2019

The logo is a circular emblem with a green border. Inside, a blue satellite with a long antenna orbits a stylized landscape. The landscape includes a row of green evergreen trees at the bottom, blue mountains in the middle, and a white lighthouse-like tower in the background. The text 'AbSciCon' is written in a black, sans-serif font across the top, and '2019' is written in a larger, bold black font across the middle. Small white stars are scattered around the emblem.
