

1
00:00:00,020 --> 00:00:01,960
Finally comes the initial day of the flight.

2
00:00:02,340 --> 00:00:04,680
The D-558 flies and fully lives

3
00:00:04,680 --> 00:00:06,040
up to the name Skystreak.

4
00:00:06,280 --> 00:00:08,420
To observers on the ground a streak in the sky

5
00:00:08,480 --> 00:00:10,000
is exactly what she is.

6
00:00:10,940 --> 00:00:12,720
In many airplanes, a flight like this would be

7
00:00:12,780 --> 00:00:15,420
the culmination of the design and efforts of its builders.

8
00:00:15,720 --> 00:00:19,020
To the Navy, NACA and to Douglas engineers however,
