another advantage to sound travels

9
00:00:29,960 --> 00:00:27,630
faster in hot air so the sky space could

10
00:00:32,060 --> 00:00:29,970
fly faster on the first test without

11
00:00:33,920 --> 00:00:32,070
reaching the speed of sound the first
