,150

Perfect

16

00:00:50,150 --> 00:00:51,585

You don't have to worry about it for a while now.

17

00:00:51,585 --> 00:00:54,521

This is just normal. Gotta get some gas.

18

00:00:54,521 --> 00:00:57,224

Like pulling into a gas station.

19

00:00:57,224 --> 00:00:58,592

That's awesome.

20

00:01:00,694 --> 00:01:02,129

How much fuel?

21

00:01:02,129 --> 00:01:04,364

We are at 18.1.

22

00:01:08,569 --> 00:01:09,970

Tanker is disconnect.
