

1  
00:00:00,030 --> 00:00:02,400  
The unique research and dramatic values

2  
00:00:02,400 --> 00:00:04,080  
of the Skystreak attracted

3  
00:00:04,080 --> 00:00:05,880  
representatives of the press as well as the

4  
00:00:05,880 --> 00:00:08,440  
Armed Forces to this first public viewing.

5  
00:00:09,020 --> 00:00:10,920  
Everyone is interested in this revolutionary

6  
00:00:10,920 --> 00:00:12,180  
research airplane.

7  
00:00:12,560 --> 00:00:14,020  
No only in what it might contribute

8  
00:00:14,020 --> 00:00:15,920  
as a transonic flying test tube,

9  
00:00:16,260 --> 00:00:18,620  
but in its unusual torpedo-like appearance.

10  
00:00:19,000 --> 00:00:20,520  
Its thin double wing,

11  
00:00:20,520 --> 00:00:22,600  
placed far aft on the fuselage.

12  
00:00:23,080 --> 00:00:24,280  
Flush riveted and polished

13  
00:00:24,280 --> 00:00:25,920

with coat after coat of shining lacquer

14

00:00:25,920 --> 00:00:28,240

rubbed down to a mirror-like sheen.

15

00:00:28,820 --> 00:00:30,580

Even in its brilliant red color,

16

00:00:30,900 --> 00:00:32,720

Army and Navy insignia red,

17

00:00:32,720 --> 00:00:35,600

which was chosen for maximum visibility in the air.

18

00:00:36,860 --> 00:00:38,700

A second Skystreak of the three built

19

00:00:38,700 --> 00:00:40,160

is also on display.

20

00:00:40,160 --> 00:00:41,700

Its main element separated to

21

00:00:41,700 --> 00:00:43,560

show more of the construction detail.

22

00:00:43,980 --> 00:00:46,160

The nose which the pilot inside would jettison

23

00:00:46,160 --> 00:00:47,940

to protect himself in case of a bailout.

24

00:00:48,520 --> 00:00:50,180

The instrumentation and engine section
