

1  
00:00:02,905 --> 00:00:03,905  
Forty

2  
00:00:05,600 --> 00:00:07,320  
OK...[unintelligible]

3  
00:00:08,880 --> 00:00:09,880  
unintelligible]

4  
00:00:23,640 --> 00:00:25,140  
Tower, Skyray 48 is airborne

5  
00:00:25,140 --> 00:00:26,680  
We'd like to swith over to mission.

6  
00:00:27,120 --> 00:00:27,960  
Go ahead 48

7  
00:00:27,960 --> 00:00:29,380  
Jason, there's 4000 feet

8  
00:00:29,540 --> 00:00:30,040  
Thank you

9  
00:00:30,200 --> 00:00:31,840  
Confirmed...go through [unintelligible]

10  
00:00:32,580 --> 00:00:33,840  
[unintelligible]

11  
00:00:35,160 --> 00:00:36,880  
Setting up for wave point vector

12  
00:00:36,880 --> 00:00:38,620  
600 to 700 feet

13  
00:00:39,660 --> 00:00:41,100

Unorbit chase

14

00:00:42,600 --> 00:00:43,100

Chase

15

00:00:49,360 --> 00:00:50,800

I think you're pointed at the numbers

16

00:00:50,800 --> 00:00:53,260

Your runway is gonna be about 50 right

17

00:01:00,580 --> 00:01:01,480

And turn now

18

00:01:01,820 --> 00:01:03,820

Probe is alive...500 feet

19

00:01:09,000 --> 00:01:10,420

Runway is to the left

20

00:01:11,580 --> 00:01:13,700

50 cold roll out there...50

21

00:01:14,320 --> 00:01:14,820

50

22

00:01:17,620 --> 00:01:20,640

[unintelligible]

23

00:01:21,980 --> 00:01:22,480

15

24

00:01:24,140 --> 00:01:25,140

10

25

00:01:25,960 --> 00:01:26,460

5

26

00:01:27,060 --> 00:01:27,560

2

27

00:01:29,020 --> 00:01:29,520

Wheel
