

1
00:00:01,000 --> 00:00:03,860

A close trail with an aileron roll or something like that.

2
00:00:03,860 --> 00:00:05,380

you know, they won't be in our way.

3
00:00:06,080 --> 00:00:06,880

OK,...Perfect.

4
00:00:37,340 --> 00:00:39,920

Cobra Zero Three...traffic west and six miles

5
00:00:39,920 --> 00:00:42,680

southbound a pair of F-18s at One Five Thousand.

6
00:00:42,680 --> 00:00:43,920

Should not be a factor.

7
00:00:43,920 --> 00:00:45,920

[unintelligible cockpit transmission]

8
00:00:46,980 --> 00:00:48,980

OK, I can take the lead on the left.

9
00:00:48,980 --> 00:00:50,980

Traffic 40 Southwest in seven miles.
