

1
00:00:01,260 --> 00:00:02,860
I have heard some people say...

2
00:00:02,860 --> 00:00:07,480
Well, I wonder if the younger people in aviation

3
00:00:07,540 --> 00:00:09,420
are as dedicated and committed and

4
00:00:09,420 --> 00:00:12,139
have the passions for flying airplanes that

5
00:00:12,139 --> 00:00:15,120
existed back in Fitzs' and my time

6
00:00:15,120 --> 00:00:18,920
and Gordo's time but I see a great

7
00:00:19,280 --> 00:00:23,640
Uh...professionalism amongst younger pilots today.

8
00:00:23,980 --> 00:00:26,480
I still fly a little bit and hope by acting young

9
00:00:27,100 --> 00:00:30,820
but, it's just very, very heartening

10
00:00:30,820 --> 00:00:33,400
to see the attitude that young people have today

11
00:00:33,500 --> 00:00:36,100
about aviation and I have to believe that some of that

12
00:00:36,100 --> 00:00:38,200
enthusiasm has come about
